Big Question Introduction:

How intelligent? How good? How dangerous? How are criminal behaviors and intelligence interconnected? While psychologists debate the nature of intelligence, they are finding that higher IQ is associated with lower rates of criminal behavior. However, lower IQ is associated with higher rates of criminal behavior. This is a complex relationship that is still being explored. The relationship between intelligence and criminal behavior is a complex one. While higher IQ is generally associated with lower rates of criminal behavior, lower IQ is associated with higher rates of criminal behavior. This is a complex relationship that is still being explored.
