History Of Albania Albanian Studies Volume 1:

The Discovery of Albania Johann George von Hahn, 2015-05-12 Johann Georg von Hahn a nineteenth century Austrian diplomat and explorer is generally considered to be the founder of Albanian Studies as a scholarly discipline It was he who first studied the Balkan country and its people and who brought them to the attention of the academic world Despite this acclaim his work has not been widely available in English until now In this volume Robert Elsie has translated Hahn s most important works relating to his travels and studies in Albania during the mid nineteenth century Hahn s interests were broad but he was especially interested in the tribes of Albania and Kosovo and made several ethnographic studies of the cultures and traditions of the tribes he encountered on his travels including the Kelmendi Hoti and Kastrati tribes This volume will be invaluable readers for scholars of Balkan history and anthropology

The Siege of Shkodra Marin Barleti, 2012 The Siege of Shkodra is a book written by a Shkodran priest Marin Barleti also known as Marinus Barletius about the Ottoman siege of Shkodra in 1478 led personally by Mehmed II and about the joint resistance of the Albanians and the Venetians The book also discusses the Ottoman siege of Shkodra in 1474 The book was originally published in 1504 in Latin as De obsidione Scodrensi Barleti was an eyewitness of the events The English version was published in Albania by Onufri Publishing House in 2012 coinciding with the 100th anniversary of Albania s declaration of independence The work was translated by David Hosaflook and includes translations of Buda s introduction and notes Merula s The War of Shkodra and Becikemi s panegyric It also includes accounts of the siege of Shkodra from early Ottoman historians new scholarly notes the historical context by Prof David Abulafia new maps based on the information in the book and appendixes including Barleti s chronology of battle events Wikipedia

Albanian Traditional Music Spiro J. Shetuni, 2014-01-10 For most musicians and musicologists in the West traditional Albanian music remains an obscure subject even though Albania has produced a monumental cultural and corresponding musical heritage This book examines the distinct musical culture of southeastern Europe both monophonic and polyphonic by delineating its four main musical dialects Gheg Tosk Lab and Urban The origins fundamental features musical styles and genres of the four dialects are discussed Additional topics covered include an historical and demographic analysis of Albania the history of Albanian ethnomusicology and the various classifications in Albanian music Relying heavily on field research and recordings this text introduces traditional Albanian music to both ethnomusicologists and curious readers

East Central Europe in Exile Volume 1 Anna Mazurkiewicz, 2014-10-16 The East Central Europe in Exile series consists of two volumes which contain chapters written by both esteemed and renowned scholars as well as young aspiring researchers whose work brings a fresh innovative approach to the study of migration Altogether there are thirty eight chapters in both volumes focusing on the East Central European migr experience in the nineteenth and twentieth centuries The first volume Transatlantic Migrations focuses on the reasons for emigration from the lands of East Central Europe from the Baltic to the Adriatic the intercontinental journey as well as on the initial adaptation and assimilation

processes The second volume is slightly different in scope for it focuses on the aspect of negotiating new identities acquired in the adopted homeland The authors contributing to Transatlantic Identities focus on the preservation of the East Central European identity maintenance of contacts with the old country and activities pursued on behalf of and for the sake of the abandoned homeland Combined both volumes describe the transnational processes affecting East Central European migrants

Ethnic Interest Groups and U.S. Foreign Policy Fron Nahzi, 2025-10-29 In 1999 Albanian American community leaders sat with President Bill Clinton in the White House discussing NATO's intervention in Yugoslavia a moment that played a pivotal role in Kosovo's path to independence How did a small ethnic community of roughly 250 000 people gain such remarkable political influence in the United States Ethnic Interest Groups and U S Foreign Policy The Albanian American Movements offers a front row seat to the evolution of Albanian American political activism uncovering the strategies movements and relationships that helped shape U S foreign policy Drawing from exclusive interviews firsthand observations and declassified documents it traces the three defining political movements of Albanian Americans from an early 20th century struggle for Albanian statehood to the grassroots movement's political access and influence at the highest levels today With deep analysis and untold stories Ethnic Interest Groups and U S Foreign Policy The Albanian American Movements reveals how a determined diaspora transformed its influence from the fringes of U S politics to the heart of American foreign policy The book is essential reading for scholars and students studying the impact of interest groups on American foreign policy Balkan history and contemporary issues diaspora movements and immigration and ethnic identity development generally

Albania is not well known by outsiders it was deliberately closed to the outside world during the communist era Now it has thankfully become free again its borders are open and it can be visited and it is increasingly integrating with the rest of Europe and beyond Unfortunately Albania has had its share of problems in the post communist era it s a land of destitution and despair thanks in part to the Albanian mafia which has turned the country into one of blood feuds kalashnikovs and eternal crises Yet Albania is in essence a European nation like any other and will soon it is to be hoped advance and take its proper place in Europe and the world The second edition of the Historical Dictionary of Albania relates the history of this little known country through a detailed chronology an introduction a bibliography appendixes and over 700 cross referenced dictionary entries on significant persons places and events institutions and organizations and political economic social cultural and religious facets **Britain, the Albanian National Question and the Fall of the Ottoman Empire, 1876-1914** Daut Dauti,2023-09-21

All too often Albania has been considered a relatively minor player in late 19th and early 20th century history By contrast this book highlights the significance of this nation and the Albanian question at this time through a detailed analysis of the relationship between Albania Britain and the Ottoman Empire from 1876 to 1914 Making use of a wide range of archival source materials some of which are published here in English for the first time this book explores British foreign policy towards the development of the Albanian national movement and parallel demise of the Ottoman Empire In doing so it illuminates the objectives of the British government as well as shining a spotlight on the public opinion of both the British people towards Albanian nationalism and on the reaction of the Albanians towards the British diplomatic position By looking through such a unique lens here Daut Dauti is able to provide fresh insight into why the Albanians were not supported by the Great Powers in their national quest in the way that other Balkan countries were and draws significant new conclusions on British Balkan and Ottoman relations As such this nuanced study is vital reading for all scholars interested in modern Albanian history turn of the century British international relations and the fall of the Ottoman Empire more broadly Albania Andreas Hemming,Gentiana Kera,Enriketa Pandelejmoni,2012 This collection of papers on contemporary issues in Albanian history and anthropology covers a broad range of approaches and forms of analysis The book includes research on parts of the country that have rarely made an appearance in international scholarship including recent research on various aspects of urban life in Albania with several chapters being set in Shkodra Tirana Elbasan and Gjirokastra Issues of local self organization or identity processes are presented as well A third core aspect that is addressed is the continued analysis of new and revealing demographic sources that shed light on the structure and history of the Albanian family Series Studies on South East Europe Vol 9 **The Crescent and the Eagle** George W.

Gawrych,2006-10-25 The Crescent and the Eagle examines the awakening of Albanian national identity from the end of the

19th century to the outbreak of the First World War a period of intense nationalism in the Balkans from an Ottoman perspective Drawing on Ottoman and European archival material the book undermines the customary negative stereotypes of Ottoman rule offering a more nuanced interpretation Gawrych provides a critical but objective examination of the evolution of government policies toward Albanians from attempts to mould them into an iron barrier to the establishment of a uniform system of administration He argues that this was a result of a complicated set of conflicting allegiances and identities rather than a simply adversarial struggle between government imposition of policy and Albanian resistance The author also analyses the general problems of endemic violence and misadministration at the provincial level and examines Albanian efforts to gain nationality rights and maintain local privileges and tribal autonomy Weaving his analysis of these events into a chronological framework he concludes that Albanian independence resulted from a confluence of foreign and domestic developments rather than from the design and will of the Albanians themselves This stimulating study offers many fresh insights into the dynamics of power within the Ottoman Empire and contributes a new perspective to the study of the development of Albanian nationalism
