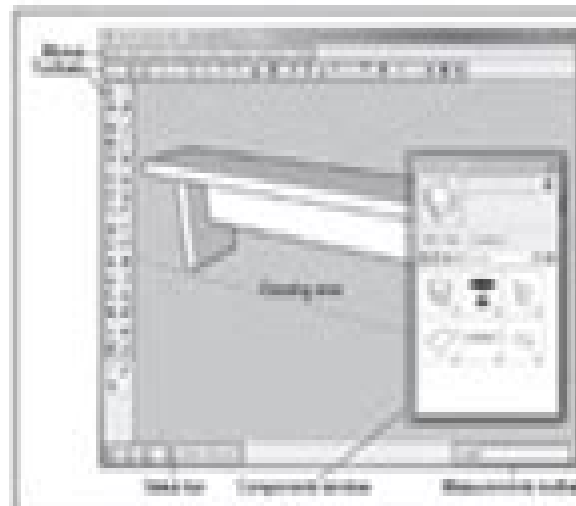

Figure 1-1: The SketchUp window. The SketchUp window is a 3D workspace that you use to create 3D models. The SketchUp window also contains a toolbar with icons for various tools, and a panel with icons for various panels.

In addition to the five main windows, SketchUp also includes several other windows, such as the Components window that's open in Figure 1-1. You can open and close these as needed by using the Window menu. With the tools in these windows, you'll apply color and shading to your models, select prebuilt components, add shadows and lighting effects, and export your project.

Don't Be Afraid to Play

When you get started, don't be afraid to play. SketchUp is a 3D modeling software, and it's designed to be fun. You can create 3D models of anything you can imagine, and you can share your models with others. So don't be afraid to play. SketchUp is a 3D modeling software, and it's designed to be fun.
