

Child Care Experience™ Implementation Guide

Engage students with innovative, real-world career preparation.

"I don't think students really realize how much of a responsibility this field is until they have a little taste of that experience, and I think the Child Care Experience program really gave it to them. I even had one student, who used the program this past semester, tell me she thinks this is something she wants to do – she wants to be a preschool teacher. That's huge because these careers are in dire need of people who want to invest in the lives of children and so if they get a little taste of that, that's my goal as a teacher."
