The Gay Man's Guide to Open and Monogamous Marriage Michael Dale Kimmel, 2017-06-09 Legal gay marriage is still a relatively new phenomenon As gay men who are now able to get married we find ourselves in a bit of a quandary for many male couples sex is a lot more important for us than it is for heterosexuals Two married men often have a stronger desire for sex wanting more of it and with a wider variety of partners than married opposite sex couples How does this work within the structure of a monogamous marriage Is an open relationship a better structure for gay marriage Assuming that gay marriages will emulate heterosexual marriages is neither a valid nor a helpful assumption But as gay men where does that leave us There are currently no rule books for how a marriage between two men could or should work While there are lots of books about how to plan your gay wedding there are virtually none that address what to do after the honeymoon is over literally and figuratively This book fills that void It offers married gay couples and gay men considering marriage an easy to follow practical framework that they can use to help create adjust and structure their marriages Using helpful examples and first hand quotes throughout Openly gay psychotherapist Michael Dale Kimmel offers a roadmap for gay men who want to be married but have questions and concerns about monogamy and monotony

The Marriage Clinic John M. Gottman, 2016-12-19 The Marriage Clinic presents a complete marital therapy program based on John Gottman s much heralded research on marital success and failure Here one will find not only a wide range of succinct and useful assessment procedures but also a highly specific research based and modularized treatment program In addition there are dozens of questionnaires and interview protocols to be used in both assessment and intervention In prospective long term research with over 700 couples Gottman has discovered certain factors that distinguish happy stable couples from both unstable ultimately divorcing couples and stable but unhappy couples These findings which are explained here in understandable nontechnical language form the basis of his Sound Marital House theory of marriage which guides the new therapy This therapy has two goals changing the marital friendship and teaching couples to regulate conflict Despite the high aims of much marital therapy Gottman found that most marital conflicts involve fundamentally unresolvable relationship

issues called perpetual problems He shows how therapists can help spouses move from gridlock to dialogue on these issues Solvable problems can be resolved more easily when the couple has a strong marital friendship He gives therapists the tools to teach spouses five fundamental skills to develop and strengthen their friendship softened start up accepting influence repair and de escalation compromise and physiological soothing Gottman compares his clinic to a restaurant where clients are offered a menu of treatment formats from psychoeducation for specific issues to extended therapy to repair a badly damaged marital friendship Therapists too can choose among the questionnaires and strategies for those that fit the needs of particular couples Whatever their choice they will find that their practice is greatly enriched by the scientifically based offerings of The Marriage Clinic **Scribner's Monthly, an Illustrated Magazine for the People** ,1889 **It's Not**

About You Kelli Oyewole,2015-09-09 Do you think your life should be all about you Do you believe that your purpose in life is to gain all you can It s Not About You is a look into the areas of our lives where we unintentionally live as though it s all about us The world tells you that to have a happy fulfilled life is to focus on you obtaining everything possible for yourself The world says that you are entitled to receive all that you can grasp and all that you can grasp is for you Starting with yourself and ending with the truth this book brings insight and revelation to areas of your life that require you to intentionally choose to live beyond yourself You will begin to see how we naturally live for ourselves and how you can practically and purposefully choose to live for others You will read Scripture based truths on how God instructed us to live and in choosing so you will learn to live for so much more **The American Hoyle, Or Gentleman's Hand-book of Games** William Brisbane

during my marriage I needed practical ways or a road map to living a married life that reflected a biblical standard throughout my troubled marriage I needed a book like Marriage It's In Your Hands This is what makes Marriage It's In Your Hands so unique from other marriage books It's loaded with easy to follow bulletproof marriage principles that are communicated with inspiration to help you experience deeper and richer levels of intimacy with your partner starting today According to a recent study every 13 seconds there is one divorce in America I believe that married couples who understand the meaning of marriage will know how to communicate interact and cooperate effectively and execute all three of these marital principles consistently experience long term marital happiness I've never really considered myself to be a writer and never planned on writing a book about how anyone could have the perfect marriage But after I experienced getting a divorce I developed a burning desire to help people avoid the frustration pain and embarrassment of divorce by inspiring and empowering them to have healthy vitalized marriages The fact that I should be telling people how they can have a successful marriage as a divorced man sounds kind of abnormal to me Still I am going to do it anyway because the reality is our marriage could have turned out differently had we read and applied the practical information from a book similar to Marriage It's In Your Hands to help us navigate through the unforeseen challenges that every married couple will face But unfortunately that book did not exist or we couldn't find it Today there are so many books that add value to marriage relationships books like The 5 Love Languages and Love and Respect to name a few I knew we weren't alone There had to be other married couples facing the same inevitable challenges in their marriages that we met in the areas of communication monogamy sexual expectations conflict resolution forgiveness anger finances pride and petty behavior So I decided to devote seven years of my life to writing a book that teaches couples how to live a married life that reflects the values principles and truths of the Bible This marriage book reveals inherent biblical truths and applies relevant actionable wisdom in ways that work
