Martin Entour Manual:

ESPES Manual of Pediatric Minimally Invasive Surgery Ciro Esposito, François Becmeur, Henri Steyaert, Philipp Szavay, 2019-08-02 This book is devoted to all the aspects of pediatric minimally invasive surgery and is written under the patronage of the European Society of Pediatric Endoscopic Surgery ESPES with the participation of leading international experts on Pediatric MIS. Comprising more than 50 chapters, the book begins with an introductory section describing the general and technical aspects of MIS approaches including laparoscopy, thoracoscopy, retroperitoneoscopy, and robotic surgery. The main part of the book is divided into five subsections, each of which focuses on a specific system: thorax, abdomen, urology, gynecology, and varia. For each subsection, the book examines several pathologies, accurately describing their clinical and diagnostic aspects and providing detailed information on the operative techniques, tips, and tricks used in their treatment. Further, the book addresses potential complications in MIS and better ways to manage and prevent them. The volume will be of interest for pediatric surgeons, pediatric urologists, or other professionals that need to access accurate descriptions of the MIS approaches adopted for the different surgical pathologies. At the same time, it addresses the needs of novices, including trainees looking for general information on the management of the various diseases encountered in the pediatric population.

Manual del librero hispano-americano Antonio Palau y Dulcet, 1926 **The War Room** Warren Kinsella, 2007-10-04 The term war room in political parlance was coined by the team of U.S. strategists specifically James Carville who worked for Bill Clinton's first presidential campaign in the early 1990s. In a nutshell, a war room is a political command centre where a candidate's strategists and media officers work to counter attacks by opponents while gathering research to mount an offensive in an ongoing, immediate fashion. Warren Kinsella's *The War Room* profiles and analyzes some of the best political warriors and spinners around. He employs personal anecdotes, political wisdom culled from his extensive experience on Liberal Party federal and provincial election campaigns, historical examples from other Canadian and American campaigns, and generous amounts of humour to deliver a book about what it takes to survive challenges not just in politics but in any kind of business or non-governmental agency, whether it sells music, movies, cars, or computers, or raises money to preserve the environment, combat cancer, or save animals.
