Market Wizards Updated Interviews With Top Traders:

Market Wizards: Interviews with Top Traders Jack D. Schwager, 2016-05-04 THE INVESTMENT CLASSIC I've read Market Wizards at several stages of my career as it shows the staying power of good down to earth wisdoms of true practitioners with skin in the game This is the central document showing the heuristics that real life traders use to manage their affairs how people who do rather than talk have done things Twenty years from now it will still be fresh There is no other like it NASSIM N TALEB former derivatives trader author of The Black Swan and professor NYU Poly Market Wizards is one of the most fascinating books ever written about Wall Street A few of the Wizards are my friends and Jack Schwager has nailed their modus operandi on the head MARTIN W ZWEIG PhD Editor The Zweig Forecast It is difficult enough to develop a method that works It then takes experience to believe what your method is telling you But the toughest task of all is turning analysis into money If you don't believe it try it These guys have it all a method the conviction and the discipline to act decisively time after time regardless of distractions and pressures They are heroes of Wall Street and Jack Schwager's book brings their characters vividly to life ROBERT R PRECHTER JR Editor The Elliott Wave Theorist *The New Market Wizards* Jack D. Schwager, 2012-10-10 Praise for THE NEW MARKET WIZARDS Jack Schwager simply writes the best books about trading I've ever read These interviews always give me a lot to think about If you like learning about traders and trading you'll find that reading this book is time well spent Richard Dennis President The Dennis Trading Group Inc Jack Schwager's deep knowledge of the markets and his extensive network of personal contacts throughout the industry have set him apart as the definitive market chronicler of our age Ed Seykota Very interesting indeed John Train author of The Money Masters Successful trading demands longtime experience because it requires firsthand knowledge If there is a shortcut to this requirement however it is in reading about the experiences of others Jack Schwager's book provides that shortcut If you find yourself sweating upon occasion as you read then you're as close to the trading experience as you can get without actually doing it yourself Robert R Prechter Jr editor The Elliott Wave Theorist THE NEW MARKET WIZARDS Some traders distinguish themselves from the herd These supertraders make millions of dollars sometimes in hours and consistently outperform their peers As he did in his acclaimed national bestseller Market Wizards Jack Schwager interviews a host of these supertraders spectacular winners whose success occurs across a spectrum of financial markets These traders use different methods but they all share an edge How do they do it What separates them from the others What can they teach the average trader or investor In The New Market Wizards these wildly successful traders relate the financial strategies that have rocketed them to success as well as the embarrassing losses that have proven them all too human Meet the Wizards of Wall Street Stan Druckenmiller who as manager of the Soros Quantum Fund realized an average annual return of more than 38 percent on assets ranging between 2.0 and 3.5 billion William Eckhardt a mathematician who in collaboration with trader Richard Dennis selected and trained the now legendary circle known as the Turtles Bill Lipschutz a former architect who for
