arousal and sexual violence **Rediscovering Jesus in Our Places** Elia Shabani Mlilo, 2020-05-28 The question of contextual theology and its relevance to Africa in this time of globalization whereby there are rampant uncontrolled changes in cultures technologies economic policies and even people's religious lives is very urgent How is contextual theology relevant in the ever changing contexts of the church in Africa Indeed there are a number of challenges which contextual theology faces within the church in Africa which need to be addressed contextually Some such challenges include poverty rampant violence homosexuality alcoholism the resurgence of prosperity gospel materialistic prophets and incurable illnesses like Ebola HIV and AIDS and the current coronavirus COVID 19 However which context in Africa Context in Africa as in other parts of the world is always in flux it is complex and fluid There is no permanent context The experience of Jesus in such a changing context needs to be rediscovered depending on what transpires in each particular place at a particular time This book addresses some of the overarching challenges that face contextual theology and how such challenges should be addressed by the church in Africa in contemporary ever changing context for it to be relevant in Africa It also highlights the need to move from liberation and inculturation theologies to reconstruction theology in dealing with the challenges of the current church Hence the book is important to students and scholars engaging in practical systematic biblical and contextual theologies in all their branches

The Quest for the Inner Human Steven H. Propp, 2013-12-03 Psychology means the study of the soul it is the social science concerned with investigating who we are why we have certain feelings and why we do the things we do Are we no more than a vast assembly of nerve cells and their associated molecules Is biology our genetic inheritance destiny or does social upbringing play a crucial role What are the roles played by Nature and by Nurture Are we purely physical beings or is there an aspect that can be called spiritual This thought provoking novel takes you on a journey of intellectual and emotional exploration considering along the way questions that we've all asked ourselves such as Is it true that we only use 10% of our brains Does playing classical music for infants increase their intelligence Do crime rates go up during a full moon Can hypnosis or post hypnotic suggestions make us do something we wouldn't normally do Does subliminal advertising influence us to buy products Are our memories stored indelibly almost like a tape recorder What causes memory lapses as we age Can repressed traumatic memories be recovered through hypnosis Do some people have multiple personalities How can I tell if someone has a neurosis or a psychosis Do men have an inner feminine side and women an inner masculine Are there innate psychological differences between males and females The four main characters in this book will guide you through a diverse and sometimes bewildering world of differing approaches to answering such questions such as Freudian Jungian and Adlerian Humanistic Existential and Transpersonal as well as Cognitive Emotive and Behaviorist Along the way you will learn about the developmental stages proposed by psychologists such as Erikson Kohlberg Piaget and Fowler and even explore some of the questions currently being asked by both neuroscientists and philosophers of the mind Start reading to begin your study of our innermost selves **Sex and Reason** Richard A. Posner, 1992 Posner's rational

choice theory is the first comprehensive approach to sexuality and its social controls Drawing on the fields of biology law history religion and economics this sweeping study examines societies from ancient Greece to today s Sweden and issues from incest taboos and date rape to gay marriage and Baby M

Betty C. Eng,2012-01-25 Bringing together educators from a range of backgrounds psychology sociology social work counseling and teaching this volume shows how Asian cultural values and beliefs can provide a lens through which to understand and envision how curriculum and pedagogy can be creatively adapted not only in a local Chinese classroom context but in a global context as well

The Straight Line Tom Waidzunas,2015-11-20 To be taken seriously therapies that claim to cure homosexuality wrap themselves in lab coats Even though the fit is bad and such therapies and their theorists now inhabit the scientific fringe the science of sexuality has made some adjustments too Tom Waidzunas tells us in this provocative work Intervening in the politics of sexuality and science The Straight Line argues that scientific definitions of sexual orientation do not merely reflect the results of investigations into human nature but rather emerge through a process of social negotiation between opposing groups The demedicalization of homosexuality and the discrediting of reparative therapies ex gay ministries and reorientation research have Waidzunas contends required scientists to enforce key boundaries around scientific expertise and research methods Drawing on extensive participant observation at conferences for ex gays reorientation therapists mainstream psychologists and survivors of ex gay therapy as well as interviews with experts and activists The Straight Line traces reorientation debates in the United States from the 1950s to the present following homosexuality therapies from the mainstream to the margins As the ex gay movement has become increasingly transnational in recent years Waidzunas turns to Uganda where ideas about the scientific nature of homosexuality influenced the passage of the Anti Homosexuality Act of 2014 While most studies treat the ex gay movement as a religious phenomenon this book looks at how the movement in its attempts to establish legitimacy has engaged with scientific institutions shaping virulent anti gay public policy

Gay Perspective Edwin Clark Johnson,Toby Johnson,2008 In this companion volume to his critically acclaimed Lambda Literary Award winning book Gay Spirituality Toby Johnson further explicates his visionary stance that gay people s nature as outsiders gives them a uniquely powerful perspective on the nature of God and religion By living outside gender norms gay people are more open to seeing across boundaries of gender and gain access to a less dualistic outlook on the nature of life Once again Johnson approaches this potentially controversial subject matter with erudition empathy and visionary speculation and gives meaning to gay consciousness beyond superficial issues of sexual behavior

Social Perspectives in Lesbian and Gay Studies Peter M. Nardi,Beth E. Schneider,2013-09-13 This comprehensive reader brings a social science perspective to an area hitherto dominated by the humanities Through it students will be able to follow the story of how sociology has come to engage with gay and lesbian issues from the 1950s to the present from the earliest research on the underground worlds of gay men to the emergence of queer theory in the 1990s

Bringing together classic readings and the best work of younger scholars from all parts of the English speaking world this reader will be an invaluable resource for courses at undergraduate and graduate level in all areas of the sociology of sexuality and gender Separate sections cover theoretical foundations identity and community making institutions and social change challenges for the future Each section begins with an introduction giving readers a brief guide to the readings in that section contextualises them and relates them to one another and the book ends with an afterword by Ken Plummer summing up the present state of play and looking forward to the future *Current Research on Bisexuality* Ronald Fox,2013-04-03

Current Research on Bisexuality is an important resource on recent psychological and sociological findings in bisexual studies The authors provide research findings and case studies that add to our understanding of bisexual identity bisexuality and relationships bisexuality and ethnicity and attitudes toward bisexual people This book examines research findings literature reviews and a wealth of resources that currently exist on bisexuality and bisexual issues This book will bring you up to date on bisexual identity development bisexuality in college students cross orientation friendships of bisexual women bisexual married women and men and their spouses bisexuality and heterosexually married couples monogamous as well as open bisexual relationships the interrelationship of bisexuality race and ethnicity attitudes toward bisexual women and bisexual men *Current Research on Bisexuality* also contains a comprehensive reader's guide to the current social science literature about bisexuality This bibliography brings together a wide range of nonfiction books journal articles book chapters theses and dissertations on bisexuality with a focus in the theoretical research clinical and community perspectives that have that have developed in the last twenty years This reading list is essential for students educators researchers and practitioners in psychology counseling social work psychiatry education sociology and anthropology *Current Research on Bisexuality* provides new knowledge of the life experiences of bisexual people With this book you'll find a basis for further research and education about bisexuality in the greater context of ongoing research education and advocacy regarding lesbian gay bisexual and transgender issues **Bisexual and Homosexual Identities** John P. De Cecco,Michael G.

Shively,1984 This well documented book highlights some of the theories of bisexual and homosexual identities and their conceptual bases in cultural history moral philosophy biology and social psychology Some of the most respected minds in the field of human sexuality challenge traditional views on homosexuality and question the moral principles implicit in many existing psychiatric and psychological theories **The Mismeasure of Desire** Edward Stein,2001-04-12

In recent years scientific research popular opinion have favoured the idea that sexual orientations are determined at birth but Edward Stein argues that this may be wrong This book offers an examination of contemporary thinking on this issue **Answers to Your Biblical Questions** Jean Billy Beaufls,2022-07-22 In this book The Reverend Doctor J Billy Beaufls Pastor former President of the Mission Thophile in Christ Inc Current President of the Association of Haitian Evangelical Pastors of Georgia Veteran in radio broadcasting for 26 years with a determination and an extraordinary courage like that of Jeremiah does not stop

teaching and exposing the Word of God to the Haitian communities throughout the United States of America and Haiti He has just offered us this brilliant and vigorous work which I call an encyclopedia which all Bible teachers should have a copy for reference in their archives This book is a gift that Dr Beaufile my friend my brother my colleague made for the Haitian and Haitian American communities but especially to humanity in general Let's face it Dr Beaufile has shown unfailing honesty in his work by denouncing and exposing the lies of the gods of this century conveyed by false disguised ministers whom our Lord Jesus Christ calls ravening wolves We know that man is a tragic actor placed in a totally absurd environment where it is impossible for him to satisfy his rational aspirations that some call The Theater of the Absurd So Dr Beaufile invites us to leave this land of absurdity and encourages us to embark with him on the true path the path of reality the path of truth that will lead us to a blessed and happy eternity Are you ready to take this beautiful and great trip with Dr Beaufile

Making the Most of Your Money in Tough Times Kerby Anderson,

Homosexuality In Perspective: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Homosexuality In Perspective : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Homosexuality In Perspective : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
