Germany in 1913 and was fascinated by the art and architecture there. Despite being a German patriot he could not get any government position because he did not have full citizenship there. Even after World War I he remained in the army and progressed to the rank of police detective. Gradually Hitler became a good speaker. After listening to his speech people would follow him like crazy and believe whatever he said. Hitler succeeded in bridging the gap between the lower and middle classes and bringing them to the same level. Ultimately with the help of several parties he seized power in Germany and took control of the army. Despite a lot being known about Hitler's ambition, autocracy and military operations, the common man remains eager to know more about him. In this book detailed light has been thrown on many unknown aspects and many unknown secrets of this well known and controversial personality of the 20th century. *The Culture Is I-God Book I & II* Divine39 Allah, 2016-11-22. It requires only a small book to explain the truth of science, history, law, psychology, sociology, mathematics etc. However it requires a very large book to cover up the truth of science and or history by using Mythology, Theology, Isms, Race and Fiction. The Black men, women and children continue to be economic and social slaves because of a lack of knowledge of history and science the world over. The Great Pyramids of Giza was built by Khufu, a great Asiatic builder who sees a Black man of Nile and his family. The fallen sons and daughters of the Asiatic Nations need to learn to love instead of hate and to know of their higher self and lower self. This is the uniting of the tribes and families for teaching and instructing all families of the planet earth and in the universe. Upon The Nature and Significance of the Culture of the Asiatics. The Book Culture is I God has for its primary object the construction of a map of the history of the world from an Asiatic Blackman's perspective. *A History of Religion in America* Bryan Le Beau, 2017-09-18. A History of Religion in America From the End of the Civil War to the Twenty First Century provides comprehensive coverage of the history of religion in America from the end of the American Civil War to religion in post 9/11 America. The volume explores major religious groups in the United States and examines the following topics: The aftermath of the American Civil War, Immigration's impact on American religion, The rise of the social gospel, The fundamentalist response, Religion in Cold War America, The 60's counterculture and the backlash, Religion in Post 9/11 America. Chronologically arranged and integrating various religious developments into a coherent historical narrative, this book also contains useful chapter summaries and review questions. Designed for undergraduate religious studies and history students, A History of Religion in America provides a substantive and comprehensive introduction to the complexity of religion in American history. **The Culture Is I-God** Divine39 Allah, 2009-08-31. Knowledge of the truth is a wise man's cipher for you shall know the truth and the truth will make you free. All the evidence points towards the facts that had the truth been taught in the schools of yesterday there would have not been a need for the great statement to be recorded in literature named after the son of man Yeheshua. You shall know the truth and the truth shall set you free. The Asiatic Blackmen, women and children have undergone everything that could have been imposed upon them yet they retained their morals. You may compare the acts of the lamb's wool hair woman of the US

and abroad with the acts of the European blond woman of the US and abroad and thereby draw your own conclusion during the next 170 years of global economic and social revolution Thousands of blond women and sons will resort to suicide while undergoing the 170 years of economic and social revolution
