Guide To Written English:

Plain Style Christopher Lasch, 2025-05-13 Plain Style is an amusing and instructive guide to written English by the late Christopher Lasch author of *The Culture of Narcissism* *The True and Only Heaven* and many other memorable works of American history and social criticism Written for the benefit of the students at the University of Rochester where Lasch taught from 1970 until his death in 1994 it quickly established itself in typescript as a local classic a lively witty and historically minded alternative to the famous volume by William Strunk and E B White *The Elements of Style* Now available for the first time in published form Plain Style is fundamentally a clear readable practical guide to the timeless principles of effective composition At the same time however in ways that Stewart Weaver explains in his critical introduction it is a distinctive and revealing addition to the published work of an eminent American thinker No mere primer Plain Style is an essay in cultural criticism a political treatise even by one for whom directness clarity and honesty of expression were essential to the living spirit of democracy As the teachers and students who have for years benefited from its succinct wisdom will testify Plain Style is an indispensable guide to writing and indeed Christopher Lasch's least expected but perhaps most serviceable work
