An East Asian Challenge to Western Neoliberalism Niv Horesh, Kean Fan Lim, 2017-08-03 Analysts generally agree that in the long term the biggest challenge to American hegemony is not military but rather China s economic rise This perception is spread in no small measure because Xi Jinping has in the face of patent military inferiority conducted himself much more boldly on the world stage than Hu Jintao Meanwhile China has also begun conjuring up an alternative vision for global leadership now widely termed as the China model This book therefore offers a critical and comprehensive explanation of the China model and its origins Using a range of case studies covering varying historical and geographical approaches it debates whether the Chinese experience in the last three decades of economic reform should be interpreted as an answer to the reigning hegemony of neoliberalism or rather a further reinforcement of it To answer these questions it provides an investigation into what China may have learned from its East Asian neighbours earlier economic successes It also examines how it is responding to and might even reconfigure the world political economic system as it develops fresh and potentially more powerful regulatory capacities Providing a multi dimensional analysis of the China model the book will be of interest to students and scholars of Chinese Economics Economic Geography and Chinese Studies

Politics in China William A. Joseph, 2019-04-25 Politics in China is an authoritative introduction to how the world s most populous nation and rapidly rising global power is governed today Written by leading China scholars the book s chapters offers accessible overviews of major periods in China s modern political history from the mid nineteenth century to the present key topics in contemporary

Chinese politics and developments in four important areas located on China's geographic periphery: Tibet, Xinjiang, Hong Kong, and Taiwan. INDIAN GOVERNMENT AND POLITICS, Third Edition Ghosh, Peu, 2020-11-01. After years of subjugation by the British colonial rulers, India attained a status of Independent State on 15 August 1947, a day to be reckoned with pride by all Indians. Struggling for her Independence, facing the trauma of partition and finally establishing a sovereign democratic status for itself, the journey has undoubtedly been a roller coaster ride for India. This book comprehensively outlines the evolution of Indian Politics, discussing all the constraints, challenges, and shortcomings faced by Indian Polity till date. The book shows how State-Society interface, with special emphasis on civil society activities, can play an integral role in shaping the political fate of the country. In addition, this book not only presents the institutional aspects of Indian politics but also brings out the real working of the institutional framework in an ever-changing social and political environment. Organized into 23 chapters, the book discusses in detail the Constitutional development: The Preamble, The Fundamental Rights, The Directive Principles of State Policy, The Executive, The Legislature, and The Judiciary at national and state levels, followed by their critical appraisals, as well as the Centre-State relation with its continuing tensions. To give a clear and panoramic view of the Indian Political Scenario, the book also focuses on local self-governments, national and regional parties in India, challenges to the Indian political system, and new social movements. THIRD EDITION HALLMARK Thorough updation with contemporary events in the Indian political scenario. Coverage of General elections to constitute the 17th Lok Sabha. Political Developments of recent times. Intended as a textbook for the undergraduate and postgraduate students of Political Science and Law, this book is also useful for the aspirants for Civil Service and competitive examinations like NET and SLET. KEY FEATURES Gives a wide coverage of conventional topics pertaining to the Constitution of India, relating them to the working of the Indian polity in the real world. Tackles issues related to new social movements in India, encompassing environmental movements, women's movements, human rights movements, and anti-corruption movement. Highlights the continuing challenges to the Indian Political System from different social and cultural factors like religion, language, caste, tribe, regionalism, and also corruption and criminalization of politics. Deals with current developments in administrative policies. Russian Government and Politics Eric Shiraev, 2020-10-06. Few countries have been transformed as rapidly and dramatically as Russia since the end of the Communist regime. Yet the more that certain things change in Russia, the more others remain the same. The result is a political and social system of which almost every aspect is a work in progress, marked by sudden accelerations, slowdowns, turnarounds, and conundrums. This lively and innovative third edition provides a clear and comprehensive picture of Russian politics, which does full justice to its changes, challenges, and paradoxes. A distinctive feature throughout is its emphasis on outlining basic facts and developments and setting these in historical contexts before moving on to critical analysis. This is the ideal text for upper-level undergraduate and postgraduate students studying Russian politics or comparative government and politics more

broadly New to this Edition Fully updated to cover the latest developments including 2018 s presidential election Two chapters offering expanded coverage of foreign policy which better balances coverage of domestic and international affairs New content on elections presidential power constitutional amendments events in Ukraine political opposition economic and business policies domestic and global challenges facing Russia and Russia s vision of the world Accompanied by a revamped set of online resources such as multiple choice questions and PowerPoint slides Government and Politics of the United States Nigel Bowles,Robert K McMahon,2014-03-31 This extensively revised new edition offers a broad ranging systematic and sophisticated introduction contemplating the institutions and processes of government in the US set in a clear historical context Government and Politics of France Anne Stevens,2017-03-14 Updated throughout to cover the period of Chirac Jospin cohabitation and the implications of Chirac s success in the dramatic 2002 presidential and parliamentary elections the third edition of this popular and widely used text provides a clear and comprehensive account of the contemporary French political system **Non-Democratic Regimes** Paul Brooker,2013-12-04 A comprehensive assessment of the nature and evolving character of authoritarian regimes their changing character and the main theoretical explanations of their incidence character and performance The third edition covers the rise of new forms of disguised dictatorship and semi competitive democracy in the 21st Century Casino Capitalism, Society and Politics in China's Macau Sonny Shiu-Hing Lo,2020-07-20 This book explores the characteristics of casino capitalism in Macau under Chinese sovereignty and administration It argues that casino capitalism propelled the region s economic prosperity and social stability in the period starting from the internationalization of the casino industry in 2002 to the end of 2019 However casino capitalism also exacerbated the income gap between the rich and the poor To tackle income inequality the Macau developmental state combined casino capitalism with social welfarism The region s developmental state has been characterized by its relatively decisive leadership its autonomy from the capitalist and working classes and a comparatively weak civil society China has encouraged Macau to shift from its overdependence on casino capitalism to economic diversification and integration with the Greater Bay Area However given Macau s long standing and profound dependence on casino capitalism the path of economic diversification is destined to be long and difficult As this book also argues the Macau model of one country two systems is a unique one which cannot be easily transplanted to Hong Kong where the overdeveloped politics and assertive civil society are a far cry from Macau s frozen politics and quiescent society *5 Steps to a 5: AP Comparative Government and Politics, Third Edition* Suzanne Bailey,2022-08-01 AP Teachers 1 Choice Ready to succeed in your AP course and ace your exam Our 5 Steps to a 5 guides explain the tough stuff offer tons of practice and explanations and help you make the most efficient use of your study time 5 Steps to a 5 AP Comparative Government is more than a review guide it s a system that has helped thousands of students walk into test day feeling prepared and confident Everything you Need for a 5 3 full length practice tests that align with the latest College Board requirements Hundreds of practice exercises with answer explanations

The Government and Politics of the European Union Neill Nugent,2006 A clear and comprehensive explanation of the historical development and ongoing evolution of the European Union EU revised and updated in this sixth edition

Politics in China William A. Joseph,2019 On October 1 2019 the People s Republic of China PRC will celebrate the 70th anniversary of its founding And what an eventful and tumultuous seven decades it has been During that time under the leadership of the Chinese Communist Party CCP China has been transformed from one of world s poorest countries into one of its fastest growing economies and from a weak state barely able to govern or protect its own territory to a rising power that is challenging the United States for global influence But in the late 1950s the PRC experienced the most deadly famine in human history caused largely by the actions and inactions of its leaders Not long after there was a collapse of government authority that pushed the country to the brink of and in some places actually into civil war and anarchy And in 1989 the CCP unleashed the army to brutally crush demonstrations by students and others calling for political reform China is now for the most part peaceful prospering and proud The CCP maintains a firm grip on power through a combination of harsh repression and popular support largely based on its recent record of promoting rapid economic growth Yet the party and country face serious challenges on many fronts including a slowing economy environmental desecration pervasive corruption extreme inequalities ethnic unrest and a rising tide of social protest

Politics in China provides an accessible yet authoritative introduction to how the world s most populous nation and rapidly rising global power is governed today The third edition has been extensively revised thoroughly updated and includes a new chapter on the internet and politics in China The book s chapters provide overviews of major periods in China s modern political history from the mid nineteenth century to the present examinations of key topics in contemporary Chinese politics and analyses of developments in four important areas located on China s geographic periphery Tibet Xinjiang Hong Kong and Taiwan
