King Returns Washington Explorations Rhetoric:

King Returns to Washington Jefferson Walker, 2017-12-09 Exploring the Dr Martin Luther King Jr National Memorial King Memorial in Washington DC through a multi faceted rhetorical analysis of the site s visual and textual components Jefferson Walker reveals multiple critical popular privileged and vernacular interpretations of the site and Dr Martin Luther King s memory Walker argues that the King Memorial and its related texts help to universalize and institutionalize King s ethos creating a contentious rhetorical battleground where various people and organizations contest the ownership and use of King s memory Walker uses these analyses to uncover how the site contributes to the public memory of Dr Martin Luther King Jr

Casting the Art of Rhetoric with Theater and Drama Adrienne E. Hacker Daniels, 2025-06-12 Casting the Art of Rhetoric with Theater and Drama Taking Center Stage explores rhetoric and theater as they relate to one another developing the understanding of rhetoric as theory and praxis This book addresses rhetorical themes and cultural resonances as well as the oft overlooked symbiosis of rhetoric and theater Rather than addressing audiences as either observers of rhetorical artifacts or theatrical performance this work demonstrates the intersection of the two which strengthens theatrical events and their cultural significance Overall the volume showcases the many ways in which an understanding of the relationship between rhetorical and poetic theories can benefit dramatic convention and the breaking thereof African American Culture Omari L. Dyson, Judson L. Jeffries Ph.D., Kevin L. Brooks, 2020-07-23 Covering everything from sports to art religion music and entrepreneurship this book documents the vast array of African American cultural expressions and discusses their impact on the culture of the United States According to the latest census data less than 13 percent of the U S population identifies as African American African Americans are still very much a minority group Yet African American cultural expression and strong influences from African American culture are common across mainstream American culture in music the arts and entertainment in education and religion in sports and in politics and business African American Culture An Encyclopedia of People Traditions and Customs covers virtually every aspect of African American cultural expression addressing subject matter that ranges from how African culture was preserved during slavery hundreds of years ago to the richness and complexity of African American culture in the post Obama era The most comprehensive reference work on African American culture to date the multivolume set covers such topics as black contributions to literature and the arts music and entertainment religion and professional sports It also provides coverage of less commonly addressed subjects such as African American fashion practices and beauty culture the development of jazz music across different eras and African American business **A Theory of Accumulation and Secular Stagnation** Daniel Aronoff, 2018-01-08 Thomas Malthus identified a crucial tension at the heart of a market economy While an accumulation of wealth is necessary to provide the capital investment needed to generate growth too much accumulation will cause planned saving to exceed profitable investment which will result in secular stagnation a condition of low growth and underemployment of resources Keynes drew inspiration

from Malthus in his attempt to comprehend the causes of the Great Depression of the 1930s Now Aronoff demonstrates how a related but slightly different aspect of Malthus thought can illuminate one of the most pressing issues of our times In A Theory of Accumulation and Secular Stagnation Aronoff explores Malthus ideas relating to secular stagnation and uses the insight gained to understand the origins of the subpar growth and tepid employment periodically punctuated by booms that has plagued the US economy since the turn of the millennium He explains how the rise of mercantilism among Asian countries principally China and increased income concentration generated an upsurge in excess saving This accumulation created a chronic deficiency in demand while also depressing interest rates which generated a search for yield that fuelled periodic booms
