A Manual of Pottery and Porcelain for American Collectors John H. Treadwell,1872 **A Manual of Pottery and Porcelain for American Collectors** John H. Treadwell,2015-06-25 Excerpt from A Manual of Pottery and Porcelain for American Collectors The very few years during which public interest has been growing in this country to an appreciation of fictile wares could scarcely suffice to bring forth an exhaustive and detailed literature Our public are just awaking to a comprehension of the Old World s advance and superiority in arts which we have yet scarcely attempted but they have in their graves the honored dust of ages and experience with them is of a thousand years our history may be one in which the arts shall not be measured by this toilsome time In collating these pages the author has had recourse to those authorities of the Old World which are there regarded as standard and as it may be of interest to the reader to make a further excursion in this domain a few authors names may assist his journey among the books In the field of Ancient Pottery Birch s history is complete although this is not a part absolute of ceramic art still it is essential if we choose to follow its interesting historical progress About the Publisher Forgotten Books publishes hundreds of
