Vineyard faced some unique challenges during the American Revolution Neutrality was maintained at the start of the war due to the impact of the British regulations on the fishing and whaling industries While political expediency may have dominated the day Vineyard Patriots protected their homeland against the Royal Navy and contributed to the revolutionary effort against marauding British redcoats In 1778 two key events one involving three young women and the second an armada of forty naval ships crystalized the opinion of Vineyarders that they should no longer remain neutral to British incursions on the Island and more broadly on American soil Join local author Tom Dresser as he reveals the unheralded contributions of islanders to the fight for freedom **Explorer's Guide Cape Cod, Martha's Vineyard & Nantucket**

fledgling literary movement that would evolve into the Harlem Renaissance She circulated among what in essence was the black literary royalty of her times of which she was a signal member By the mid 1940s West had returned to Massachusetts to Martha's Vineyard She began to write a column for the local paper about the comings and goings of island residents and visitors It was her column in the Gazette that drew the attention of former First Lady Jacqueline Kennedy Onassis who on one of her island visits met the author and expressed her admiration Onassis at the time just happened to be an editor at Doubleday When Onassis learned of a decades old manuscript that had been laid aside she urged West to pick up the work again West later dedicated this book To the memory of my editor Jacqueline Kennedy Onassis Though there was never such a mismatched pair in appearance we were perfect partners The authors selected from the Gazette columns that West wrote over the three decades those on people events and nature seemed to have the greatest historic artistic or philosophical import
