## **Mark A New Covenant Commentary:**

**Mark** Kim Huat Tan, 2015-09-24 Believing that the needs of beleaguered Christian communities in turbulent times would be best met by resourcing the life of Jesus Mark wrote a Gospel that was at once plain and subtle fast paced and yet profound The essence of being a follower of Jesus was therefore clarified so that such communities might differentiate the essential from the trivial and be fortified in their testimony to the one true gospel This commentary attempts to expound the artistry of Mark in achieving all this in its original setting by focusing on the larger picture of themes and thrusts paragraphs and plot but without dodging important issues of interpretation Following in the footsteps of this groundbreaking Gospel this commentary also attempts to bridge the horizons of the then and the now and show how it may still be a powerful resource for being a disciple of Jesus today Sermonic suggestions are offered where appropriate so that harried pastors may find a quick and effective way of sharing Mark with their congregations *A Guide to Mark* Frank W. Hughes, 2025-06-13 This book will introduce you to the oldest gospel in the New Testament the Gospel according to Mark In addition to a look at the ways in which we currently study the Gospels this book will comment on each of the passages in the Gospel of Mark The final chapter of this book considers the Gospel of Mark as a whole namely its characteristic ways of presenting Jesus and the apostles the meaning of miracles echoes of the Old Testament prophets Elijah and Elisha the relationships among the Gospels of Mark Matthew and Luke and Mark's strong criticism of the early church Commentary on the Gospel of Mark John Albert Broadus, 1905 Critical and Exegetical Commentary on the New Testament: Mark and Luke William Purdie Dickson, Frederick Crombie, 1880 *Mark's memoirs of Jesus Christ: a commentary on the Gospel according to Mark* James Morison, 1873 Critical and Exegetical Commentary on the New Testament: Mark and Luke Heinrich August Wilhelm Meyer, William Purdie Dickson, Frederick Crombie, 1874 Mariology at the Beginning of the Third Millennium Kevin Wagner, M. Isabell Naumann, Peter John McGregor, Paul Morrissey, 2017-04-24 Since the Second Vatican Council the place of Mary in theology and generally in the life of the Church has been at times muted This is perhaps understandable given the debates concerning Mary's place in the documents of Vatican II In an ecumenical age it was argued the church needed a less triumphalist Mariology and piety with a greater focus on Mary as model disciple In certain respects this has led to a dichotomy between the continued Marian piety of many faithful and truth be told the piety of the post conciliar popes and a theological timidity concerning Mary This collection of chapters seeks to address the current situation of Mariology Taken as a whole these chapters represent a welcome call for renewal and reawakening in Mariology The collection is also delightfully eclectic both in terms of topics covered and in terms of the denominational and academic backgrounds of the authors **A Critical and Exegetical Commentary on the Gospel According to St. Mark** Ezra Palmer Gould, 1896 **A Critical and Exegetical Commentary on the Gospel According to St. Mark** Ezra P. Gould, 1896 **Practical Commentary on the Gospel According to St. Mark** James Morison, 1905 The Function of Exorcism Stories in Mark's Gospel Andreas

Hauw,2019-05-29 This book investigates stories of Jesus exorcisms in the Gospel of Mark The story of Jesus first public ministry in the synagogue Mark 1 21 28 and the Beelzebul controversy story 3 20 30 are examined to understand the other acts of exorcism that Jesus performed 5 1 20 7 24 30 9 14 32 Both Mark 1 21 28 and 3 20 30 highlight Jesus as a teacher and as an eschatological exorcist The latter stresses Jesus own understanding of exorcism and relates his identity with that of the Holy Spirit Therefore the first two exorcism stories in Mark s Gospel confirm Jesus as the bearer of the kingdom of God The motif of discipleship which is evident in both stories contributes to delineating Jesus christological identity as the Son of God as indicated by the incipit of Mark s Gospel Mark 1 1 Markan exorcism stories in Mark 5 1 20 7 24 30 and 9 14 29 further develop the presentation of Jesus exorcisms and other primary motifs The motifs of authority identity and mission confirm the christological identity of Jesus within gentile territory and are an important part of his mission to the gentiles Jesus specific mission in Mark 9 14 29 presents the exorcism that Jesus performed in the context of his role in both death and resurrection In this way Jesus as the bearer of the kingdom of God defeats the kingdom of Beelzebul

**Abingdon New Testament Commentaries: Mark** Prof. C. Clifton Black,2011-09-01 Mark s genius lies not in telling a story about Jesus but in creating conditions under which the reader may experience the peculiar quality of God s good news The Evangelist hurries one along breathlessly immediately making sure that the reader lurches with the characters into one pothole after another What is this new teaching that consorts with the flagrantly sinful turning the pious homicidal intimates into strangers and mustard seeds into the greatest of all shrubs Jesus closest adherents the Twelve are among the most muddled Who can blame them They ask for an obscure parable s interpretation and receive an answer even more confounding They are told to feed thousands with next to nothing Their boat almost capsizes while their teacher sleeps As they oar in rough waters the teacher strides the waves intending to bypass them Putting the reader in the same boat Mark structures conversations with Jesus that make little sense if any The Twelve are craven stupid self serving and disobedient meet the average Christian Besides their hearts were hardened Who hardens hearts God Should not God s Messiah lift the burdens of those following him What kind of Christ heads to a cross handing his disciples another for themselves Do you not yet understand from the Introduction

**A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often

requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Mark Joel Williams, 2020-05-15 The Exegetical Guide to the Greek New Testament EGGNT closes the gap between the Greek text and the available lexical and grammatical tools providing all the necessary information for greater understanding of the text *Commentary on the New Testament: Critical and exegetical hand-book to the gospels of Mark and Luke* Heinrich August Wilhelm Meyer, 1893 **Mark 15:39 as a Markan Theology of Revelation** Brian K. Gamel, 2017-10-19 In the Gospel of Mark Jesus' arrest trial and execution ends with the Roman centurion who oversees the death process proclaiming Jesus as God's son Gamel explores two key questions in relation to this moment what does the centurion mean when he says that Jesus is God's son and why does he say it The confession is not made on the basis of any signs nor from any indication that he perceives Jesus' death as honourable or exemplary This apparent lack of motivation itself highlights a key Markan theme that this insight is revealed by an apocalyptic act of God signalled by the tearing of the temple veil Thus the confession which we can understand to be made sincerely and knowledgeably is the result of an act of God's revelation alone Gamel explores the theory of Mark depicting a story in which all human characters exhibit varying levels of blindness to the spiritual realities that govern their lives By making a thorough examination of Mark's Gospel while placing primary focus on the centurion the study is unlimited and presents a serious examination of the whole Gospel Gamel concludes his argument with the point that at the foot of the cross this blindness is decisively confronted by God's apocalyptic act The offer of sight to the centurion demonstrates the reconciliation of God and humanity which are otherwise in Mark's Gospel repeatedly presented as antagonistic spheres Finally the fact that revelation is offered to a Gentile highlights the inclusion of the nations into the promises of Israel
