The Skull of Pancho Villa and Other Stories Manuel Ramos, 2015-03-31 Legend has it that Pancho Villa's grave was robbed and his head stolen in 1926 A gringo is credited with the theft but Gus Corral's great grandfather was there too As often happens to Chicanos his role was given short shrift But the Corral family has taken care of the skull for as long as Gus can remember It's a jolt when Panchito is stolen from his sister's house It's the only connection to the old timers of the family so Gus knows he will have to get to the bottom of the disappearance even if it means tangling with thieves and thugs A variety of characters writers attorneys Vietnam vets cops soldiers populate these stories in which situations frequently aren't what they seem An old man knows more about the disappearance of a neighbor than he lets on A barber is involved in something that brings a ski mask wearing gun toting hoodlum into his shop And a cop accused of using excessive force hasn't
