Mary Barnes Mary Barnes,Joseph H. Berke,2002-03-01 For thirty years Mary Barnes was a schizophrenic This is the story of her resurrection In 1966 Mary Barnes was a hopeless schizophrenic and Joseph Berke was a young doctor rebelling against the restrictions of American psychiatry This is the story of Barnes s resurrection Berke s devotion and the remarkable friendship that blossomed between them With love and courage they recount a tale of mutual dedication to healing without the use of psychoactive medication chronicling how Barnes emerges from the turmoil of madness as a renowned painter Her artistic development is beautifully illustrated in this volume as a visual analogy for the revolutionary psychic work in which she and Berke were engaged Told by Barnes and Berke together the story overflows with poignancy insight and sensitivity The power of this dual voiced narrative becomes clear as the story progresses from Barnes we hear reflections on the subjective experience of madness and on the often arduous process of healing From Berke we see Barnes from the vantage point of a dedicated clinician the voice who when Barnes risked becoming engulfed by her feelings of disorientation would say Squeeze out your badness into me The richness afforded by this double perspective is what makes Mary Barnes s story as compelling and enthralling as it is Now back in print with the addition of new epilogues by both Barnes and Berke this edition is truly complete Fragmentary onrushing claustrophobic A travelogue through a psychic Walpurgis Night that combines a personal drama of redemption from madness with a profound revolutionary statement on how a free community of souls can interact for the good of its individuals Christopher Lehmann Haupt The New York Times **Mary Barnes** ,1978

women's poetry and fought for equality and recognition in every corner of the education system. They risked their academic futures in the process, but the efforts of those women and others helped change the face and shape of higher learning forever. These 16 essays were written by members of Marsha's Salon and its successors, the Comparative Literature Women's Caucus, a group of female graduate students at UC Berkeley organized in 1969 by Marsha Hudson. The group met for years and helped lead the charge to bring sexual equality to all facets of education. These annotated essays recount the atmosphere of the time that made change necessary, the upheaval brought about by the feminist revolution in education, the direction that the movement took, and the current state of feminist learning in academia. An appendix features period letters and documents from group members regarding the need for changes at Berkeley, as well as statistical information about women's studies and related subjects.
