Good Or God Why Good Without God Isn't Enough:

Good Or God? John Bevere, 2015-08-11 These days the terms good and God seem synonymous We believe what's generally accepted as good must be in line with God's will Generosity humility justice good Selfishness arrogance cruelty evil The distinction seems pretty straightforward But is that all there is to it If good is so obvious why does the Bible say that we need discernment to recognize it Good or God isn't another self-help message This book will do more than ask you to change your behavior It will empower you to engage with God on a level that will change every aspect of your life **Is Goodness**

Without God Good Enough? Robert K. Garcia, Nathan L. King, 2009 Morality and religion intimately wed violently opposed or something else Discussion of this issue appears in pop culture the academy and the media often generating radically opposed views At one end of the spectrum are those who think that unless God exists ethics is unfounded and the moral life is unmotivated At the other end are those who think that religious belief is unnecessary for and even a threat to ethical knowledge and the moral life This volume provides an accessible charitable discussion that represents a range of views along this spectrum The book begins with a lively debate between Paul Kurtz and William Lane Craig on the question Is goodness without God good enough Kurtz defends the affirmative position and Craig the negative Following the debate are new essays by prominent scholars These essays comment on the debate and advance the broader discussion of religion and morality The book closes with final responses from Kurtz and Craig **Around the Table** Jonathan P. Case, 2019-06-21 In these days of

uncivil public discourse complete with trolling hater comments CAPSLOCKING and generally acting like jerks towards each other talking graciously about anything is becoming a lost art Throw religion into the mix Well my Bible says and you've got one huge toxic mess Is it possible for Christians to become more thoughtful and gracious conversation partners as we talk through our theological disagreements How can we keep from throwing around the term heretic every time someone disagrees with us And remember it's a big world out there If arguing with other Christians isn't difficult enough how do we think about engaging members of other religions What's the point of talking with them They don't know God anyway right Then there are all those agnostics and atheists accusing believers of ignorance and calling for the end of religion Why should we even want to talk with these people Aren't they our enemies What can we possibly learn from them In this book Jonathan Case explores from a Christian theological perspective what's at stake in these conversations and suggests how to keep people talking through their disagreements about that most volatile subject God **How to Be an Atheist (Foreword by J.**

P. Moreland) Mitch Stokes, 2016-02-12 Atheists love to challenge the beliefs of Christians emphasizing the importance of skepticism for all truly free thinking people However more often than not atheists actually aren't skeptical enough In this book philosopher Mitch Stokes demonstrates that atheists' confidence in the supposed God-killing facts of science math and their own reason all too often lulls them into a mind-set that leaves their own worldview largely unquestioned Making the case for a more complete skepticism that questions the assumptions of Christians and non-Christians this book winsomely

cannot say enough about Josh Foliart's breathtaking book *Rooted*. You will realize quickly that this isn't another page filler but a book that has the potential to change you to the core. If you're longing for something beyond the surface, *Rooted* is exactly what you're looking for. Don't pass up the opportunity for your life to become what God intended. *Rooted* isn't a future read; it's a now read. Josh Mayo, Pastor, Author *The Dare: 30 days to Change Everything*, JoshMayo.com. In a personal and profound way, Josh Foliart opens his heart and convinces you to live life rooted. His book is a masterful instruction on how to boldly live a heavenly life based on the destiny only Christ can offer. Albert Campos, Vice President in the Consumer Packaged Goods Industry, *Rooted* scratches an itch most of us have. We live in a world that is superficial, marked by speed, comfort, and convenience. Few of us feel we have the time or energy to go deep; we'd rather go wide. In this book, Josh Foliart not only challenges us to be rooted; he tells us how. I recommend it highly. Dr. Tim Elmore, Author of *Artificial Maturity*, President of Growing Leaders. Josh Foliart is the founder and president of Multipli, a church planting initiative focused on training, equipping, and releasing generations of authentic leadership. Over the past decade, Josh has spoken to thousands of emerging leaders in over 10 nations. He graduated from the University of Arkansas and also attended the Focus on the Family Institute in Colorado Springs. Josh and his wife have two children and call Fayetteville, Arkansas, home.

The 8th Mountain Bruce Cook, 2017-08-15. Those who spend time with God and His Word and His Spirit and who dwell in His presence and commune with Him and develop a personal relationship with Him become transformed in the process and thus are better informed, equipped, and empowered to attract, steward, and exercise influence in the 7 Mountains of Culture, Arts, Entertainment, Business, Economy, Education, Family, Government, Law, Media, and Religion. That is the basic premise and thesis of this book. Moreover, I assert that such transformation is not only possible for disciples of Christ but rather it is imperative and essential to successfully fulfill our divine assignments, callings, and destinies. Several places in Scripture, such as Micah 4:1 and Isaiah 2:2, mention the mountain of the Lord or the mountain of the house of the Lord that is above all the other mountains and is the chief mountain, depending on the particular translation used. This phrase refers to the place of God's abode or heaven, and for our purposes here, I refer to it as the 8th Mountain. Mountains in Scripture refer to kingdoms, authority, rule, and dominion. The 8th Mountain is calling your name. You've read about what awaits you and what lies ahead on this trek to the spiritual summit. You can think of this book as your mountaineering school curriculum and training manual for the 8th Mountain to educate, train, and prepare you for climbing and reaching the summit of the highest peak in the universe. It teaches you survival skills, how to thrive and be successful, how to work as a team, how to ascend and descend, how to avoid or minimize danger, what gear and supplies to take, how to monitor changing weather conditions, and how to save your life and protect yourself and those around you in the harsh climate, adverse conditions, and unforgiving environment of the 7 Mountains of Culture. Just as Mount Everest is the highest point on earth, the 8th Mountain, the Mountain of the Lord, is the highest point in the universe and is heaven itself. The old saying, "It's lonely at the top," doesn't apply here. There's no reason to be lonely on the 8th Mountain.
