Thomas, 2017-01-24 Millions of couples getting married have pledged to love and to cherish until death do us part. Most of us understand and get the love part, but what does it mean to cherish our spouse? Why do we say it once at the wedding and then rarely even mention it again? In this six-session video Bible study, bestselling author Gary Thomas draws on personal stories and teachings from the Bible to show how cherishing can have a powerful effect on marriage. Learning to truly cherish each other turns marriage from an obligation into a delight. It lifts marriage above a commitment to a precious priority. Cherish is the melody that makes a marriage sing. Many couples today survive by gritting their teeth and holding on. Or they find themselves just going through the motions in their relationship. But cherishing our spouse can reverse this pattern. Cherishing can breathe light, hope, and new life into a marriage even one marred by neglect and disrespect. *The Cherish Study Guide* includes video, discussion questions, Bible exploration, and personal study and reflection materials for in-between sessions. Sessions include *To Love and to Cherish*, *Your Honor*, *Taking Your Marriage to the Next Level*, *Cherishing Your Unique Spouse*, *This Is How Your Spouse Stumbles*, *Keep on Cherishing*. This pack contains one softcover study guide and one DVD. *The Covenant of Marriage Study Guide* Mark Johnson, 2021-02-04 This twelve-week study shows how the historic understanding of Covenant helps us build a love for a lifetime. Marriage is not what our culture or we say it is. What is the one flesh relationship that was designed by God? When two enter a Covenant, the identity of each party enters the other. This produces a bond of shared identity between the two and alters the nature of each. What God has joined together, God's instructions are logical consequences of these realities. We love the other as we love ourselves because the other is now part of us. Our hearts

want to love but we do not love consistently Why Because our guidance system our old sense of self interest pulls in other directions Covenant is not just a tie that binds It is also a plan that teaches us what to do why we do these things and how we become able to do them Our married self is a new self Obedience does not oppose our nature it authentically expresses our new self and new bond Shifting our guidance system to follow God's plan and building this new life is the path to the best Marriage From This Day Forward Bible Study Guide Craig Groeschel, 2014-10-28 Is it possible to have a great marriage Yes but it is not likely if you treat marriage like everybody else does In this five session video based small group study DVD digital video sold separately New York Times bestselling author and pastor Craig Groeschel gives you five commitments to make in order to fail proof your marriage You know the stats and they are horrifying 50% of marriages don't make it What other area of your life are you satisfied with 50% odds against you The choices you make each and every day determine not only your relationship with God but also the quality of your marriage The decisions you make today will determine the marriage you will have tomorrow In this five session study you will discover five commitments that will absolutely fail proof your marriage If you make these commitments you'll discover a richer deeper more authentic relationship and a more rewarding more passionate love life than you could have ever imagined Don't be a statistic Don't be average Let's get you that marriage that you always wanted Starting right now from this day forward Sessions include Seek God Fight Fair Have Fun Stay Pure Never Give Up Designed for use with the From This Day Forward Video Study 9780310697206 sold separately

*The Good of Marriage Study Guide* Jeff Myers,2013-01-01      **Marriage in Interesting Times** Robert D. Cornwall,2016-05-13 This is a study guide on marriage Discussions include covenant vs contract concepts of biblical marriage loneliness and looking for a mate the realities of divorce and family in the larger community I titled the study guide Marriage in Interesting Times because we are living at a time when profound changes in the way marriage is understood Not that long ago it was assumed by many in American society that traditional marriage not only involved a man and a woman but the man was the head of the household and the woman was a homemaker The man earned the money and the woman cared for the children and kept the house in order Then came the idea that husband and wife were equal partners in the marriage In most cases both partners worked outside the home and they shared more equally the duties of the home Today the definition of marriage has evolved one more time to include same sex couples So when we talk about marriage in the twenty first century at least in the United States and a number of other nations around the globe we must remember that the legal definition if not the religious one includes both gay and straight couples Yes these are interesting times Dr Bob Cornwall It is the hope of both Dr Cornwall and Energion Publications that there will be more dialogue during this study and less diatribes
