Homelessness Comes to School Joseph Murphy, Kerri Tobin, 2011-03-23 The seminal work on homeless students and our responsibility to educate them *Homelessness Comes to School* provides substantial and far reaching research that describes the plight of homeless children the legal framework surrounding the issue and ways to work together toward a solution The text also outlines effective intervention programs and includes specific guidelines for teaching homeless students Topics covered include A history of homelessness including its demographic patterns causes and impact on society The various programs schools have implemented to address the problem How schools parents and external community agencies can work together to educate

homeless students **American Educational History Journal** Paul J. Ramsey, 2014-08-01 The American Educational History Journal is a peer reviewed national research journal devoted to the examination of educational topics using perspectives from a variety of disciplines The editors of AEHJ encourage communication between scholars from numerous disciplines nationalities institutions and backgrounds Authors come from a variety of disciplines including political science curriculum history philosophy teacher education and educational leadership Acceptance for publication in AEHJ requires that each author present a well articulated argument that deals substantively with questions of educational history **Book Review Index - 2009 Cumulation** Dana Ferguson, 2009-08 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year **Choice** , 2008 Street Children and Homeless Youth Lewis Aptekar, Daniel Stoecklin, 2013-11-18 This book deals with street children who live in the developing world and homeless youth who are from the developed world They are referred to as children in street situations CSS to show that the problem is both in the children and in the situation they face The book examines several aspects of the children and their street situations including the families of origin and the homes they leave the children s social life and mental health Other aspects are the problems of published demographics the construction of public opinion about these children and the often violent reactions from authorities The book then discusses current research on children in street situations as well as programs and policies The book ends with recommendations about programs policies and research *Not Just a Shelter Kid* Melanie S. Percy, 2014-02-25 First published in 1997 This book is about children and their perspectives These children were homeless at the time of these interviews However their questions thoughts and feelings are not unique to homeless children The many issues of childhood remain the same regardless of where the child lives The ideas expressed in these pages are some of the universal themes of growing up and becoming an adult Their search for identity the desire to care for someone and have them care for you trust stability in an ever changing world All of these themes were present in the children s interviews and photographs **Changing Places** Margie Chalofsky, 1992-08-01 Captures the voices of eight homeless children ages 6 to 13 a wonderful little book gentle and moving and I hope it will be read by children Jonathan Kozol author of *Savage Inequalities* in *America s Schools* draws a touching picture of children s incredible strength and clarity under very difficult circumstances Marian Wright Edelman President Children s Defense Fund *Children on the Streets of the Americas* Roslyn Arlin Mickelson, 2002-06-01 The number of street children in developed and developing nations is rising often in the midst of prosperity These original contributions study and compare the living conditions and educational experiences of homeless

children in the United States Brazil and Cuba Because social policy and economic factors are central to these children s plight Mickelson and her contributors employ a political economy perspective to examine the lives of the children and the educational and social programs successful and unsuccessful that are designed to serve them The book examines formal and informal programs compares and contrasts children s situations in each country and offers policy recommendations Throughout the book case studies are combined with recent statistical and demographic facts about each country Also includes maps Contributors Fernanda Gon alves Almeida Jean Anyon Lynn G Beck Inaia Maria Moreira de Carvalho Anthony Dewees Marian Wright Edelman Ligia Gomes Elliot Irving Epstein Mar a Luisa Gonz lez Linda Holman Ana Huerta Mac as Martha Knisely Huggins Steven J Klees Lori Korinek Sheryl L Lutjens Myriam P Mesquita Virginia Laycock McLaughlin Roslyn Arlin Mickelson Nelly de Mendo a Moulin Rebecca L Newman Ralph da Costa Nu ez Vilma Periera Marc Posner Amelia Maria Noronha Pessoa de Queiroz Yvonne Rafferty Irene Rizzini F lvia Rosemberg Murilo Tadeu Moreira Silva James H Stronge Chriss Walther Thomas

Educating Homeless Children Rebecca Newman,2019-01-22 Newman s ethnographic study considers the ways in which the family and school environments of eleven homeless school children affected their school performance Homelessness is revealed to be multi faceted serving simultaneously as a cause result and potentiator of their families problems A variety of initiatives in the realms of policy research and practice are suggested for addressing the problems of these youngsters as well as the problems of the many other extremely poor school children First published in 2000 Routledge is an imprint of Taylor Francis an informa company

Homeless Children Jerome Beker,Nancy A Boxill,2014-07-16 At last here is a compassionate humane and informative volume on the most unique and vulnerable group in our society today homeless children Homeless Children The Watchers and the Waiters is unique because it offers an interdisciplinary approach to understanding the children and the enormously complicated causes of and solutions to their tragedy The contributing authors discuss homeless children and the resolution of the problem as well as the resulting policy and practice implications From this single source of current research policy and practice information you will better understand the circumstances of homelessness You will also discover the impact of homelessness on children the psychological effects on children s development and behavior the weakening of mother child relationships and the declining status of their physical health Experts also describe the difficulties created by underfunded poorly managed and politically unpopular programs for homeless children underscoring the need for a national policy to address the problem Homeless Children The Watchers and the Waiters is a thought provoking and insightful book that must be read by professionals who work in human service agencies sociologists psychologists health care workers child care workers teachers and clergy Policymakers government officials and child advocates must also read this masterful volume

Changing Places Margie Chalofsky,Glen Finland,Judy Wallace,1992 Draws a touching picture of children s incredible strength and clarity under very difficult circumstances
