Sociology David M. Newman,2022-10-14 In the Fourteenth Edition of *Sociology Exploring the Architecture of Everyday Life* David Newman shows students how to see the unfamiliar in the familiar to step back and see organization and predictability in their take for granted personal experiences With his approachable writing style and lively anecdotes the author s goal from the first edition has been the same to write a textbook that reads like a real book Many adopters of this book are fans of Peter Berger s classic works which helped introduce the idea of social constructionism to sociology Newman uses the metaphors of architecture and construction to help students understand that society is not something that exists out there independently of themselves it is a human creation that is planned maintained or altered by individuals Using vivid prose current examples and fresh data this text presents a unique and thought provoking overview of how society is constructed and experienced Instead of surveying every subfield in sociology the more streamlined coverage 14 chapters focuses on the individual and society the construction of self and society and social inequality in the context of social structures This title is accompanied

by a complete teaching and learning package in SAGE Vantage an intuitive learning platform that integrates quality SAGE textbook content with assignable multimedia activities and auto graded assessments to drive student engagement and ensure accountability Unparalleled in its ease of use and built for dynamic teaching and learning Vantage offers customizable LMS integration and best in class support

Where Are the Women Architects? Despina Stratigakos, 2016-04-12 A timely and important search for architecture's missing women For a century and a half women have been proving their passion and talent for building and in recent decades their enrollment in architecture schools has soared Yet the number of women working as architects remains stubbornly low and the higher one looks in the profession the scarcer women become Law and medicine two equally demanding and traditionally male professions have been much more successful in retaining and integrating women So why do women still struggle to keep a toehold in architecture *Where Are the Women Architects* tells the story of women's stagnating numbers in a profession that remains a male citadel and explores how a new generation of activists is fighting back grabbing headlines and building coalitions that promise to bring about change Despina Stratigakos's provocative examination of the past current and potential future roles of women in the profession begins with the backstory revealing how the field has dodged the question of women's absence since the nineteenth century It then turns to the status of women in architecture today and the serious entrenched hurdles they face But the story isn't without hope and the book documents the rise of new advocates who are challenging the profession's boys club from its male dominated elite prizes to the erasure of women architects from Wikipedia These advocates include Stratigakos herself and here she also tells the story of her involvement in the controversial creation of Architect Barbie Accessible frank and lively *Where Are the Women Architects* will be a revelation for readers far beyond the world of architecture

John Ruskin and the Fabric of Architecture Anuradha Chatterjee, 2017-10-02 Through the theoretical lenses of dress studies gender science and visual studies this volume analyses the impact John Ruskin has had on architecture throughout the nineteenth and twentieth centuries It explores Ruskin's different ideologies such as the adorned wall veil which were instrumental in bringing focus to structures that were previously unconsidered *John Ruskin and the Fabric of Architecture* examines the ways in which Ruskin perceives the evolution of architecture through the idea that architecture is surface The creative act in architecture analogous to the divine act of creation was viewed as a form of dressing By adding highly aesthetic features to designs taking inspiration from the veil of women's clothing Ruskin believed that buildings could be transformed into meaningful architecture This volume discusses the importance of Ruskin's surface theory and the myth of feminine architecture and additionally presents a competing theory of textile analogy in architecture based on morality and gender to counter Gottfried Semper's historicist perspective This book would be beneficial to students and academics of architectural history and theory gender studies and visual studies who wish to delve into Ruskin's theories and to further understand his capacity for thinking beyond the historical methods The book will also be of interest to architectural practitioners particularly Ruskin's theory of

Revelation of Ireland Diarmaid Ferriter, 2024-09-05 THE NUMBER 1 IRISH TIMES BESTSELLER SHORTLISTED FOR THE IRISH BOOK AWARDS HISTORY BOOK OF THE YEAR 2024 An Irish Times Book of the Year 2024 Ireland is a strikingly different country now to the one it was in the mid 1990s Dramatic economic social and cultural changes including the Celtic Tiger boom and increasingly secular debate about abortion the status of women and same sex marriage underlined the scale of the transformation The new diversity of the population and literary and musical prowess also revealed a country experiencing rapid alteration The road to peace that saw an end to war in Northern Ireland and culminated in the first visit to southern Ireland of a reigning British monarch in 100 years illuminated the new Anglo Irish dynamic Explosive revelations about deep betrayals from the past destroyed the credibility of the traditionally powerful Catholic Church And in the wake of the 2008 financial crash Ireland rebounded and rebuilt to great success but remained plagued by health and housing failures Economic recovery the end of civil war politics ever closer European involvement and Anglo Irish highs were followed by Brexit lows and increasing talk of Irish unity There is much to open people's eyes in this riveting account of contemporary Ireland As the Republic enters its second century of independence and the North continues to grapple with the legacy of the Troubles Diarmaid Ferriter makes historical sense of post 1990s Ireland and what lies in the darkest corners of its archives

Listening to Landscape Phil Hubbard, 2025-10-16 The first book length exploration of how English landscapes are

represented in contemporary electronic and experimental music *Listening to Landscape* ploughs its own furrow combining ideas from psychogeography hauntology and landscape studies to offer a distinctive take on the way contemporary music deals with the ghosts of an England that is fast disappearing Away from the Top 40 and often circulating in the form of obscure cassette releases and limited vinyl runs acts including Belbury Poly Craven Faults epic45 Gilroy Mere Spaceship Vic Mars Warrington Runcorn New Town Development Plan and many others besides work in experimental genres including folktronica ambient modular synth drone post rock and noise But all have an apparent preoccupation with summoning the essence of place often working with ideas of memory loss and thwarted futurity associated with disappearing or threatened English landscapes Moving deftly between cultural theory musicology and geography *Listening to Landscape* serves as a primer on the hauntological music scene that appears fixated on questions of landscape and Englishness It argues this music is no mere exercise in nostalgia but a provocation asking us to re imagine England's place in the world at a time of economic and environmental crisis *Listening to Landscape* speaks to urgent questions of national identity in the post Brexit era offering a distinctive take on the way contemporary culture deals with the ghosts and memories of Albion Includes a foreword by Justin P Hopper author of *The Old Weird Albion* *Modernism in the Pacific Northwest* Patricia A. Junker, 2014 This book is published in conjunction with the exhibition *Modernism in the Pacific Northwest The Mythic and the Mystical* organized by the Seattle Art Museum and on view from June 19 September 7 2014 Colophon
