S. Phillpotts, 2016-12-20 Excerpt from King and Commonwealth A History of the Great Rebellion No people ever was and remained free but because it was determined to be so because neither its rulers nor any other party in the nation could compel it to be otherwise If a people especially one whose freedom has not yet become prescriptive does not value it sufficiently to fight for it and maintain it against any force which can be mustered within the country it is only a question in how few years or months that people will be enslaved mill dissertations and discussions About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Literature of the Rebellion (Classic Reprint) John Russell Bartlett, 2015-07-06 Excerpt from The Literature of the Rebellion In preparing this Bibliography of the Rebellion the compiler has been at a loss where to begin his labors inasmuch as events of great importance which occurred long before the outbreak had a direct bearing upon it and require notice The Raid at Harper's Ferry by John Brown the contest for Freedom in Kansas the working of the Fugitive Slave Law the Missouri Compromise and the long struggle between the Slave and Free States from the very adoption of the Federal Constitution which finally culminated in the rebellion all seem to be a preparation for this event With this view of the subject the compiler has deemed it best that his catalogue should cover the whole ground of these several events and should consequently include works relating to American Slavery The historians of the rebellion generally have taken the same view and have covered the field beginning with the adoption of the Constitution in their preliminary remarks But although it was determined to embrace works on this subject in the catalogue it is in this respect far from complete as the compiler did not commence till recently to

collect works on American Slavery But notwithstanding the deficiencies in this department he believes that his catalogue contains more titles on the subject than can be found elsewhere The catalogue will be found to include titles of the following

- 1 Books and Pamphlets relating to the Rebellion and to topics connected therewith published in the United States and Europe
- 2 Congressional Reports Reports and Documents from the Departments of the War and the Navy Proceedings of Courts Martial Communications from the Executive of the United States Speeches in Congress and all other publications of the general government
- 1861 63 relating to the war
- 3 Official publications of the several States covering the period of the war 1861 to 1865 embracing Messages of Governors Reports of Adjutant and Quartermaster Generals Rosters of Volunteers Documents and Reports relative to Volunteers Bounties the Draft etc
