Goodnight Goon A Petrifying Parody:

Goodnight Goon Michael Rex, Oliver Wyman, Noelle Romano, Art Labriola, Scholastic Audio, 2009 The 1 New York Times bestselling picture book parody now in a new format It s time for bed but one little goon still isn t ready for sleep With lively rhymes and cheeky art that ll get readers howling this hilarious take on the beloved classic will have a whole new audience saying Goodnight monsters everywhere

Goodnight Goon: a Petrifying Parody Michael Rex, 2012-08-16 This 1 New York Times bestselling picture book parody is the perfect Halloween read Goodnight tomb Goodnight goon Goodnight Martians taking over the moon It s bedtime in the cold gray tomb with a black lagoon and two slimy claws and a couple of jaws and a skull and a shoe and a pot full of goo But as a little werewolf settles down in comes the Goon determined at all costs to run amok and not let any monster have his rest A beloved classic gets a kind hearted send up in this utterly monsterized parody energetic art and clever text will have kids begging to read this again and again The board book edition is the perfect size for little hands And keep your eye out for other Mike Rex favorites We re Going on a Goon Hunt and The Runaway Mummy

Runaway Mummy: A Petrifying Parody Michael Rex, 2009-08-20 A hysterical and creepy parody of a children s classic Filled with uproarious illustrations a beloved classic gets a kindhearted send up in this utterly monsterized parody from Michael Rex creator of the New York Times bestselling *Goodnight Goon* This is The Runaway Bunny like you ve never seen it before Kids will dig the vast array of terrible monsters but parents will love the sweet sentiment A fabulous Halloween treat for all those little monsters

Eat Pete Michael Rex, 2018-08-14 From the creator of *Goodnight Goon* a laugh out loud friendship story that perfectly captures the high and low moments of a typical playdate Pete couldn t be more thrilled when a monster shows up in his bedroom Now Pete has someone to play with And the hungry monster couldn t be more thrilled to be there either Now he can EAT PETE But Pete has other ideas And they are all good fun and quite distracting things like playing cars and pirates Well we all know the course of playing together nicely never did run smoothly So how much longer will the monster have to wait before he can EAT PETE

A to Zoo Rebecca L. Thomas, 2018-06-21 Whether used for thematic story times program and curriculum planning readers advisory or collection development this updated edition of the well known companion makes finding the right picture books for your library a breeze Generations of savvy librarians and educators have relied on this detailed subject guide to children s picture books for all aspects of children s services and this new edition does not disappoint Covering more than 18 000 books published through 2017 it empowers users to identify current and classic titles on topics ranging from apples to zebras Organized simply with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically this reference applies more than 1 200 intuitive as opposed to formal catalog subject terms to children s picture books making it both a comprehensive and user friendly resource that is accessible to parents and teachers as well as librarians It can be used to identify titles to fill in gaps in library collections to find books on particular topics for young readers to help teachers locate titles to support lessons or to

design thematic programs and story times Title and illustrator indexes in addition to a bibliographic guide arranged alphabetically by author name further extend access to titles

Using Poetry Across the Curriculum Barbara Chatton, 2010-01-13 This comprehensive listing and discussion of poetic works supports the standards of all areas of the curriculum helping librarians and teachers working with kindergarten through middle school students This second edition of *Using Poetry Across the Curriculum Learning to Love Language* offers a comprehensive list of poetry anthologies poetic picture books and poetic prose works in a wide variety of subject areas While it maintains the original edition's focus on ideas and resource lists for integration of poetry into all areas of the curriculum it is thoroughly revised to cover current issues in education and the wealth of new poetry books available The book is organized by subject areas commonly taught in elementary and middle schools and within these by the national standards in each area Numerous examples of poetry and poetic prose that can be used to help students understand and appreciate aspects of the standard are listed A sampling of units that arise from groups of works writing and performance ideas and links across the curriculum is also included While many teaching ideas and topics provide references to the standards they meet this title is unique in starting with those standards and making links across them

Writing, Redefined Shawna Coppola, 2023-10-10 What does it mean to write or to be a writer In Shawna Coppola's book *Writing Redefined Broadening Our Ideas of What It Means to Compose* she challenges the reader to expand beyond standard alphabetic writing and consider alternative forms of composition when assigning writing to students This book empowers teachers to change what counts as writing in schools and classrooms opening the door to students who may not consider themselves to be writers but should and can Inside you'll find alternative engaging writing assignments that are visual aural or multimodal that will involve all students specifically those Who prefer to compose using a wider array of forms and modes For whom standard English is not the norm Who have been identified as dyslexic Whose cultural traditions lean heavily towards more aural forms of composition Who are considered struggling writers By finding ways to accommodate all styles of writers students are free to unleash their creativity and share their story with others While there is no question composition in written form is important and worth of study broadening our definition of writing expands an enormous range of possibilities for composing for all students

Curriculum Napoli, Mary, Day, Deanna, Ward, Barbara A., 2025-07-16 Poetry provides opportunities to explore the universal and common experiences that connect us as human beings When teachers infuse poetry into their classroom it can foster compassion develop interdisciplinary connections and support literacy instruction However not all teachers use poetry in their classroom either because they are not aware of the value of poetry or because they have not had positive experiences with poetry Given the importance of sharing poetry with today's youth educators must feel confident in evaluating well written poetry and how to weave poetry from award winning poets to support interdisciplinary connections Celebrating Poetry Across the K 12 Curriculum aims to ensure that poetry for children is not neglected as part of the curriculum and to help educators feel more confident in their understanding of children's poetry its relevance to children's lives and its importance to supporting pedagogical connections Featuring interviews with well known poets this resource also showcases the latest pedagogical and scholarly research supporting the integration of poetry in the K 12 classroom Covering topics such as science content romanticism and diversity recognition this book is an excellent resource for educators classroom teachers literacy specialists librarians professionals researchers scholar academicians and more **Coding, Robotics, and Engineering for Young Students** Ann Gadzikowski, 2021-09-03 Coding Robotics and Engineering for Young Students builds foundational computer science and robotics skills and knowledge in bright Pre K grade 2 students Originally developed as enrichment courses for Northwestern University's Center for Talent Development this curriculum emphasizes active hands

on and collaborative learning Students are challenged to learn computer science content such as coding and robotics and engineering concepts as well as practice high level academic skills such as creative problem solving computational thinking and critical thinking Instructional practices balance screen time with active collaborative classroom engagement Learning is deepened when students are challenged to navigate the transition from a virtual learning environment to a tangible learning environment The lessons can be implemented as standalone enrichment experiences or as part of a coordinated scope and sequence that leads to higher level computer science and engineering studies Grades Pre K 2 The Morals of Monster Stories Leslie Ormandy,2017-08-07 The simplicity of children s picture books stories told with illustrations and a few well chosen words or none at all makes them powerful tools for teaching morals and personal integrity Children follow the story and see the characters behaviors on the page and interpret them in the context of their own lives But unlike many picture books most children s lives don t feature monsters This collection of new essays explores the societally sanctioned behaviors imparted to children through the use of monsters and supernatural characters Topics include monsters as instructors the normalization of strangers or the other fostering gender norms and therapeutic monsters among others **Intersections of Diversity, Literacy, and Learner Difficulties** Theresa Abodeeb-Gentile,Dennis A. Conrad,2022-08-22 This book invites readers to challenge corroborate and add to the discourse on more inclusive pedagogical practice Presenting theoretically and empirically informed research it highlights potential considerations regarding the intersections of diversity literacy and learner difficulties These three areas provide a stage where opposing paradigms often pose challenges for educators and create unnecessary barriers to providing the best education for all learners These barriers might reveal how students are positioned through a deficit lens rather than one that recognizes individual differences and how these learner differences sometimes result in labels or put students at increased risk of encountering difficulties The contributing authors goals are to start and sustain a conversation that examines these perspectives and to offer counter narratives to the deficit lens by recognizing that individual difference does not need to be a barrier to educational access By examining opportunities for more inclusive educational success this book encourages discourse among key stakeholders further it goes beyond problematizing to offer new avenues for optimal learning and inclusive pedagogy across multiple contexts *My Dog Jack Is Fat* Eve Bunting,2011 Carson does his best to help his dog Jack lose weight with unexpected results **The Publishers Weekly** , Bulletin of the Center for Children's Books ,2008 *We're Going on a Goon Hunt* Michael Rex,2020-08-18 This hilarious companion to the New York Times 1 bestseller Goodnight Goon is a ghoulish parody of We re Going on a Bear Hunt We re going on a goon hunt We re going to catch a green one What a spooky night We re not scared A goon hunt is no easy task A twisted tangled pumpkin patch murky bubbling swamp and foggy crumbling graveyard are just a few of the obstacles these kids will have to go through skulking monsters included And when the Goon finally makes an appearance under the covers they go Except one brave child who finds monsters more fun than scary The beloved classic We re Going on a Bear

Hunt gets an eerie twist in this goon infused parody that perfectly plays with the rhythm and sound effects of the original Mike Rex's creepy settings and hilarious text will have kids demanding to giggle and shiver through the story again and again and now this board book edition is perfect for toddler bedtimes and read alouds **Children's Catalog** H.W. Wilson Company, 2009 The 1st ed includes an index to v 28 36 of St Nicholas The Read-Aloud Scaffold Judy Bradbury, 2011-09-16 This compendium of outstanding read aloud choices for grades pre K 3 will enrich and extend content area instruction helping busy teachers to meet curriculum requirements within the confines of their busy schedules It's a familiar and unfortunate story educators everywhere are being asked to do more teaching with less money less staff and less time One easy way to provide more content area instruction to very young readers is by scaffolding beneficial learning subjects within memorable read aloud activities This augments the instructional curriculum and keeps learning fun without adding to the educator's already full plate Read Aloud Scaffold Best Books to Enhance Content Area Curriculum Grades Pre K 3 offers teachers and librarians over 700 content area connections through carefully selected recently published children's trade books These selections include fiction and non fiction titles that represent outstanding read aloud choices that will augment the instructional curriculum covering subjects ranging from history to holidays to special events and from biographies and memoirs to poetry and character education A Closer Look suggests outstanding read aloud choices related to key units in the curriculum and features discussion points cross curricular activities writing prompts and related online and print materials
