analysis of leitmotif of American Dream or American Nightmare

The American Dream is a concept that has been around since the early 20th century. It is the idea that anyone can achieve success and wealth through hard work and determination. In the novel, Gatsby represents the American Dream, as he has achieved a great deal of wealth and success through his own efforts. However, the novel also suggests that the American Dream is a nightmare, as Gatsby's success is built on a foundation of lies and deception.

Gatsby's dream is to win back Daisy, who he believes is the only person who can make him truly happy. However, Daisy is married to Tom, and Gatsby's dream is ultimately doomed to fail. The novel suggests that the American Dream is a nightmare because it is based on a false promise of happiness and success.
