When Ethan Ladd becomes guardian to his nephew, he's determined to be the best father he can. There's only one catch: to ensure Cody doesn't end up in foster care, Ethan needs a wife. Luckily, local college professor Gemma Gould is head over heels for baby Cody and is willing to take on a marriage of convenience.

London as Screen Gateway Elizabeth Evans, Malini Guha, 2023-07-26 *London as Screen Gateway* explores how London features within screen narratives and as a location of screen industry activity. Reflecting the diversity of roles the city plays both on screen and within the screen industries, the volume explores the intersection between London as a material place and its position within a cultural imaginary. Conceptualising London as an archival city, as a collection of specific places and spaces, and as a part of national and international cultural and economic flows, contributors from film studies, television studies, and media studies approach London through the lenses of textual analysis, historical work, industry studies, and user experience. Chapters explore how London has appeared on screen across film and television; how screen content frames notions of place and belonging within the diasporic communities across the city; how the city has become a hub for the UK and global screen industries; and how it intersects with national and local media policy. This interdisciplinary volume will be of interest to scholars and students of film studies, television studies, media industry studies, games studies, cultural and media studies.

Lighting for Digital Video and Television John Jackman, 2004-01-09 Digital video students and enthusiasts must learn lighting fundamentals and techniques to enhance the visual quality of their work. Moreover, since lighting specifications for digital video differ significantly from those for analog video or film, professional videographers and cinematographers must learn how to adapt their lighting skills for this new digital medium to ensure that the final product meets broadcast standards. This complete course in digital video and television lighting begins with how the human eye and the camera process light and color, progresses through the basics of equipment and setups, and culminates with practical lessons on how to solve common problems. It features clear illustrations and real-world examples that demonstrate proper equipment use, safety issues, and

staging techniques Detailed diagrams figures and photos illustrate techniques that enable novices to complete basic lighting setups This new edition also features a 16 page color insert and new chapters on interview setups and lighting for low budgets

The Suffragette Bombers Simon Webb,2014-07-02 In the years leading up to the First World War the United Kingdom was subjected to a ferocious campaign of bombing and arson Those conducting this terrorist offensive were members of the Women s Social and Political Union better known as the suffragettes The targets for their attacks ranged from St Paul s Cathedral and the Bank of England in London to theatres and churches in Ireland The violence which included several attempted assassinations culminated in June 1914 with an explosion in Westminster Abbey Simon Webb explores the way in which the suffragette bombers have been airbrushed from history leaving us with a distorted view of the struggle for female suffrage Not only were the suffragettes far more aggressive than is generally known but there exists the very real and surprising possibility that their militant activities actually delayed rather than hastened the granting of the parliamentary vote to British women
