Webster, 2021-03-30 A comprehensive study of Jesus's parables that emphasizes personal reflection and application Jesus's parables used familiar situations to convey deep spiritual truths in ways that are provocative and subversive of the status quo Prayerfulness was pictured by a persistent widow The joy of salvation in the homecoming of a lost son Love of neighbor by a marginalized Samaritan If we're not careful we can easily miss details in the parables that reveal their subtle meanings as well as their contemporary relevance Drawing on scholarship on the parables as well as theological pastoral and practical insights Douglas Webster guides the reader through each of Jesus's parables pointing out the important nuances that allow us to understand them and be transformed by them Reflection questions at the end of each chapter can be used for personal or group study and an appendix for pastors provides guidance for preaching the parables Pastors Bible teachers and serious students of Scripture will find this tour through Jesus's parabolic teaching to be a feast for both the mind and the soul *Judge Jesus* Jeremiah L. Stallman, 2021-09-14 How do you understand the messianic judgeship of Jesus Interpreting certain themes in the Gospels is often done through a twenty first century Western perspective Judge Jesus will seek to help a modern reader of the Gospel of John see the concept of Jesus's messianic judgeship through the eyes of a first century Jewish audience Judge Jesus will explore how the themes of judgment and messianic expectation throughout Early Judaism impacted how John's Jewish audience would have understood the words of his Gospel As a twenty first century interpreter of the Gospel of John your studies will be greatly enhanced as you start to see these themes in the same way that John's Jewish audience originally understood the words that he wrote The Jesus Heist C. Andrew Doyle, 2017-08-01 Provocative readings of biblical stories with thoughts on what they are saying to the church Inside the Church we are constantly and consistently reading the gospels through the lens of supporting our own institution and structure This prevents us from hearing the critique Jesus offered in his own day and his emphatic and persistent call to be and do

differently now Matthew 23 1 12 Stories include Widow s Mite Rich Young Ruler Destruction of the Temple Searching for the Lost Coin Sower of the Seeds Transfiguration and the Great Commission This book flips the script of many Bible stories allowing us to hear Jesus call to change as one that is directed at us rather than as one we should direct toward others

Come, Let Us Eat Together George Kalantzis, Marc Cortez, 2018-04-17 When it comes to the sacraments the church has often been and remains divided Can we still gather together at the same table Based on lectures from the 2017 Wheaton Theology Conference this volume brings together the reflections of Protestant Roman Catholic and Eastern Orthodox theologians who consider what it means to proclaim the unity of the body of Christ in light of the sacraments **The End of Religion** Bruxy Cavey, 2020-11-17 Sick of religion So was Jesus In this expanded edition of the bestselling *The End of Religion* Bruxy Cavey asks Has Christianity missed the point Was Jesus setting up a new religion or abolishing the entire concept Have Christians gotten faith in Jesus pretty much right or all wrong Thoroughly revised and updated *The End of Religion* now includes five entirely new chapters by the author a new preface and updates throughout Join Bruxy Cavey in a dynamic breath taking investigation into what Jesus was all about Find out how twenty first century people can live into the subversive spirituality of Jesus Jesus lived a scandalous life Shouldn t we Conversations with Scripture William Brosend, 2006-11-01 From the very beginning human beings have loved to listen to stories And Jesus loved to tell them The parables are vivid rich arresting stories that make us think and teach us lessons about our relationship with God and others From talents to mustard seeds from shepherds to Samaritans Jesus used common reference points to teach important truths But the parables are filled with ambiguity and room for interpretation With historical and cultural background and careful scholarly detail this book helps readers explore their beauty richness and joy Includes discussion questions and activities Chapters are organized by parable types such as seeking and growth **'While the Bridegroom is with Them'** Marianne Blickenstaff, 2005-06-20 Interpreters of Matthew s Parable of the Wedding Feast 22 1 14 typically associate the king with God and then justify his violent attacks against city and guests interpreters of the Parable of the Ten Virgins 25 1 13 typically associate the bridegroom with Jesus and then justify his extreme rejection of the foolish virgins Questioning such allegorical interpretations this study first details how Hebrew Greek and Roman texts depict without requiring allegorical understandings numerous bridegrooms associated not only with joy but also with violence and death Second this project appeals to the disruptive nature of parables the feminist technique of resisting reading and the Matthean Jesus s own ethical instructions to argue that in the parables those who resist violent rulers and uncaring bridegrooms are the ones worthy of the Kingdom The study then shows how the Matthean Jesus the brideless celibate bridegroom creates a fictive family by disrupting biological and marital ties redefining masculinity and undermining the desirability of marriage and procreation JSNTS 292 Matthew's Gospel and Judaism in the Late First Century C.E. Anthony O Ewherido, 2006 Following a thorough examination of the structure language and argument of Matthew s discourse on parables Anthony O Ewherido

underscores its primary relevance to the ongoing discussion on the social context of Matthew's Gospel. The convincing analysis of the textual evidence and study of some social and historical trends in Christianity and Judaism in the post 70 C.E. era inform Ewherido's conclusion that at the time the Gospel was written to its predominantly Jewish Christian community that community had parted ways with Judaism and stood at an ideologically irreconcilable distance from the synagogue across the street.

The Christian Life Steven A. Hein, Rick Ritchie, 2021-08-24 This book offers a radically different perspective from that of many best selling authors concerning how the Christian should measure and evaluate travel along God's path of righteousness. It will endeavor to persuade the reader that by feeding regularly on the Gospel in the Preached Word and The Supper God promises to have His way with the Christian and He alone will accomplish all that is needed for life in Him to be complete. He is not waiting or requiring you to do anything first during or after to provide you with every blessing of the Gospel.

Where All Hope Lies James R. Van Tholen, 2003 This is a print on demand book and is therefore non returnable. Where All Hope Lies presents fifty six select sermons by James Van Tholen a gifted young pastor who lost his battle with cancer in January 2001 at the age of thirty six. Though Jim's untimely death gives a certain poignancy to this volume these sermons are far from dark or despairing. Van Tholen's conversational style thought provoking insights into Scripture and frequent interaction with such writers as Flannery O'Connor, Frederick Buechner, Kathleen Norris and others make these sermons truly enjoyable as well as profitable to read. Through them all there runs a sense of concentrating on what really matters, trusting in God no matter what suffering or difficulties might come our way. Indeed as demonstrated by the book's title sermon first published in Christianity Today as Surprised by Death more than anything Van Tholen preached the grace and goodness of God. Including a foreword by Neal Plantinga and a closing reflection on the man behind the sermons by Jim's wife Rachel, Where All Hope Lies offers gracious powerful uplifting words for believers throughout the church year.

Beyond an Angry God Steve McVey, 2014-08-01 How would your life change if you really believed and could even feel that God is absolutely crazy about you? Steve McVey's penetrating new look at the transforming power of God's grace leads you to that change. Steve unpacks the biblical revelation of the Trinity as a loving relationship and he highlights the goal of history: God intends to include us in that circle of love. Steve answers troubling questions that can keep you from fully sensing God's love, acceptance and forgiveness such as: Why does God look like a bad cop in the Old Testament and a good cop in the New Testament? At Calvary was the Father angry at the Son? Is He ever angry with me? Why do I sometimes feel separated from God, abandoned, guilty and ashamed? Theologians have described the Trinity as perichoresis, a dance. Are you ready to be swept into the Father's embrace?

Jesus Unplugged Bert Gary, 2005 There is much emphasis in the church today by laity and clergy on being respectable, nice and presentable. Yes, where in scripture did Jesus say that we should make being well dressed and well behaved priorities? Is the church guilty of reducing Christianity to mere social etiquette? The Jesus of scripture rejected these priorities with word and deed. This book goes back to the original passages in

the Gospels that reveal not a cautious image conscious Jesus but a provocative politically incorrect cage rattler for whom appearance and reputation meant nothing It examines the original Gospel passages that are regularly avoided or sanitized by pastors teachers and writers exploring those times when Jesus said no and when he disturbed the peace There are profound implications in understanding that the Jesus of the Bible is no passive pushover but a vigorous truth warrior who slays falsehoods with a sharp double edged sword Jesus Unplugged is provocative and accurate **Ex Auditu - Volume 36** Dennis R.
