Cupid Stunts: The Life & Radio Times Of Kenny Everett David Stafford, Caroline Stafford, 2013-05-29 On paper Kenny Everett's qualifications did not look promising with little in the way of education physique or social skills What he had was a gift for funny voices an oblique imagination and a way with a tape recorder Yet the British radio revolution in the 60s and 70s needed these exact qualities Ever a corporate player Kenny was frequently fired but still went on to reinvent television Meanwhile outside the studios the challenge to get a life brought moments of ecstasy frequent bother and at least one suicide attempt And at the exact moment when tabloid frenzy about the AIDS epidemic reached its peak he came out This new biography based on intricate documentary research as well as interviews with colleagues friends and enemies including Alexei Sayle Barry Cryer David Mallet and Whispering Bob Harris not only gets under the skin of the man but also gives a taste of the times Cupid Stunts covers the novelty and excitement of hearing all pop radio for the first time the terror and bluster of the high ups the brilliant blossoming of gay culture throughout the 70s and 80s and the tragedy and vile hypocrisy that surrounded the AIDS epidemic *The Power of Positive Drinking* Cleo Rocos, 2013-04-11 The Power of Positive Drinking isn't a guide on how to get drunk It is a guide to how to drink well Drinking has a bad reputation in some quarters But that's largely because we don't drink properly as we have not yet been initiated in the art of drinking well Most of us know plenty about healthy eating but next to nothing about healthy drinking This is Cleo Rocos master class on how to imbibe successfully on how to reach that delicious level of intoxication where you and your fellow drinkers blossom into the favourite version of yourselves and stay there From Rocos we learn how to ensure that every drinking occasion snowballs into a glorious and triumphant event Inside these pages lie the secrets of alcohol The finest hints and tips on stylish drinking gleaned from seasoned and successful drinkers around the globe failsafe recipes for some of the world's greatest snifters martini recipes margarita recipes mojitos and cosmopolitans along with a few of Cleo's own specialities guaranteed to avoid that awful hangover Enjoy this book responsibly **Encyclopedia of Radio 3-Volume Set** Christopher H. USA who had the good fortune to grow up in a small town in the 1950s and 1960s I didn't have an extraordinary childhood but rather I had an extraordinarily ordinary childhood There were tears and laughter good times and bad times friends and enemies but most of all there was a freedom that seems to have vanished from this land we live in We were free to be kids in a way that generations to come will look back on with envy and this book will take you back to those days when the living was easy but sometimes the wrath of Dad wasn't It will take you back to that first fight that first kiss and all the glorious often inglorious times that came after all the firsts of your childhood I dare say there will be times as you read these sometimes slightly embellished accounts of my youth when you will say Hey That's me He's writing about me And you know what You might be right Right that is if back in the day you were just a boy **As Cool As I Am** Pete Fromm, 2007-04-01
