even though he relays events of great carnage and tragedy Here we publish his account the Great Boer War **The Great Boer War** Sir Arthur Conan Doyle,2020-12-01 The Crock of Gold 1912 one of three original novels by James Stephens is a work only a master of fiction and folklore could imagine Taking up the major philosophical and psychological concerns of the early twentieth century over a decade before works by T S Eliot James Joyce and Virginia Woolf among others would cement literary Modernism s place in history Stephens novel is a groundbreaking and important work The text centers on the Philosopher and his wife the Thin Woman who undergo a series of journeys and harrowing trials Faced with danger both human and divine the two characters are forced to weather the winds of change in order to change themselves Divided into six books The Crock of Gold no doubt inspired by the Irish oral tradition of storytelling follows the Philosopher s quest to save the most beautiful woman in the world his encounter with the gods who have captured her his return home and arrest for murder he has been framed by leprechauns incensed at the loss of their crock of gold and finally the Thin Woman s quest to find the fabled Three Infinites James Stephens The Crock of Gold is perhaps unparalleled in its ability to weave together ancient narrative techniques mythological sources and such dominant themes of its day as gender equality and humanity s quest for self understanding beyond the traditional boundaries of faith and religion It is also a darkly comic novel full of ironic political commentary and suspiciously human conversations situated within the animal world Most popular of Stephens works The Crock of Gold conceals in its humorous irreverent outlook a deeply serious ultimately reverent love for the human soul unsurprising for an author whose life was marked with difficulty from the very beginning With a beautifully designed cover and professionally typeset manuscript this new edition of James Stephens The Crock of Gold is a classic of Irish literature reimagined for modern readers The Great Boer War (1900) Arthur Conan Doyle,2012-11-01 This early work by Arthur Conan Doyle was originally published in 1900 and we are now republishing it with a brand new introductory biography Arthur Conan Doyle was born in Edinburgh Scotland in 1859 It was between 1876 and 1881 while studying medicine at the University of Edinburgh that he began writing short stories and his first piece was published in Chambers s Edinburgh Journal before he was 20 In 1887 Conan Doyle s first significant work A Study in Scarlet appeared in Beeton s Christmas Annual It featured the first appearance of detective Sherlock Holmes the protagonist who was to eventually make Conan Doyle s reputation A prolific writer Conan Doyle continued to produce a range of fictional works over the following years We are republishing these classic works in affordable high quality modern editions using the original text and artwork *The Great Boer War (Annotated)* Arthur Conan Doyle,2016-04-26 The Great Boer War is a non fiction work on the Boer War by Arthur Conan Doyle and first published in 1900 by Smith Elder and Co By the end of the war in 1902 the book had been published in 16 editions constantly revised by Doyle *The Great Boer War* Arthur Conan Doyle, Sir,2017-09-07 Sir Arthur Conan Doyle made his name and cemented his literary reputation as the master of detective fiction with the Sherlock Holmes tales but his wide ranging interests led him to produce a remarkable array of books over the

course of his career This is his meticulously researched account of England's war with the Boers in South Africa which he wrote while the conflict was still underway **The Great Boer War Arthur Conan Doyle** Arthur Conan Doyle,2016-11-21 The Great Boer War is a non fiction work on the Boer War by Arthur Conan Doyle and first published in 1900 by Smith Elder Co By the end of the war in 1902 the book had been published in 16 editions constantly revised by Doyle The Introduction describes the book as A very thorough account including tables at the end of those killed or wounded up until the 8th September when he left South Africa This account is compiled with as much accuracy as was attainable at this date and with as much detail as a single volume will permit In frequent conversations with Boers Conan Doyle has endeavoured to get their views upon both political and military questions Often the only documents he had to consult were the convalescent officers and men under his care therefore some errors may have crept in The closing scenes of the Boer War have necessarily been treated with less detail than the earlier The book was completed in September 1900 at a time when the British believed that the war was over However the war continued until 1902 *The Great Boer War (Illustrated Edition)* SIR ARTHUR CONAN. DOYLE,2017-01-26 Conan Doyle's account of the Boer War was completed in September 1900 at a time when the British believed the war was over and first published that year by Smith Elder Co The author constantly revised it and by the end of the war in 1902 the book had been published in 16 editions It is reprinted from the final edition complete with maps and an appendix showing the numbers of those killed and wounded **The Great Boer War** Arthur Conan Doyle,2021-01-01 The Great Boer War is a non fiction work on the Boer War by Arthur Conan Doyle It was first published in the year 1900 By the end of the war in 1902 the book had been published in 16 editions constantly revised by Doyle *The Great Boer War* Arthur Conan Doyle, Sir,2013-03-23 Conan Doyle's The Great Boer War is the author's account of the military and political views of the war This non fiction account was first published in 1900 and includes tables of those killed and wounded up until he left South Africa The book was written while the British believed that the war was over when it in fact continued for two more years **The Great Boer War** Arthur Conan Doyle,2018-10-11 The Great Boer War Large Print By Arthur Conan Doyle It may come as a surprise that the creator of Sherlock Holmes wrote a history of the Boer War The 40 year old novelist wanted to see the war first hand as a soldier but the Victorian army balked at having a popular author wielding a pen in its ranks The army did accept him as a doctor and Doyle was knighted in 1902 for his work with a field hospital in Bloemfontein Doyle's vivid description of the battles is probably thanks to the eye witness accounts he got from his patients *The Great Boer War* Sir Arthur Conan Doyle,2019-02-10 Arthur Conan Doyle made his reputation as a novelist but far stranger than fiction is the creator of Sherlock Holmes tale of the Boer War in South Africa The then 40 year old novelist wanted to see the war first hand as a soldier but the Victorian army balked at having a popular author wielding a pen in its ranks The army did accept him as a doctor and Doyle was knighted in 1902 for his work with a field hospital in Bloemfontein Doyle's vivid account of the battles is in part thanks to the eye witness accounts he got from his patients Doyle has thoroughly mastered

the details of the campaign and presents them in a form that can be easily understood Furthermore his descriptions of the various engagements are masterpieces of graphic writing The Great Boer War (Illustrated) Arthur Conan Doyle,2018-01-03 CHAPTER 1 THE BOER NATIONS Take a community of Dutchmen of the type of those who defended themselves for fifty years against all the power of Spain at a time when Spain was the greatest power in the world Intermix with them a strain of those inflexible French Huguenots who gave up home and fortune and left their country for ever at the time of the revocation of the Edict of Nantes The product must obviously be one of the most rugged virile unconquerable races ever seen upon earth Take this formidable people and train them for seven generations in constant warfare against savage men and ferocious beasts in circumstances under which no weakling could survive place them so that they acquire exceptional skill with weapons and in horsemanship give them a country which is eminently suited to the tactics of the huntsman the marksman and the rider **The Great Boer War** Sir Arthur Conan Doyle,2010-10 A great writer s take on the war of his time Several famous British novelists at the turn of nineteenth and twentieth centuries departed from the kinds of books that had brought them fame to write factual accounts of the momentous events of their own times Most were writers of historical fiction and some were enthusiastic collectors of military history and staunch supporters of British imperialism so it was perhaps inevitable that they would write of the unfolding events of empire Notable among these authors were Rudyard Kipling John Buchan and the author of this Boer War history the famous creator of Sherlock Holmes and Brigadier Gerard Sir Arthur Conan Doyle One might expect that Doyle would show a jingoistic bias towards all matters British and there certainly is an element of that within these pages but in the main he took his role as historian seriously and produced a comparatively well balanced work on the Boer political position and their abilities as a military force However irrespective of perspective Conan Doyle s book displays a reliable skill in penmanship that is both distinctive and entertaining He began this substantial book while the war was being fought but this edition represents its fourth and final edition completed in 1904 some time after the last shot had been fired It comprehensively covers the entire conflict and the text includes five useful campaign maps This is an essential addition to the library of the history of the Boer War as well as for those who simply enjoy Conan Doyle s craft Available in softcover and hardcover with dust jacket The Great Boer War (Annotated and Illustrated) Sir Arthur Conan Doyle,2017-03-14 This Book is annotated it contains a detailed biography of the author An active Table of Contents has been added by the publisher for a better customer experience This book has been checked and corrected for spelling errors The Great Boer War is a non fiction work on the Boer War by Arthur Conan Doyle and first published in 1900 by Smith Elder Co By the end of the war in 1902 the book had been published in 16 editions constantly revised by Doyle The Introduction describes the book as A very thorough account including tables at the end of those killed or wounded up until the 8th September when he left South Africa This account is compiled with as much accuracy as was attainable at this date and with as much detail as a single volume will permit In frequent conversations with Boers Conan

Doyle has endeavoured to get their views upon both political and military questions. Often the only documents he had to consult were the convalescent officers and men under his care; therefore some errors may have crept in. The closing scenes of the Boer War have necessarily been treated with less detail than the earlier. The book was completed in September 1900 at a time when the British believed that the war was over. However the war continued until 1902.
