Crescent Arises over the Banyan Tree Mitsuo Nakamura, 2003-08-01 Part One of this book is based on ethnographic fieldwork conducted by the author during 1970-72 on a local branch of the Muhammadiyah in the town of Kotagede a suburb of Yogyakarta Indonesia This work first published in 1983 observed that the Muhammadiyah social and educational movement had reformed traditional Javanese Islam into a vital living faith and adapted Muslim life to modernity The author was one of the first scholars who had noted that there was continuing Islamization in Indonesia and predicted its progress in the future Part Two is based on the author's three decades of follow up visits to the Kotagede from the 1970s to 2010 During this period the Muhammadiyah movement made enormous advancements enough to make the town known as a Muhammadiyah town On the national level the Muhammadiyah has grown to be the second largest Islamic civil society organization after the traditionalist Nahdlatul Ulama in Indonesia with millions of members and supporters Yet the wider environment for it has been altered greatly by urbanization diversification and globalization It is also facing unprecedented challenges arising from calls for democratization in the post Soeharto era The longitudinal study in this volume depicts the most recent dynamics of the Muhammadiyah movement in a local as well as transhistoric context

Joani Lacy, 2011-10 A calm fell over the attic as the invaders left it to its peace On the window sill a large bird ruffled its feathers and shook its black head It came back to a restful perch and watched with beady eyes as three ghosts appeared a grayish apparition leaning into a cane and dragging his bent body toward a sparkling vision of an ethereal man and woman dancing in the dark In this second novel of what is to become the Hollister House Trilogy Eve Hollister and her family and friends settle into the beautifully restored Victorian mansion to celebrate their first Christmas together confident that the

house is no longer haunted But when Eve and Sippie visit New Orleans that confidence is quickly shattered as lingering ghosts manifest and more of the mysterious Hollister family curse is revealed By taking the reader on an amazing journey through the romantic French Quarter and colorful carnival season of Mardi Gras before traveling back to the Deep South of Mississippi with all its gothic imagery Hollister House The Banyan Tree Awakens brings the fantastic fantasy world of Hollister House to a higher spellbinding level leaving the traveler begging for more Tambo Vasso Vydelingum,2013-07-17

Florida,1995 Located at the juncture of literature history and anthropology *Writing the Past Inscribing the Future* charts a strategy of how one might read a traditional text of non Western historical literature in order to generate with it an opening for the future This book does so by taking seriously a haunting work of historical prophecy inscribed in the nineteenth century by a royal Javanese exile working through this writing of a colonized past to suggest the reconfiguration of the postcolonial future that this history itself apparently intends After introducing the colonial and postcolonial orientalist projects that would fix the meaning of traditional writing in Java Nancy K Florida provides a nuanced translation of this particular traditional history a history composed in poetry as the dream of a mysterious exile She then undertakes a richly textured reading of the poem that discloses how it manages to escape the fixing of tradition Adopting a dialogic strategy of reading Florida writes to extend as the work's Javanese author demands this history's prophetic potential into a more global register Babad Jaka Tingkir the historical prophecy that *Writing the Past Inscribing the Future* translates and reads is uniquely suited for such a study Composing an engaging history of the emergence of Islamic power in central Java around the turn of the sixteenth century Babad Jaka Tingkir was written from the vantage of colonial exile to contest the more dominant dynastic historical traditions of nineteenth century court literature Florida reveals how this history's episodic form and focus

on characters at the margins of the social order work to disrupt the genealogical claims of conventional royal historiography thus prophetically to open the possibility of an alternative future **Indrani** Amit Ghosh,2024-04-18 In Indrani Legends of Kankar Nagari the stories weave together a mystical landscape rich with divine encounters and human trials The tale of Kubja in Tilotamma introduces a world where the magical and the mundane merge setting the tone for the tales that follow The Last Wazir carries forward this blend of the earthly and the ethereal exploring the heavy costs of power and betrayal In Bharati we delve deeper into the spiritual heritage of Kankar Nagari complementing Kubja's spiritual awakenings Further stories like The Forbidden Forest and Sahastrayoni expand on this enchanted setting introducing new faces whose destinies are deeply entwined with the mystical forces of their homeland Ras tala Lok and Ashvins venture into realms beyond the immediate reach of Kankar Nagari continuing the exploration of redemption and supernatural influences Together these tales form a continuous narrative each enriching the collective story of a land where legends live and breathe □□□□□□□□□□□□
