 Department of the Army. Office of Military History,1973 Blazing Skies John A. Hamilton,2009-05-13 The book is an
 authoritative history on the Army Air Defense Artillery Branch on Fort Bliss Texas Fort Bliss in 1940 was a cavalry post
 located on the Texas border The post itself occupied the sixth location of what had been called Fort Bliss In the summer of
 1940 a number of Army National Guard antiaircraft regiments were called to active duty to spend one year protecting
 American cities and territories from air attack In September the first antiaircraft regiment the 202nd Coast Artillery
 Antiaircraft Regiment arrived at Fort Bliss Over the next four years the post became an antiaircraft training center and
 finally the Army antiaircraft training center After the war Fort Bliss became the premier guided missile testing and training
 center for the Army All of the Nike missile battalions deployed to protect American cities during the Cold War trained there
 As time passed Fort Bliss expanded to 1 1 million acres one of the largest Army posts in the world By 1946 the antiaircraft
 arm was the owner of Fort Bliss By 1957 the post had become the Air Defense Center and School for the United States Army
 This book is the story of that progression until the Base Realignment and Closure announcement in 2005 By 2011 the Air
 Defense Artillery Center and School will be located at Fort Sill Oklahoma This will end the era of Air Defense Artillery
 ownership of Fort Bliss Texas The Army Historian ,1983 *Our Year of War* Daniel P. Bolger,2025-05-01 Two brothers
 Chuck and Tom Hagel who went to war in Vietnam fought in the same unit and saved each other s life They disagreed about
 the war but they fought it together 1968 America was divided Flag draped caskets came home by the thousands Riots
 ravaged our cities Assassins shot our political leaders Black fought white young fought old fathers fought sons And it was the
 year that two brothers from Nebraska went to war In Vietnam Chuck and Tom Hagel served side by side in the same rifle
 platoon Together they fought in the Mekong Delta battled snipers in Saigon chased the enemy through the jungle and each

saved the other's life under fire. But when their one year tour was over these two brothers came home side by side but no longer in step one supporting the war the other hating it. Former Secretary of Defense Chuck Hagel and his brother Tom epitomized the best and withstood the worst of the most tumultuous shocking and consequential year in the last half century. Following the brothers' paths from the prairie heartland through a war on the far side of the world and back to a divided America. Our Year of War tells the story of two brothers at war a gritty poignant and resonant story of a family and a nation divided yet still united.

Infantry Antiaircraft Missiles Steven J. Zaloga, 2023-01-19. Noted authority Steven J. Zaloga charts the development, combat use and influence of man portable air defense systems from the late 1960s to the present day. The first attempts at developing a man portable air defense system MANPADS based around a guided missile began in the mid 1950s as a response to the increased speed and maneuverability of jet aircraft. This book charts the technological evolution of the MANPADS and explores their combat usage and the lessons from these encounters. Besides detailing the missiles it also surveys the various methods developed as countermeasures to the MANPADS threat. The first generation of MANPADS such as the US Army's Redeye and the Soviet Strela 2 SA 7 Grail saw combat use in the Vietnam War in 1972 and the Yom Kippur War of 1973. The next generation of infrared guided MANPADS such as the US Stinger and Soviet Igla came to prominence following the Soviet invasion of Afghanistan in 1979. Since the 1970s MANPADS have been used in innumerable wars, border conflicts, civil wars and insurrections. Featuring specially commissioned artwork and carefully chosen photographs this study tells the story of these lethally effective weapons from their origins to their use today. *The Marine Corps Gazette*, 1974.
