Jon Decker, 2017-01-11 God brought passion into Jon's life at an early age when he saw his very first golf club. This passion turned to love and gave birth to a dream. Fueled by this dream, he worked diligently to one day be a PGA Tour player. However, God's plan for his life did not include professional golf as a participant. Led by the hand of God to a path not foreseen in his childhood dreams, Jon became a teaching professional, teaching the game that he loves. The game of golf has allowed Jon to play and teach the game while moving in career and social circles unimaginable by a boy who grew up in the mountains of Western North Carolina. This book contains amazing stories and life-changing occurrences in a journey among some of golf's greatest players, world-class athletes, and Hall of Fame coaches. These include PGA Tour players Tiger Woods, Arnold Palmer, Payne Stewart, Seve Ballesteros, Paul Azinger, Phil Rodgers, Bob Sowards, Helen Alfredsson, Top 100 Teacher Fred Griffin, College Basketball Coaches Roy Williams, Bobby Cremins, Jim Valvano, NFL Players Brad Johnson, Gale Sayers, NBA Player Brad Daugherty, Television and movie star Bill Murray, Chief Communications Officer LPGA, Former host of Golf Channel Kraig Kann. The pages of this book represent more than the story of Jon's journey and experiences teaching the game. This book was inspired by a supernatural dream that occurred in his life as a teenage boy where he heard the audible voice of God spoke with his Lord and Savior Jesus Christ and felt the power and fury of the Holy Spirit. His wonderful stories around the game and the unique personal stories of these great players and athletes, along with scripture, are all woven into a book that will not only grow the game of golf but more importantly glorify God and His son Jesus Christ. *Winning the Mind Game*

Dr. Jay-Lee Nair, 2022-07-12 Are you a parent who wants to be a part of their child's sport journey, no matter how far they go? Do you sometimes feel just as frustrated as your young athlete with the debrief during the journey home after the game? Perhaps you struggle to find the right words to say or sometimes not to say to your child, so have resorted to saying nothing at all. Dr. Jay-Lee Nair has the answers. This book will help you learn how best to support and talk to your child, not just before but during and after the game. Recent events surrounding sport icons such as Adam Goodes, Naomi Osaka, and Simone Biles have shown us that athletes are taking greater ownership of their performance and calling the shots in the most difficult of circumstances. This is possible when an athlete has a collaborative support team. The same applies for young athletes at all stages of their career and at all levels of their sport. They benefit from having a support team of their parents, coaches, and teachers who understand the importance of helping them to be independent and adaptable. This generation can be highly resistant to advice and direction from their supporters. Young athletes want to be empowered to think for themselves during the game and adapt quickly on their own. This book is for parents, coaches, and teachers who want to help their young athletes thrive in competitive environments, whether they are just
