Masculinity In The Modern West Gender Civilization And The Body Paperback:

Masculinity in the Modern West Christopher E. Forth, 2008-09-16 Across the Western world crisis is the word most commonly used to describe the state of masculinity today but how new is this idea Can we identify a time when masculinity was actually stable and secure Masculinity in the Modern West engages with these questions by examining how traditional ideals about male physical prowess have clashed with the lifestyle changes that accompanied the rise of modern civilization since 1700 In countries like America Britain France Germany and Russia modernity bolstered male dominance in commerce politics technology and the world of ideas yet images of masculinity have continued to be haunted by the negative effects that polite cerebral consumerist and sedentary lifestyles might have on the minds and bodies of men Modernity thus exercises a double logic that supports male privilege while diminishing the physical difference used to legitimate that privilege By focusing on the male body this wide ranging study proposes that crises of masculinity may be structural and thus inescapable features of life in our world

Private Confederacies James J. Broomall, 2019-01-10 How did the Civil War emancipation and Reconstruction shape the masculinity of white Confederate veterans As James J Broomall shows the crisis of the war forced a reconfiguration of the emotional worlds of the men who took up arms for the South Raised in an antebellum culture that demanded restraint and shaped white men to embrace self reliant masculinity Confederate soldiers lived and fought within military units where they experienced the traumatic strain of combat and its privations together all the while being separated from suffering families Military service provoked changes that escalated with the end of slavery and the Confederacy's military defeat Returning to civilian life Southern veterans questioned themselves as never before sometimes suffering from terrible self doubt Drawing on personal letters and diaries Broomall argues that the crisis of defeat ultimately necessitated new forms of expression between veterans and among men and women On the one hand war led men to express levels of emotionality and vulnerability previously assumed the domain of women On the other hand these men also embraced a virulent martial masculinity that they wielded during Reconstruction and beyond to suppress freed peoples and restore white rule through paramilitary organizations and the Ku Klux Klan

Renegade Hero or Faux Rogue Ashley M. Donnelly, 2014-04-22 This book explores the presence of the anti hero in mainstream dramatic serial television It offers critical examinations of Dexter Sons of Anarchy True Blood Breaking Bad and Boardwalk Empire What purpose might such unusual protagonists serve in today's culture and what do their tales tell about U S political and economic issues from 2008 to 2012 The author discovers how the characters that seem initially so different prove to be strong exemplars of established forms of power such as white patriarchy and late capitalist interests The study finds that even when the characters are groundbreaking fictional figures they are all eventually written into submission by the narratives of their series echoing the same tales of fictitious heroism recycled in American television narratives for decades New trends in television narratives are discussed with the expectation that perhaps future dramas will free audiences from oppressive narratives rather than

continue to normalize them "Travel, Collecting, and Museums of Asian Art in Nineteenth-Century Paris " Ting Chang,2017-07-05 Travel Collecting and Museums of Asian Art in Nineteenth Century Paris examines a history of contact between modern Europe and East Asia through three collectors Henri Cernuschi Emile Guimet and Edmond de Goncourt Drawing on a wealth of material including European travelogues of the East and Asian reports of the West Ting Chang explores the politics of mobility and cross cultural encounter in the nineteenth century This book takes a new approach to museum studies and institutional critique by highlighting what is missing from the existing scholarship the foreign labors social relations and somatic experiences of travel that are constitutive of museums yet left out of their histories The author explores how global trade and monetary theory shaped Cernuschi s collection of archaic Chinese bronze Exchange systems both material and immaterial determined Guimet s museum of religious objects and Goncourt s private collection of Asian art Bronze porcelain and prints articulated the shifting relations and frameworks of understanding between France Japan and China in a time of profound transformation Travel Collecting and Museums of Asian Art in Nineteenth Century Paris thus looks at what Asian art was imagined to do for Europe This book will be of interest to scholars and students interested in art history travel imagery museum studies cross cultural encounters and modern transnational histories A Taste of Power

Katharina Vester,2015-10-02 A Taste of Power is an investigation of the crucial role culinary texts and practices played in the making of cultural identities and social hierarchies since the founding of the United States Nutritional advice and representations of food and eating including cookbooks literature magazines newspapers still life paintings television shows films and the internet have helped throughout American history to circulate normative claims about citizenship gender performance sexuality class privilege race and ethnicity while promising an increase in cultural capital and social mobility to those who comply with the prescribed norms The study examines culinary writing and practices as forces for the production of social order and at the same time as points of cultural resistance against hegemonic norms especially in shaping dominant ideas of nationalism gender and sexuality suggesting that eating right is a gateway to becoming an American a good citizen an ideal man or a perfect mother Cookbooks as a low prestige literary form became the largely unheralded vehicles for women to participate in nation building before they had access to the vote or public office for middle class authors to assert their class privileges for men to claim superiority over women even in the kitchen and for Lesbian authors to reinscribe themselves into the heteronormative economy of culinary culture The book engages in close reading of a wide variety of sources and genres to uncover the intersections of food politics and privilege in American culture Provided by publisher

Tolstoy On War Rick McPeak,Donna Tussing Orwin,2012-08-22 In 1812 Napoleon launched his fateful invasion of Russia Five decades later Leo Tolstoy published War and Peace a fictional representation of the era that is one of the most celebrated novels in world literature The novel contains a coherent though much disputed philosophy of history and portrays the history and military strategy of its time in a manner that offers lessons for the soldiers of today To mark the two

hundredth anniversary of the French invasion of Russia and acknowledge the importance of Tolstoy's novel for our historical memory of its central events Rick McPeak and Donna Tussing Orwin have assembled a distinguished group of scholars from diverse disciplinary backgrounds literary criticism history social science and philosophy to provide fresh readings of the novel The essays in Tolstoy On War focus primarily on the novel's depictions of war and history and the range of responses suggests that these remain inexhaustible topics of debate The result is a volume that opens fruitful new avenues of understanding War and Peace while providing a range of perspectives and interpretations without parallel in the vast literature on the novel

Making It Like a Man Christine Ramsay, 2011-10-07 Making It Like a Man Canadian Masculinities in Practice is a collection of essays on the practice of masculinities in Canadian arts and cultures where to make it like a man is to participate in the cultural sociological and historical fluidity of ways of being a man in Canada from the country's origins in nineteenth century Victorian values to its immersion in the contemporary post modern landscape The book focuses on the ways Canadian masculinities have been performed and represented through five broad themes colonialism nationalism and transnationalism emotion and affect ethnic and minority identities capitalist and domestic politics and the question of men's relationships with themselves and others Chapters include studies of well known and more obscure figures in the Canadian arts and culture scenes such as visual artist Attila Richard Lukacs writers Douglas Coupland Barbara Gowdy Simon Chaput Thomas King and James De Mille filmmakers Clement Virgo Norma Bailey John N Smith and Frank Cole as well as familiar and not so familiar tokens of Canadian masculinity such as the hockey hero the gangsta rapper the immigrant farmer and the drag king Making It Like a Man is the first book of its kind to explore and critique historical and contemporary masculinities in Canada with a special focus on artistic and cultural production and representation It is concerned with mapping some of the uniquely Canadian places and spaces in the international field of masculinity studies and will be of interest to academic and culturally informed audiences

The Palgrave Handbook of Masculinity and Sport Rory Magrath, Jamie Cleland, Eric Anderson, 2019-09-04 Over the past two decades there has been a rapid transformation of masculinities in the West largely facilitated by a decline in cultural homophobia The significant changes in the expression of masculinity particularly among younger generations of men have been particularly evident in men's team sports which have become an increasingly diverse and inclusive culture Drawing upon work from a wide range of established and emerging international scholars this handbook provides a comprehensive and interdisciplinary analysis of the contemporary relationship between masculinity and sport It covers a range of areas including history media gender sexuality race violence and fandom considering how they impact a range of different sports across the world Students and scholars across many disciplines will find the unparalleled overview provided by these specially commissioned chapters an invaluable resource

Nationalism and the Politicization of History in the Former Yugoslavia Gorana Ognjenovic, Jasna Jozelic, 2021-03-19 This book is very timely the instrumentalization of history for political goals has become a pressing issue

and worrisome feature of many polities to the point of challenging even the most consolidated democracies Focusing on Yugoslavia's fragile successor states the authors explore plurifold analytical levels including local regional transnational European and global perspectives The authors comprehensively demonstrate how politicizing history in the postwar and postcommunist societies of what was once Yugoslavia has prevented both reconciliation and democratization Sabine Rutar Leibniz Institute for East and Southeast European Studies Germany Ognjenovic and Jozelic focus here on the former Yugoslavia before and after its fragmentation to explore and evaluate the various uses of histories by nationalists both those who promoted federal nationalism and those who peddle specific local nationalisms in successor states The book deals specifically with the Western Balkans but these developments have their parallels in many other parts of the world and the book will be useful well beyond the region on which the study is based Paul Mojzes Professor Emeritus Rosemont College USA The former Yugoslavia has become a battlefield for the Memory Wars in spite of the wealth of judicially established facts and available evidences gathered about the atrocities in the region and various initiatives aimed at dealing with the past and efforts at transitional justice Focusing on three periods of Yugoslav history the Second World War socialist Yugoslavia and the Yugoslav wars of 1991 2001 the contributors show that despite these efforts to deal with the past sustainable peace and reconciliation across ethnic and religious groups remain a distant aim Marijana Toma Center for Cultural Decontamination Serbia This book analyzes how nationalists in the former Yugoslavia have politicized history to further their political agendas retaining and prolonging conflict among different cultural and religious groups and impeding the process of lasting reconciliation It explores how narratives have been mis used drawing on examples from all of the former Yugoslav republics With contributors from a range of disciplinary backgrounds it provides a vital assessment of how nationalists have attempted to re shape public collective memory and relativize facts

Gender, Space, and the Gaze in Post-Haussmann Visual Culture Temma Balducci, 2017-03-27 Charles Baudelaire's *flâneur* as described in his 1863 essay *The Painter of Modern Life* remains central to understandings of gender space and the gaze in late nineteenth century Paris despite misgivings by some scholars Baudelaire's privileged and leisurely figure at home on the boulevards underlies theorizations of bourgeois masculinity and by implication bourgeois femininity whereby men gaze and roam urban spaces unreservedly while women lacking the freedom to either gaze or roam are wedded to domesticity In challenging this tired paradigm and offering fresh ways to consider how gender space and the gaze were constructed this book attends to several neglected elements of visual and written culture the ubiquitous male beggar as the true denizen of the boulevard the abundant depictions of well to do women looking sometimes at men the popularity of windows and balconies as viewing perches and the overwhelming emphasis given by both male and female artists to domestic scenes The book's premise that gender space and the gaze have been too narrowly conceived by a scholarly embrace of Baudelaire's *flâneur* is supported across the cultural spectrum by period sources that include art criticism high and low visual culture newspapers novels prescriptive and travel literature

architectural practices interior design trends and fashion journals *Men Under Fire* Jiří Hutečka, 2019-12-03 In historical writing on World War I Czech speaking soldiers serving in the Austro Hungarian military are typically studied as Czechs rarely as soldiers and never as men As a result the question of these soldiers imperial loyalties has dominated the historical literature to the exclusion of any debate on their identities and experiences *Men under Fire* provides a groundbreaking analysis of this oft overlooked cohort drawing on a wealth of soldiers private writings to explore experiences of exhaustion sex loyalty authority and combat itself It combines methods from history gender studies and military science to reveal the extent to which the Great War challenged these men s senses of masculinity and to which the resulting dynamics influenced their attitudes and loyalties **Investigating the Body in the Victorian Asylum** Jennifer Wallis, 2017-11-14 This book is

open access under a CC BY 4 0 license This book explores how the body was investigated in the late nineteenth century asylum in Britain As more and more Victorian asylum doctors looked to the bodily fabric to reveal the truth of mental disease a whole host of techniques and technologies were brought to bear upon the patient s body These practices encompassed the clinical and the pathological from testing the patient s reflexes to dissecting the brain *Investigating the Body in the Victorian Asylum* takes a unique approach to the topic conducting a chapter by chapter dissection of the body It considers how asylum doctors viewed and investigated the skin muscles bones brain and bodily fluids The book demonstrates the importance of the body in nineteenth century psychiatry as well as how the asylum functioned as a site of research and will be of value to historians of psychiatry the body and scientific practice *Men, Masculinities and Sexualities in Dance* Andria Christofidou, 2021-08-11 This book examines men masculinities and sexualities in Western theatrical dance offering insights into the processes actions and interactions that occur in dance institutions around gender transgressive acts and the factors that set limits to transgression This text uses interview and observation data to analyze the conditions that encourage some boys and young men to become involved in this widely unconventional activity and the ways through which they negotiate the gendered and sexual attachments of their professional identity Most importantly the book analyzes the opportunities male dancers find to develop a reflexive habitus engage in gender transgressive acts and experiment with their sexuality At the same time it approaches gender and sexuality as embodied and therefore as parts of identity that are not as easily amendable This book will be of interest to scholars in Gender and Sexuality Studies as well as Dance and Performance Studies

Routledge Handbook on Men, Masculinities and Organizations Jeff Hearn, Kadri Aavik, David L. Collinson, Anika Thym, 2023-11-24 This Handbook provides new theoretical and empirical insights into men men s practices and masculinities across many kinds of organizations and forms of organizing Most mainstream studies of organizations leadership and management do not seem to notice they are often talking a lot about men and masculinities The Handbook challenges this general tendency to avoid gendering men by bringing together a range of theoretical and methodological approaches that engage with not only formal organizations such as businesses and state organizations but also processes of organizing within

and beyond organizations address emergent and future issues on men masculinities and organizations such as tech masculinities men's emotions sexualities and violence animal advocacy and environmental issues and men and masculinities in pandemics Targeted at scholars policymakers practitioners and students interested in links between men masculinities organizations and organizing this landmark Handbook is an invaluable resource for those working in and beyond such fields as gender studies organization leadership and management studies political science sociology social and public policy and social movement studies Chapter 28 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Studying Men and Masculinities David Buchbinder, 2013 The late twentieth century anxiety about a crisis in masculinity still persists today particularly in English speaking cultures Studying Men and Masculinities offers an engaging and comprehensive overview of masculinity Drawing on a wide range of cultural practices and texts from different genres and media David Buchbinder examines the notion of patriarchy and the challenges to patriarchal power including queer theory The book considers whether crisis may in fact be built into the very structure of the masculine and examines emergent masculinities post 9/11 Theoretical positions within the field are clearly explained and applied to real life case studies from literature film and television Interspersed in each chapter are a series of questions and tasks aimed at encouraging the reader to engage her/himself in the study of masculinities in everyday life and popular culture This topical and thought provoking book will be an invaluable resource for students of masculinities studies sexuality studies cultural studies and gender theory

On the Backs of Others Edward Armston-Sheret, 2024 In the Victorian and Edwardian eras British explorers sought to become respected geographers and popular public figures downplaying or reframing their reliance on others for survival Far from being solitary heroes these explorers were in reality dependent on the bodies senses

curiosity and labor of subaltern people and animals In *On the Backs of Others* Edward Armston Sheret offers new perspectives on British exploration in this era by focusing on the contributions of the people and animals ordinarily written out of the mainstream histories who made these journeys possible He explores several well known case studies of enduring popular and academic interest such as Richard Francis Burton and John Hanning Speke s Nile expeditions 1856 59 and 1860 63 Isabella Bird s travels in North America Persia and East Asia 1872 c 1900 and Captain Robert Falcon Scott s two Antarctic expeditions 1901 4 and 1911 13 Armston Sheret argues that numerous previously ignored stories show the work and agency of subaltern groups In rethinking the history of exploration *On the Backs of Others* offers the first book length study of the relationship between exploration and empire and their legacies within academic geography

Picturing Russia's Men
Allison Leigh, 2020-09-17 Winner of the Heldt Prize for Best Book in Slavic East European and Eurasian Women s and Gender Studies 2021 There was a discontent among Russian men in the nineteenth century that sometimes did not stem from poverty loss or the threat of war but instead arose from trying to negotiate the paradoxical prescriptions for masculinity which characterized the era *Picturing Russia s Men* takes a vital new approach to this topic within masculinity and art historical studies by investigating the dissatisfaction that developed from the breakdown in prevailing conceptions of manhood outside of the usual Western European and American contexts By exploring how Russian painters depicted gender norms as they were evolving over the course of the century each chapter shows how artworks provide unique insight into not only those qualities that were supposed to predominate but actually did in lived practice Drawing on a wide variety of source material including previously untranslated letters journals and contemporary criticism the book explores the deep structures of masculinity to reveal the conflicting desires and aspirations of men in the period In so doing readers are introduced to Russian artists such as Karl Briullov Pavel Fedotov Alexander Ivanov Ivan Kramskoi and Ilia Repin all of whom produced masterpieces of realist art in dialogue with paintings made in Western European artistic centers The result is a more culturally discursive account of art making in the nineteenth century one that challenges some of the enduring myths of masculinity and provides a fresh interpretive history of what constitutes modernism in the history of art

The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
