King of the Jews D. Thomas Lancaster, 2006 *Resurrecting Jesus* Yung Suk Kim, 2015-08-04 Jesus cannot be domesticated In *Resurrecting Jesus* Kim asks the fundamental two prong question What then can we learn from Jesus and how can we build on the significance of his life and work as we do theology for our day in the here and now Kim abandons the traditional divide between criticism and theology and argues that a solid New Testament theology can be reconstructed from a critical study of the historical Jesus Jesus is put back into the context of first century Judaism in Palestine *Resurrecting Jesus* reexamines Jesus life work death and resurrection giving readers a better clearer understanding about the historical Jesus and the New Testament writings that refer to him an exploration into the significance of Jesus life teaching and death based not on doctrine but on his work of God in first century Judaism and Palestine and a redefinition of New Testament theology that is a process of discerning and engaging the historical Jesus and the New Testament writings

The Birth of Jesus the Messiah Edward C. Visser, 2017-02-24 People love to hear the familiar Christmas stories during the season of Advent No matter how creative one might be with different approaches to Christmas preaching for most it just doesn't seem the same without angels and shepherds and magi without Mary and Joseph and even wicked king Herod and certainly without the child born in the manger This leaves the preacher with four chapters of the scriptures Matthew 12 and Luke 12 as the primary resources for the season Preaching from these chapters for three years much less thirty years is a challenge We are either left with preaching the same sermons sometimes under different titles or we need to think about Christmas preaching more creatively *The Birth of Jesus the Messiah* combines thematic commentary on the birth stories of Matthew and Luke with preaching and teaching ideas Biblical themes flowing through each birth narrative set forth by the Gospel writers themselves inspire fresh sermon series ideas for the Advent season Over thirty sermon series ideas include In the Shadow of Herod Advent at Risk Women in Jesus Genealogy Covenants for Christmas Lukes Symphony Angels in Advent Dont Be Afraid Engage with *The Birth of Jesus the Messiah* as a fresh starting point and annual resource for planning your Advent and Christmas preaching **Resurrecting the Jew** Geneviève Zubrzycki, 2022-09-27 An in depth look at why non Jewish Poles are trying to bring Jewish culture back to life in Poland today Since the early 2000s Poland has experienced a remarkable Jewish revival largely driven by non Jewish Poles with a passionate new interest in all things Jewish Klezmer music Jewish style restaurants kosher vodka and festivals of Jewish culture have become popular while new museums memorials Jewish studies programs and Holocaust research centers reflect soul searching about Polish Jewish relations before during and after the Holocaust In *Resurrecting the Jew* Geneviève Zubrzycki examines this revival and asks what it means to try to bring Jewish culture back to life in a country where 3 million Jews were murdered and where only about 10 000 Jews now live Drawing on a decade of participant observation in Jewish and Jewish related organizations in Poland a Birthright trip to Israel with young Polish Jews and more than a hundred interviews with Jewish and non Jewish Poles

Resurrecting Interpretation Simon Perry, 2012-04-25 Hermeneutics is the work of Hermes the Greek demigod a messenger from the gods and from the dead Simon Perry sets out to explore the contemporary face of Hermes through a reading of Jesus parable of the rich man and Lazarus Luke 16 19 31 This parable has one distinguishing feature that marks it out from other ancient stories following the same basic storyline that a visitor from the dead is not granted leave to return with a message to the land of the living In order for Scripture to be heard Hermes is not necessary Where does this leave the role of hermeneutics Perry looks to philosophers ethicists and theologians for an answer

Kennard, 2022-09-23 Using a similar method to Kennard's biblical theology of Jesus Hebrews and Isaiah Kennard's Petrine Theology makes contributions to Peter's theology including Peter's Jewish heritage bridging from Jesus to Paul expressing compatible sovereignty and free will high Christology missional Trinity Hebraic anthropology Jewish atonement redemption and new exodus gospel as allegiance to Christ contextual sociological ecclesiology suffering and spiritual warfare in a narrow virtuous way to kingdom and nuanced consistent eschatology The companion volume Petrine Studies fills out background issues narrative biographical theology and practical life concerns from Mark Following a combination of Mark Peter's sermons in Acts and Petrine epistles Gene Green claims that Petrine theology makes unique contributions to Christian theology Pheme Perkins concurs Peter is the universal foundation for all the churches There is no figure who compasses more of that diversity than Peter F J Foakes Jackson concluded the very fact that Peter was singled out by the unanimous voice of the writers of the NT for pre eminence is sufficient reason why he should demand our serious attention James Dunn celebrated Peter was probably in fact and effect the bridge man pontifex maximus who did more than any other to hold together the diversity of first century Christianity

The Roman Empire in Luke's Narrative Kazuhiko Yamazaki-Ransom, 2010-05-27 This work illuminates Luke's portrayals of Roman officials in light of Jewish portrayals of Gentile rulers in the Old Testament and in Second Temple Literature *A Social History of Christian Origins* Simon J. Joseph, 2022-12-30 A Social History of Christian Origins explores how the theme of the Jewish rejection of Jesus embedded in Paul's letters and the New Testament Gospels represents the ethnic social cultural and theological conflicts that facilitated the construction of Christian identity Readers of this book will gain a thorough understanding of how a central theme of early Christianity the Jewish rejection of Jesus facilitated the emergence of Christian anti Judaism as well as the complex and multi faceted representations of Jesus in the Gospels of the New Testament This study systematically analyzes the theme of social rejection in the Jesus tradition by surveying its historical and chronological development Employing the social psychological study of social rejection social identity theory and social memory theory Joseph sheds new light on the inter relationships between myth history and memory in the study of Christian origins and the contemporary re construction of the historical Jesus A Social History of Christian Origins is primarily intended for academic specialists and students in ancient history biblical studies New Testament studies Religious Studies Classics as well as the general reader interested in the beginnings of Christianity *The Jesus Mysteries* Timothy Freke, Peter Gandy, 2001-12-18 Drawing on the cutting edge of modern scholarship this astonishing book completely undermines the traditional history of Christianity that has been perpetuated for centuries by the Church and presents overwhelming evidence that the Jesus of the New Testament is a mythical figure Whether you conclude that this book is the

most alarming heresy of the millennium or the mother of all revelations The Jesus Mysteries deserves to be read Fort Worth Star Telegram Far from being eyewitness accounts as is traditionally held the Gospels are actually Jewish adaptations of ancient Pagan myths of the dying and resurrecting godman Osiris Dionysus The supernatural story of Jesus is not the history of a miraculous Messiah but a carefully crafted spiritual allegory designed to guide initiates on a journey of mystical discovery A little more than a century ago most people believed that the strange story of Adam and Eve was history today it is understood to be a myth Within a few decades authors Timothy Freke and Peter Gandy argue we will likewise be amazed that the fabulous story of God incarnate who was born of a virgin who turned water into wine and who rose from the dead could have been interpreted as anything but a profound parable **Diving into the Gospel of John** Bruce R.

Reichenbach,2023-02-09 Diving into the Gospel of John displays the rich and diverse arguments John presents for his thesis that Jesus is the Messiah the Son of God and that through believing readers listeners will find eternal life John s arguments are developed in four parts The first two chapters develop the author s literary techniques that are often based on ambiguity and his key symbols and concepts the understanding of which are essential to fully appreciate the Gospel Chapters 3 through 6 progressively portray the author s evidence for his thesis in the form of signs testimony of those who encounter Jesus Jesus s self identification and Jesus s relationships to others Chapters 7 and 8 show how the author uses theatrically patterned dialogues and triadic discourses to convey Jesus s identity and mission Finally chapters 9 through 11 provide important hints that the author gives for his thesis Jesus s appeals to time the indirect use of seven as the number of completeness and invocation of parentage in pointing to salvation Through diving into the Gospel readers will discover the richness of John s argument the Jesus he portrays and the God Jesus reveals The book aims to stimulate commitment challenge mind and spirit and encourage further reflection and conversation SCM Core Text: New Testament Richard Cooke,2013-01-03 An

undergraduate textbook for use on modules introducing the New Testament It argues that the New Testament reflects four streams of apostolic tradition reflected in the 4 gospels It includes bibliographies at the end of each section to guide the reader to the most relevant areas for further research in any given subject area **Restoring the Gospels' Jewish Voice** Watson, Murray,2023 Although Chouraqui and his work are well known and celebrated in many parts of the world especially in Israel and in the francophone world he is almost completely unknown in the anglophone world This book represents an attempt to introduce his important work and inspiring legacy to an English speaking audience and to explore how it can enrich Jewish Christian dialogue today As a bilingual translator and Biblical scholar I am able to make Chouraqui s work accessible to English speakers who are unfamiliar with him who may be intrigued by him but unable to directly access much of the material written by and about him in French **The Greatest Story Ever Forged (Curse of the Christ Myth)**

David Hernandez,2009-09 Is God fact or fiction This is the question that has been the subject of debate for millennia oftentimes leading to violence as we have seen in the countless religious wars throughout the course of history including the

Islamic and Christian wars of today The Greatest Story Ever Forged discusses this question and outlines the fabrications giving birth to these monotheistic religions their early developments and how they have tyrannized the West and Middle East for these many centuries Though there have been many defenders of the faith David Hernandez shows how these religions have infinitely caused more damage to man than any good they have ever been credited for having done This is what he calls the Curse of the Christ Myth which derives from the big lie as propounded by the inventors of the Christ Myth who battled as fiercely among themselves as they did against their detractors or non believers These include everyone from the Jews to the Pagans to the Gnostics to the heretics and any form of infidels in an effort to establish their true religions **The Laughing Jesus** Timothy Freke, Peter Gandy, 2005-07-12 Timothy Freke and Peter Gandy authors of The Jesus Mysteries and Jesus and the Lost Goddess return with a powerful indictment of Jewish Christian and Islamic fundamentalism and a passionate reinterpretation of Gnostic spirituality According to Freke and Gandy religiously inspired acts of violence such as the attacks on 9 11 are nothing new They are the continuation of a long and bloody history of brutality caused by mistaking bizarre old books for the Word of God The time has come to end religious intolerance and wake up to oneness by rediscovering the Gnostic way of transforming oneself and the world Freke and Gandy s Incendiary New Book Is a Wake Up Call to the World What if the Old Testament is a work of fiction Jesus never existed and Muhammad was a mobster What if the Bible and the Qur an are works of political propaganda created by Taliban like fundamentalists to justify the sort of religious violence we are witnessing in the world today What if there is a big idea that could free us from the us versus them world created by religion and make it possible for us to truly love our neighbors and even our enemies What if it is possible to awaken to a profound state of oneness and love which the Gnostic Christians symbolized by the enigmatic figure of the laughing Jesus Discover for Yourself Why the Gnostic Jesus Laughs *Did Jesus Really Say He Was God?* Mikel Del Rosario, 2025-10-23 How to Make Sense of Jesus Divine Claims Do you ever wonder if Jesus really claimed to be God Maybe you ve heard people say Jesus never said he was God or you ve been asked Why believe Jesus is divine if he never claimed it These challenges aren t just from non Christians they show up in church too Even if you re not coming from a place of skepticism you might still question how well church teachings about Jesus match up with what he actually said So did the historical Jesus really claim to be divine This book is here to give you confidence in the historicity of Jesus claim to divinity It s designed to help you explain your faith in a world that increasingly doubts the Bible s portrayal of Jesus Instead of focusing on what Jesus followers believed this book takes a different approach it looks at what Jesus enemies thought How did they interpret his words and actions Their perspective can help you understand the historical validity of Jesus divine claim In this book biblical scholar Mikel Del Rosario uses historiography to examine claims about Jesus divinity analyzes ancient Greco Roman Jewish and biblical sources to understand how Jesus words and actions were interpreted by his adversaries and followers and argues that Jesus claimed divine authority a claim supported by strong historical evidence If you re a Christian this book will equip

you to defend your faith against theories that suggest Jesus only claimed human authority not divine If you re someone who sees Christianity differently this book offers a serious investigation into the claims of the historical Jesus providing evidence that any theory of his identity must address Whether you re searching for answers to your own questions or trying to share about Jesus with others this book will help you communicate Jesus divine claim with clarity and confidence **Alfred Loisy and the Making of History of Religions** Annelies Lannoy, 2020-08-10 This monograph studies the professionalization of History of religions as an academic discipline in late 19th and early 20th century France and Europe Its common thread is the work of the French Modernist priest and later Professor of History of religions at the Coll ge de France Alfred Loisy 1857 1940 who participated in many of the most topical debates among French and international historians of religions Unlike his well studied Modernist theology Loisy s writings on comparative religion and his rich interactions with famous scholars like F Cumont M Mauss or J G Frazer remain largely unknown This monograph is the first to paint a comprehensive picture of his career as a historian of religions before and after his excommunication in 1908 Through a contextual analysis of publications by Loisy and contemporaries and a large corpus of private correspondence it illuminates the scientification of the discipline between 1890 1920 and its deep entanglement with religion politics and society Particular attention is also given to the role of national and transnational scholarly networks and the way they controlled the theoretical and institutional frameworks for studying the history of religions
