City Futures Doctor Edgar Pieterse, 2008-11-20

Cities are the future In the past two decades a global urban revolution has taken place mainly in the South The mega cities of the developing world are home to over 10 million people each and even smaller cities are experiencing unprecedented population surges The problems surrounding this influx of people slums poverty unemployment and lack of governance have been well documented This book is a powerful indictment of the current consensus on how to

deal with these challenges Pieterse argues that the current shelter for all and urban good governance policies treat only the symptoms not the causes of the problem Instead he claims there is an urgent need to reinvigorate civil society in these cities to encourage radical democracy economic resilience social resistance and environmental sustainability folded into the everyday concerns of marginalised people Providing a dynamic picture of a cosmopolitan urban citizenship this book is an essential guide to one of the new century s greatest challenges **El Mall** Arlene Dávila,2016-01-05 El Mall considers the boom of shopping malls in Latin America to explore how malls and consumption are shaping the conversation about class and social inequality in Latin America Provided by publisher **Local Space, Global Life** Luis Eslava,2015-07-09 This book examines the everyday functioning and impact of international law and the development project particularly across cities in emergent nations **From Charity to Social Change** Barbara Ibrahim,Dina H. Sherif,2008 Examining philanthropic trends in key Middle Eastern countries this work seeks to shed light on forms of institutionalized giving that exist as well as to provide recommendations for how charitable contributions can be effective as vehicles of future social change It is an attempt to map the dynamic contemporary landscape of philanthropy in the Arab region **Building a House in Heaven** Mona Atia,2013-11-01 Charity is an economic act This premise underlies a societal transformation the merging of religious and capitalist impulses that Mona Atia calls pious neoliberalism Though the phenomenon spans religious lines Atia makes the connection between Islam and capitalism to examine the surprising relations between charity and the economy the state and religion in the transition from Mubarak era Egypt Mapping the landscape of charity and development in Egypt Building a House in Heaven reveals the factors that changed the nature of Egyptian charitable practices the state s intervention in social care and religion an Islamic revival intensified economic pressures on the poor and the subsequent emergence of the private sector as a critical actor in development She shows how when individuals from Egypt s private sector felt it necessary to address poverty they sought to make Islamic charities work as engines of development a practice that changed the function of charity from distributing goods to empowering the poor Drawing on interviews with key players Atia explores the geography of Islamic charities through multiple neighborhoods ideologies sources of funding projects and wide social networks Her work shifts between absorbing ethnographic stories of specific organizations and reflections on the patterns that appear across the sector An enlightening look at the simultaneous neoliberalization of Islamic charity work and Islamization of neoliberal development the book also offers an insightful analysis of the political and socioeconomic movements leading up to the uprisings that ended Mubarak s rule and that amplified the importance of not only the Muslim Brotherhood but also the broader forces of Islamic piety and charity **Children's Services in the Developing World** Najat M'Jid,2017-03-02 Children s services in The Developing World brings together evidence relating to the health and development of children in the global South It is essential reading for students scientists policy makers and practitioners in economically developing countries The book deals with the effects of catastrophe disease war and poverty on children s
