Did Anything Good Come Out of the Great Depression? Emma Marriott, 2015-12-15 While the Great Depression was indisputably a difficult period in American history it did lead to certain developments that we still benefit from today One for the most significant examples of this is Social Security which helps a whole generation of retired Americans The book offers a clear concise description of the Great Depression including both its causes and its effects Chapters focus on different aspects of the period including culture the arts and science and technology The dynamic design features posters and photographs from the Depression era This informative multifaceted history of the period brings the Great Depression to vivid life Did

Anything Good Come Out of the Vietnam War? Philip Steele, 2015-12-15 This compelling book makes readers think about the Vietnam War in a different way It asks tough questions such as if there was any benefit to a war that not only killed millions but also divided America split generations and created a rift between America and the rest of the world With dynamic spreads featuring pictures and easy to follow text this book will inspire readers not only to study history but also to ask the all important critical questions about the past so that we don't make the same mistakes **Did Anything Good Come Out**

of World War II? Emma Marriott, 2015-12-15 After such a destructive and costly war few would have anticipated the important positive global changes that came after World War II However this title takes a tour of all the ingenious innovations that came in the wake of that war A brief recap of the conflict provides context before the text explores the advances made in weaponry medicine and international cooperation Attention is given to many of the challenging debates that arose postwar including conflict between newly independent nations and the rise of the Cold War fueling critical thinking about the impact positive and negative of adversity *Did Anything Good Come Out of World War I?* Philip

Steele, 2015-12-15 The immediate legacy of World War I the first truly global conflict was devastation loss and tragedy However a century later we still benefit from many of the indirect results of the war including life saving medical advances and popular consumer items like tea bags and wristwatches This thought provoking volume tackles its title question by examining the causes and effects of World War I Readers learn how the Great War precipitated social cultural political and medical strides even as it claimed lives and livelihoods The narrative's balanced perspective encourages readers to think deeply about the positive and negative effects of war Did Anything Good Come Out of the Cold War? Paul

Mason, 2015-12-15 The Cold War was a conflict between the United States and the Soviet Union that partly manifested itself as a race to conquer space The Soviet Union launched the first satellite into orbit in 1957 while twelve years later the United States put the first humans on the moon Some of the many technological feats required for space travel trickled down into everyday life such as satellite television bar codes and joysticks This resource highlights innovations that arose from the Cold War demonstrating how this long conflict helped shape today's world in some positive ways *Real-World Projects to*

Explore the New Deal Alexis Burling, 2018-07-15 Following the stock market crash of 1929 the United States plummeted into

the Great Depression and unemployment soared But when Franklin D Roosevelt took office the following year he enacted federal programs financial regulations and public works projects to boost the economy and put America back together In this instructive volume students will discover fascinating facts and little known details about this series of reforms called the New Deal They ll also be able to choose from a variety of hands on projects from map making to writing and performing a speech to designing and creating a brochure in order to both broaden and deepen their learning experience and share what they know with their peers

Favorite Songs of the Good Old Days Ken Tate,Janice Tate,2004
Favorite Songs that people sang in the old days **The American Way of Life** Lawrence R. Samuel,2017-05-25 Telling the full story of the American Way of Life or more simply the American Way in the United States over the course of the last century reveals key insights that add to our understanding of American culture Lawrence R Samuel argues that since the term was popularized in the 1930s the American Way has served as the primary guiding mythology or national ethos of the United States More than that however this work shows that the American Way has represented many things to many people making the mythology a useful device for anyone wishing to promote a particular agenda that serves his or her interests A consumerist lifestyle supported by a system based in free enterprise has been the ideological backbone of the American Way but the term has been attached to everything from farming to baseball to barbecue There really is no single identifiable American Way and never has been it becomes clear after tracing its history making it a kind of Zelig of belief systems If our underlying philosophy or set of values is amorphous and nebulous then so is our national identity and character Samuel concludes implying that the meaning of America is elastic and accommodating to many interpretations This unique thesis sets off this work from other books and helps establish it as a seminal resource within the fields of American history and American studies

How Come Nothing Ever Kills Granddad? Patrick M. Sheridan,2009-09-23 For seventy years Pat Sheridan has lived an extraordinary and lucky life He faced lifes problems without ever losing his sense of humor his spirit or his optimistic outlook His autobiography takes us inside a family of twelve children raised in Detroit and shows us the funny side of growing up in a large family in the post war years He gives us a very candid look at life in the United States Army in the nineteen sixties His civic and political activities led him to meetings and shared speaking engagements with U S Senators Vice Presidents of the United States and a meeting in the Oval Office with President Richard Nixon We follow his business career with a no holds barred look at the people he worked with as he progressed toward becoming the Chief Executive Officer of several companies As Executive Vice President and Chief Financial Officer of a Fortune 500 company he worked with the financial giants of Wall Street Pat and his wife

Diane took their family on annual vacations that eventually brought them to thirty countries His insights and the humorous incidences that they encounter make for an irreverent tour guide for traveling abroad Having survived several cancer operations hepatitis C cirrhosis of the liver diabetes dozens of kidney stones and more than a dozen other surgeries and diseases he calls himself Gods lab rat His latest cancers led his granddaughter to ask her mother How come nothing ever kills granddad *Vampire with Benefits* E.J. Russell,2018-11-16 A match between a vampire and shifter could be deadly but this broken beaver doesn't give a dam Silent film actor Casimir Moreau had imagined that life as a vampire would be freewheeling and glamorous Instead he's plunged into a restrictive society whose rules he runs afoul of at every turn To rehabilitate him the vampire council orders him mated to an incubus with impeccable breeding who'll mold Cas into the upstanding vampire he ought to be Or else As an inactive beaver shifter construction engineer Rusty Johnson has fought and overcome bias and disrespect his entire life But when his longtime boyfriend leaves him for political reasons Rusty is ready to call it a day Next stop Supernatural Selection and his guaranteed perfect mate a bear shifter living far away from Rusty's disapproving clan But then a spell snafu at Supernatural Selection robs both men of their intended husbands Rusty can't face returning to his clan and Cas needs somebody on his arm to keep the council happy so they agree to pretend to be married Nobody needs to know their relationship is fake especially since it's starting to feel suspiciously like the real thing BION [Believe It Or Not] Bob Kat,2013-07-25 BION Believe It Or Not Book 3 of the CUL8R Time Travel Mystery Romance series Change the past Save the future Four high school friends are able to do two things no one else on the planet can do talk with dead people and time travel to the past However Kelly who lost her phone during their last adventure is temporarily grounded She worries that her new friends will time travel without her leaving her all alone in her new home in Ft Myers Beach Florida But they surprise her on her birthday and soon they are back in Scott's lab listening to the old radio that Thomas Edison had invented and called The Telephone to the Dead As they slowly turn the dial Kelly Scott Austin and Zoey hear hundreds of sad lonely voices of souls that have passed but apparently never moved on pleading for help When they first discovered the radio in Kelly's aunt's garage they had been touched by the cries and pleas coming from its speakers but they had no way to go back in time to help them That is until Scott reveals an invention of his own a time travel app They've already tested it twice with both trips being very successful but not without danger Even though they returned with a few scrapes and bruises and even a gunshot wound they are eager to go on a new adventure and help solve a mystery A young woman's voice comes through and asks them to find her twin brother Jesse who had run away to the circus in 1927 then disappeared and was never heard from again Going back and living with a circus sounds like fun Plus an old book written by his sister provides a glimpse into the past as well as a photo of Jesse a photo that grabs their attention and sets the girls hearts racing They land in a cornfield in Wichita Falls Texas as the circus is setting up It doesn't take them long to discover that circus life is not all glamour and fun it's a lot of hard work As usual they jump in and quickly find jobs places to sleep and

new friends But most importantly they find Jesse Now all they have to do is keep him alive For Zoey and Jesse it s love at first sight It s a first romance for both of them and their love blossoms as they travel from city to city Zoey knows she s too young to settle down and that Jesse is from a different time and culture but her feelings for him are strong Her and her friends time travel mission has taken on a new dimension Should they be successful and save his life will Zoey be able to let him go Is it possible for him to come to 2013 with her Is it possible for her to stay in 1927 with him Ultimately can she give up everything she has in the present for true love in the past Jesse s talent working with the big cats catches the attention of the Martin Maxwell the owner of the circus Maxwell promotes him to the center ring as a replacement for their current lion tamer who is planning on moving up to the Ringling and Barnum Bailey Circus Unfortunately not everyone shares Zoey s love for Jesse and wants him to disappear forever Kelly Scott Austin and Zoey must figure out who wants Jesse dead and stop him or her before Jesse s fate is sealed Book 1 OMG Oh My God a time travel mystery romance back to 1966 was awarded The Best Young Adult Indie Book in 2013 and was a Finalist in the Beverly Hills Book Awards for 2013 Book 2 BRB Be Right Back a time travel mystery romance back to 1980 was a Readers Favorite for 2013 **The Metropolitan Tabernacle Pulpit**

Charles Haddon Spurgeon,1856 **Industrial Poverty** Sven R. Larson,2016-05-23 Conventional wisdom says that Europe s crisis is a financial crisis But is this really the case In Industrial Poverty economist Sven R Larson challenges this view and suggests instead that Europe is in a state of permanent economic decline The crisis says Larson is in fact a welfare state crisis Over decades government has grown too big for the private sector to pay for when the recession hit in 2008 most European economies could no longer bear the burden of the welfare state Raging deficits accelerating unemployment and harsh austerity policies hurled the continent into more than a regular recession Europe is entering a new economic state industrial poverty Using Sweden in the 1990s as an example Larson shows how a welfare state crisis combined with the wrong kind of austerity policies replaces prosperity with industrial poverty In a desperate effort to balance the budget and save the welfare state in the midst of the crisis the Swedish government subjected the country to some of the toughest austerity measures on record The outcome was a permanent reduction in the standard of living for Swedish families as well as the standard of government services Today Europe is going through the same transition into industrial poverty Tomorrow it could be the United States unless Congress and the President take decisive action against the runaway budget deficit

Shadows of Things to Come Rick Joyner,2001-04-08 One of the greatest sources of prophetic vision is found by better understanding our past says Rick Joyner I studied Christ s interaction with the apostles as well as the life of the early church to be obedient to a heavenly vision in which I was told that I would not be able to accurately foresee the future until I understood the past In this important book Joyner looks at the life and ministry of the apostles and of later generations so that Christians today can close the openings the enemy has used to gain entry and do his deadly work He examines the successes and failures of Christians of the past so we can better understand how to be God s servants today
