MARY LOUISE (Annotated) Edith Van Dyne, 2021-08-25

You will like *Mary Louise* because she is so much like yourself. Mrs. Van Dyne has succeeded in finding a very human girl for her heroine. *Mary Louise* is really not a fiction character at all. Perhaps you know the author through her Aunt Jane's Nieces stories; then you don't need to be told that you will want to read all the volumes that will be written about lovable *Mary Louise*. Mrs. Van Dyne is recognized as one of the most interesting writers for girls to day. Her success is largely due to the fact that she does not write DOWN to her young readers; she realizes that the girl of to day does not have to be babied and that her quick mind is able to appreciate stories that are as well planned and cleverly told as adult fiction.
