Kottler, Ellen Kottler, 2012-11-26 Teaching is not just a job but a life journey Although your contact with a student may be as brief as a single year the impact can be felt across a lifetime Jeffrey and Ellen Kottler help you navigate the typical milestones challenges and joys you're likely to face illuminating the path along the way **Strategies for Writing from Sources** Jessica Hathaway, 2016-01-01 Students in today's classrooms must be able to draw evidence reasons and ideas from various sources This invaluable classroom resource offers practical easy to use strategies to help students analyze any text and use it as a source in their own writing Sample lessons guide students to use the provided text both as a source for information as well as a mentor text Each section includes 5 lessons tailored to the specific grade spans and correlations to state standards for each grade span are also included **Youth Entrepreneurship** Chris Ehiobuche, Chizoba Madueke, 2017-02-10 The challenges and opportunities facing the Nigerian youths demand rethinking of new ways of doing things Youth unemployment and underemployment are at a record high More than ever the Nigerian youths are in dire need of finding other avenues to explore in pursuit of life endeavors Youth employment underemployment and unemployment are serious concerns for our society civilization and the nation Ehiobuche and Madueke took a different approach to discussing and presenting a practical approach to youth entrepreneurship from the notion of a shared responsibility for the change of mindset from falling into the victims theory dimensions to intelligent ventures and resilience Their model presents insight on how a paradigm shift among the youths and the society in general from job search to business development may well lead to entrepreneurs and self-productive citizens The authors hope to inspire inform and encourage today's youths to become tomorrow's entrepreneurs leaders and good citizens Making the transition from seeking employment unemployment or underemployment to self-employment entrepreneurship is the primary purpose of this book The topics include the following Conquering personal and cultural roadblocks to entrepreneurship Shifting mental and physical focus from employee to employer Avoiding common pitfalls in starting and running a sustainable small business Making the best out of being a youth The authors urge the Nigerian youths to avoid falling into a victim mentality and start their paradigm shift into the mindsets of entrepreneurs *Alienation From Schooling (1986)* Peter Fensham, 2018-01-17 Originally published in 1986 this book presents three full case studies of secondary school communities in Australia one city school in a working class area one community school serving a wide more

rural area and a school with an academic tradition in the suburbs of a large city The material is drawn together to discuss and describe the issues revealed by the studies these include discipline boredom staff student relations and the relevance of school work to the outside world The book includes interviews with both students and teachers recording the reactions of students to the way they are being taught and their views on whether it is worth working hard at school when there is no certainty of a job at the end of it The philosophy of the teachers emerges in the interviews as do their views on the prospect of changing students attitudes from those acquired at home and on the need for vocational rather than academic courses What also comes out in the interviews is their realistic attitudes to their students future job prospects and their views on alternative courses which could prepare the pupils for life rather than for a specific job The book also includes an account of how the case studies were undertaken and reported The methodological chapters set out some of the dilemmas and the possibilities in the study of such complex human situations

Teacher Proof Tom Bennett, 2013-07-04 Tom Bennett is the voice of the modern teacher Stephen Drew Senior Vice Principal Passmores Academy UK featured on Channel 4's *Educating Essex* Do the findings from educational science ever really improve the day to day practice of classroom teachers Education is awash with theories about how pupils best learn and teachers best teach most often propped up with the inevitable research that proves the case in point But what can teachers do to find the proof within the pudding and how can this actually help them on wet Wednesday afternoon Drawing from a wide range of recent and popular education theories and strategies Tom Bennett highlights how much of what we think we know in schools hasn't been proven in any meaningful sense at all He inspires teachers to decide for themselves what good and bad education really is empowering them as professionals and raising their confidence in the classroom and the staffroom alike Readers are encouraged to question and reflect on issues such as the most common ideas in modern education and where these ideas were born the crisis in research right now how research is commissioned and used by the people who make policy in the UK and beyond the provenance of education research who instigates it who writes it and how to spot when a claim is based on evidence and when it isn't the different way that data can be analysed what happens to the research conclusions once they escape the laboratory Controversial erudite and yet unremittingly entertaining Tom includes practical suggestions for the classroom throughout This book will be an ally to every teacher who's been handed an instruction on a platter and been told the research proves it

Daily Skill Builders: Reading 4-5, Winston Churchill - *the Wilderness Years* Martin Gilbert, 2011-12-18 The public owes a great debt to Martin Gilbert for producing this book This more concise account of Churchill's long period out of office 1929-39 lacks nothing Contemporary Review In 1928 Winston Churchill was at the height of his career Chancellor of the Exchequer and a powerful and popular orator leadership of the Conservative Party seemed within his grasp A year later all had changed The Conservatives were defeated and when a National Government was formed in 1931 Churchill was not asked to join it Though he was a lone figure from this point his acute political sense foresight and courage were undiminished Fed

with secret inside information Churchill consistently warned of the Nazi danger even before the rise of Hitler The British government led by Stanley Baldwin and later Neville Chamberlain fought him at every turn even refusing him the right to broadcast But he never gave up It was as a direct result of his dogged perseverance that the British public came to realise the truth of his warnings and a bond was formed that would be so vital in the years to come
