Hiscox Guide For Deacons:

Deacon Training Kate Ward-Turner, 2008-05 Indifference toward deacon development places the church in a precarious state. By and large, congregations stand to be weakened by deacons who have not discovered the exciting possibilities of the office. When pastor and congregation disregard the need to have trained deacons, the office is allowed to recede into one of mere honor rather than service established in Christ. On the other hand, trained deacons or those in training discover exciting opportunities with which the office of deacons is filled. They come to perceive the office as one of service rather than honor. The church is strengthened exceedingly by their effective and efficient leadership under the sight of the pastor.

Unquestionable, God is looking for a special breed of deacons: a New Testament breed who are Spirit-filled and qualified. To say that deacons are qualified is to say also that they are trained for the work of deacons. **The Hiscox Guide for Baptist Churches** Edward Thurston Hiscox, 1964

Equipping Laity For Servant Leadership Iii Taylor, 2009-12 As a senior pastor and former deacon, Dr. James H. Taylor III has many years of experience with the grain of tradition, paradigm of rural ministry. His passion to make a contribution to the betterment of rural ministry through the equipping of laity for servant leadership and excellence in ministry lies within this vital resource. This book, which is part research project and part servant leadership resource, equipping guide provides the theological foundation, state of the art in servant leadership, and step-by-step training modules for equipping the laity for the role of servant leader. This book explores basic leadership principles and contrasts leadership and servant leadership and its intricate and important role in excellence in ministry. The ten-module training guide systematically unfolds laity's spiritual undergirding in preparation for embracing the ranks of servant leadership, specifically the diaconate. This resource will benefit any church who desires to better equip its laity for servant leadership and strive for excellence in ministry. Dr. James H. Taylor III is the senior pastor of the Race Street Baptist Church in historic Farmville, VA. He is a graduate of the Samuel DeWitt Proctor School of Theology in Richmond, Virginia, and the United Theological Seminary in Dayton, Ohio. Blessed with a Burden Anthony Chandler, 2012-06-26 This book will provide

encouragement, insight, wisdom, and instruction to anyone who has been called to lead, serve, and/or deal with the inherent challenges of both life and ministry. Dr. Chandler is so transparent in his personal encounters as well as his professional experiences, which have honed his interpersonal skills and has authenticated his call to lead as a Senior Pastor. *The Baptist Church Directory. The Seven Lonnie Davis Wesley, III, 2020-11-11 Do you know what it means to be a deacon? Is this office in the church still relevant today? Dr. Lonnie Davis Wesley believes that deacons have an important role to play, but that church traditions and failures in leadership and education have often made deacons ineffective or given them tasks to which they are not called and

for which they are not equipped He goes back to the first deacons chosen and set apart in Acts 6 for a model for the ministry of deacons in the modern church In doing so he finds that we need to re learn and re apply the lessons of scripture and history so that the church can be fully effective in ministry The Seven Taking a Closer Look at What It Means to Be a Deacon is a comprehensive guide to reforming and recharging your church s deacon ministry It includes guides to help you develop an education program to prepare deacons for ministry and to aid your congregation in supporting that ministry This book may be read by individuals but it will find its greatest use as a tool for building a strong deacon ministry in any congregation
