Mark R. C. The Meaning of Singleness Danielle Treweek,2023-05-09 Drawing upon ancient and contemporary theologians Dani Treweek offers biblical historical cultural and theological reflections to retrieve a theology of singleness for the church today Far from being a burden she shows that singleness presents the church with a foretaste of the eschatological reality that awaits all of God s people

A Biblical-Theological Introduction to the New Testament Michael J. Kruger,2016-05-31 Introductions to the New Testament often take a defensive stance focusing on historical critical issues but failing to address the interests and needs of pastors and Bible teachers However with an emphasis on the theology key themes and overall message of each book in the New Testament this collaborative effort of nine biblical scholars takes a more positive and pastorally relevant approach Written from a distinctly Reformed covenantal and redemptive historical perspective this theologically rich expositional resource will equip readers to study and teach each book in the New Testament with clarity and insight

95 Theses for a New Reformation Aaron Hebbard,2017-10-09 Five hundred years ago Martin Luther wrote his Ninety Five Theses inaugurating the Protestant Reformation and with it exemplified an unflinching devotion to return to the Word of God as the ultimate authority Today the church is also in desperate need for reformation a new reformation to correct her shortcomings and meet the challenges of the day Some might see everything as fine some might see everything as hopeless and others might simply dismiss the church as irrelevant too impotent to reform herself much less to strengthen the disintegrating family or address the downward spiraling culture with a prophetic voice 95 Theses for a New Reformation confronts the necessity for reformation today head on Over thirty of today s pastors theologians and church leaders analyze ninety five current problems search the Scriptures for solutions and make sound biblical appropriations to implement into the life of the church family and culture On this 500th anniversary of the Protestant Reformation let us pray that the Lord will again revive his church for his own glory and for the purification of Christ s beloved bride the church And let us prepare ourselves to respond with urgency to God s call to action by reforming the

church family and culture Contributors include John Frame John MacArthur R C Sproul Peter J Leithart and James White

The Way of Sonship Mark L. Graham D. Min.,2022-07-27 Something for everyone in this theological practicum of sanctification The book hones in on the relationship of dire trials to God s finished goal the glories of Christ through His people Intended for all who struggle This book is a must read for those who face daily battle with intense personal conflict whether in marriage at home or the workplace The Way of Sonship is a very personal read with a very hopeful end It is a linear walk from the intentional trial to the fruitful completion *The Most Important Women of the Bible* Aaron

Sharp,Elaina Sharp,2017-10-17 Powerful Stories of Women in the Bible that Reveal God s Mercy and Love From well known women like Eve and Esther to those lesser known like Jochebed and Zipporah women of the Bible play a vital role in God s timeless story of redemption This book traces the stories of three dozen of the most important women in Scripture each handpicked by God to play a crucial part in his gracious plan for all humanity Every chapter begins with a short biography followed by an explanation of how each woman fits into the overall narrative of the Gospel message pointing to God s love for the individual as well as his larger plan to redeem sinners through the sending of his son The Bible is the story of God s relationship with his people men women Jews Gentiles saints and sinners But this book reveals that it s also the story of his relationship with you *Rebels with Insufficient Cause* J. M. Sparrow,2018-09-19 Why are Americans of African descent as a

group not flourishing like other racial groups in America Dr J M Sparrow in *Rebels with Insufficient Cause* proposes that value formation through the biblical model of the family is lacking The secular world is redefining and reinterpreting the social structures that God created in order for humans to enjoy maximum human flourishing Every person or social group that chooses to ignore God s designs for humanity will experience chaos but every person and social group that submits to God s designs for humanity will experience order Americans of African descent are experiencing that chaos in greater measure than any other racial group Since this book holds to a biblical worldview that teaches that all humans are created equal Americans of African descent are not inherently more debased than other races However since the out of wedlock birth rate is astronomically higher in black communities than in others they are experiencing a greater share of the chaos Yet all is not lost When Americans of African descent begin to hold up the truths of the Bible as normative and encourage future generations to practice the same things will begin to turn around Americans of African descent must choose to reject the victim mentality see themselves as part of the larger American culture rather than as outsiders and inculcate biblical values on their children in the midst of loving supportive and God honoring family units Blood Moons Rising Mark

Hitchcock,2014 Has the final countdown to the end days begun Are the heavens telling us we are nearing the end Astronomers have noticed it is coming Historians have noted its significance In 2014 and 2015 there will be a phenomenon in the skies of four blood moons falling during Jewish feasts This has only happened three times in recorded history 1493 94 1949 50 and 1967 68 Each time these dates have had extraordinary significance for the Israelites From the discovery of the

New World to the creation of modern day Israel these years of the four blood moons have truly been turning points in history Bible prophecy describes the moon being darkened and turned to blood What is the significance of these signs in the skies What will the future bring Prophecy expert Mark Hitchcock guides you through the relevant Bible passages so you can understand the times in which you live

Predestination Is to Glory Not to Faith Wayne ODonnell, 2020-04-20 All my books can be read online for free at waynedonnell.com Mt 10 8 Freely you have received freely give The Bible says we re predestined to glory but it doesn't say we re predestined to faith as Calvinism teaches The differences between the language of the Bible and the language of Calvinism indicate the doctrinal errors of Calvinism All Reformed theologians teach predestination to faith which includes faith in a sequence the Bible doesn't include it in The Golden Chain of Romans 8 28 30 includes 1 foreknowledge 2 predestination 3 calling 4 justification and 5 glorification Paul intentionally omits faith from this sequence because predestination is to glorification and sanctification not to faith Paying attention to this detail alters Calvinism's TULIP T Total Depravity doesn't include an inability to believe the gospel Election is not U Unconditional since God elects all whom he has known forever in the eternal Messiah who entered into union with him through justification by unpredestined faith I Irresistible Grace is after justification for sanctification and glorification L Limited Atonement is unbiblical And P Perseverance of the Saints is confirmed in the strongest possible way to the extent it's synonymous with eternal security and the certainty of glorification Most other anti Calvinist books deal heavily with the moral and philosophical travesties of Calvinism For example I highly recommend What Love Is This by Dave Hunt But this book tries to provide better expositions of the passages that lead good godly men to accept Calvinism in the first place like Romans 8 Romans 9 John 6 and Ephesians 1 by paying attention to the small under appreciated detail that the Bible says predestination is to sanctification and glory not to faith If I felt this task was already accomplished I wouldn't have written this book but would have promoted the books that already did it White Calvinist There is no meaningful non Reformed exegesis of John 6 37 45 available As numerous as the attempts of Arminian exegetes to find some way around the testimony of these verses has been not even a plausible solution has been offered that does not require the complete dismantling of the text redefinition of words or the insertion of utterly foreign concepts Flowers Non Calvinist Would anyone dare adopt or seek to defend this most troubling doctrine of reprobation if not for the perceived defense offered by the apostle in Romans 9 I rejoice in biblical non Calvinistic predestination to glory not to faith Biblical predestination is about the certainty of God's completion of our salvation through sanctification and glorification Predestination shouldn't be a word that conjures up images of Calvinistic horrors of reprobation in the minds of those who haven't been indoctrinated to focus on the good fortunes of the elect Instead predestination should be a word that gives great joy because it underlies the Biblical doctrine of the certainty of our future glorification Rom 5 3 Having been justified by faith we rejoice in the sure and certain hope of sharing in the glory of God My hope is that this book won't only be a defense against Calvinism and its harms and rescue some born again Calvinists

from Calvinism but also that this consideration of the topic of predestination will give all readers a better understanding of the justification sanctification and glorification that comprise our gracious salvation and this knowledge will also make us more fruitful Jn 15 7 8 If my words abide in you herein is my Father glorified that you bear much fruit *A Study of Petrine Christology from Key Texts in 2 Peter* Kelly Adair Seely, 2021-10-19 Second Peter is full of christological language Scholars have often overlooked the christological richness as they have focused heavily on the issues of eschatology and authorship The uniqueness of the Son from the Father as well as the divinity of Jesus are at the forefront of the short epistle Further Ernst K semann famously criticized 2 Peter for being void of Christology and the cross and thus the gospel The author analyzes the Christology of 2 Peter particularly as it relates to the Petrine view of the divinity of Jesus and the distinctness and uniqueness of the Son from the Father This study examines the christological depth in these key areas as a response to critics like K semann K semann first looked into the eschatological arguments of 2 Peter and claimed he was not able to find any christological orientation The student of 2 Peter must not look through eschatology to see the rich Christology which fills the verses of the epistle However when the reader examines the christological language and themes within 2 Peter he she is faced with a beautiful portrayal of Jesus and the Father Predestination to Glory - Come by Faith Wayne ODonnell, 2020-05-09 All my books can be read online for free at wayneodonnell com Mt 10 8 Freely you have received freely give This booklet is included in and comprises of one section of my book Predestination is to Glory not to Faith Anti Calvinism Pro Certainty of Sanctification In Romans 8 Romans 9 but also that this consideration of the topic of predestination will give all readers a better understanding of the justification sanctification and glorification that comprise our gracious salvation and this knowledge will also make us more fruitful Jn 15 7 8 If my words abide in you herein is my Father glorified that you bear much fruit Romans 9 - 11 Wayne ODonnell, 2020-05-09 All my books can be read online for free at wayneodonnell com Mt 10 8 Freely you have received freely give This booklet is included in and comprises of one section of my book Predestination is to Glory not to Faith Anti Calvinism Pro Certainty of Sanctification In Romans 8 Romans 9 so in Romans 9 Israel was predestined to glorification not to faith or unbelief The best way to demonstrate this is by Paul s examples of the adversaries Pharaoh and Moses Despite the unscriptural claims of Calvinists Pharaoh wasn t hardened about believing in God or the gospel Over and over the scripture makes it clear that God hardened Pharaoh s heart about not letting his people go I will harden his heart so that he will not let the people go Ex 4 21 See also Ex 7 14 8 32 9 7 10 20 27 11 10 etc And God didn t harden Pharaoh s heart so that he would go to hell but so that once Pharaoh had made his decision not to let Israel go he wouldn t give in too soon due to weakness or aversion to pain so that God could complete all ten plagues and destroy the mightiest army in the world of that time in the sea so that all the world would hear of it I will harden Pharaoh s heart and multiply my signs and my wonders in the land of Egypt so that I can lay my hand on Egypt and bring forth my armies and my people the children of Israel out of the land of Egypt by great judgments Ex 7 3 4 See also Ex 10 1 2 7 9 1 14 4 17 And in our

passage Even for this same purpose I have raised you an unbeliever up to be Pharaoh so that I could show my power in you and so that my name would be declared throughout all the earth Rom 9 17 In contrast to Pharaoh Moses accomplished something that wasn't predestined at all through his free will choice When Israel sinned by worshipping the golden calf Moses interceded and was granted mercy for them But then Moses went beyond even that and asked to see God's glory as a gracious favor and was also granted that request Moses said I beseech you show me your glory And the LORD said I will make all my goodness pass before you and will be gracious to whom I will be gracious and will show mercy on whom I will show mercy Ex 33 18 19 God knows beforehand which vessels are destined for eternal glory and which are destined for eternal shame And it isn't unrighteous of him in his providential control to make use of both kinds of vessels in his plans during our time on earth He formed a man like Pharaoh who is destined for eternal shame into a vessel to rule Egypt so his name would be magnified in the earth at the time of Israel's national birth And he gives men like Moses and us experiences that help fit Rom 9 22 and prepare Rom 9 23 us for even more glorification Our light affliction light compared to the weight of glory which is but for a moment a moment compared to the eternal glory produces for us a far more exceeding and eternal weight of glory 2 Cor 4 17

Flowers Non Calvinist Would anyone dare adopt or seek to defend this most troubling doctrine of reprobation if not for the perceived defense offered by the apostle in Romans 9 Pink Calvinist It is a remarkable and telling phenomenon that those who find no individual predestination to eternal life in Rom 9 6 13 cannot successfully explain the thread of Paul's argument as it begins in Rom 9 1 5 and continues through the chapter Berkouwer Calvinist Every hesitation about or hidden resistance against the sovereign freedom of God every form of indeterminism which defends man's cooperation against the divine act will suffer shipwreck on Romans 9 We shall see *Last Words of Jesus* Stu Epperson Jr., 2015-02-17 Readers will experience a fresh encounter with Jesus Christ thorough examination of what Jesus said why He said it and how His powerful words continue to change lives forever **Jesus and YHWH-Texts in the Synoptic Gospels** Scott Brazil, 2024-02-21 Scott Brazil examines the frequent practice of applying Old Testament YHWH texts to Jesus in the Synoptic Gospels He argues that this YHWH text phenomenon evidences a high Christology in the primitive church that traces back to Jesus himself He thus finds in this Synoptic practice a stinging contradiction against the modern critical theory that a high Christology took many decades to develop in the early church and exists only in John among the canonical Gospels Brazil surveys the Synoptic Gospels in canonical order exegeting dozens of passages in which OT texts originally referring to YHWH are either clearly or most probably applied to Jesus He observes the frequency diversity and ubiquity of the practice as well as its wide range of OT source material and its parallel to the NT practice of applying OT messianic texts to Jesus And from the data he offers several ramifications including the early deliberate employment of YHWH texts to Jesus the likelihood that Jesus is the source of the practice the high Christology of the Synoptics and the redemptive historical metanarrative that Jesus is the divine interpreter and central figure of the Jewish Scriptures Ultimately Brazil argues that
