Ecocriticism Associate Professor Sustainability Greg Garrard, Greg Garrard, 2004-07-31 This text is one of the first introductory guides to the field of literary ecological criticism It is the ideal handbook for all students new to the disciplines of literature and environment studies ecology and green studies

[The Oxford Handbook of Ecocriticism](#) Greg Garrard, 2014-07-03 The Oxford Handbook of Ecocriticism provides a broad survey of the longstanding relationship between literature and the environment The moment for such an offering is opportune in many respects multiple environmental crises are increasingly inescapable at both transnational and local levels the role of the humanities in addition to technology and politics is increasingly recognized as central for exploring and finding solutions and the subject of ecocriticism has reached a kind of critical mass both within its Anglo American heartlands and beyond From its origins in the study of American Nature Writing and British Romanticism ecocriticism has developed along numerous theoretical historical cultural and geographical axes the most contemporary and exciting of which will be represented in the Handbook The contributors include eminent founders of the field including Michael Branch and Richard Kerridge a number of key second wave ecocritics and the best up and coming scholars Topics covered include Renaissance anxieties about nature the challenges of representing climate change the racialization of the environment in the early 20th century language and the concept of biosemiotics and the possibilities for

environmental humour *Climate Change Scepticism* Greg Garrard, Axel Goodbody, George B. Handley, Stephanie Posthumus, 2019-02-07 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com Climate Change Scepticism is the first ecocritical study to examine the cultures and rhetoric of climate scepticism in the UK Germany the USA and France Collaboratively written by leading scholars from Europe and North America the book considers climate skeptical texts as literature teasing out differences and challenging stereotypes as a way of overcoming partisan political paralysis on the most important cultural debate of our time **Essays in Ecocriticism** Rayson K. Alex, 2007 Contributed papers presented at two ecocriticism conferences organized by Indian Association for Studies in Contemporary Literature in English et al **Teaching Ecocriticism and Green Cultural Studies** G. Garrard, 2016-01-12 Ecocriticism is one of the most vibrant fields of cultural study today and environmental issues are controversial and topical This volume captures the excitement of green reading reflects on its relationship to the modern academy and provides practical guidance for dealing with global scale interdisciplinarity apathy and scepticism

Perspectives on Ecocriticism Ingemar Haag, Karin Molander Danielsson, Marie Öhman, 2019-05-08 This volume gathers together papers presented at the conference Ecocriticism in the Nordic Countries Yesterday Today Tomorrow held in Vster s Sweden in 2017 organized by the research group Ecocritical Forum at M lardalen University The conference which was an attempt to survey local ecocritical activities transcended Nordic boundaries engaging scholars from Europe and the United States This expansion from the local to the global mirrors the subject of the conference ecocriticism a cross disciplinary field of research in the intersection of environmental issues and cultural expressions The chapters here engage with topical issues such as the Anthropocene sustainability in education and civilizational critique as well as schools of thought such as materialism dark ecology and animal studies The contributions discuss several types of cultural expressions including film and other visual media university course design and Nordic and English language novels and poetry This volume will attract the interest of readers from a number of different backgrounds both in the Nordic countries and internationally **Ireland and Ecocriticism** Éoin Flannery, 2015-10-05 This book is the first truly interdisciplinary intervention into the burgeoning field of Irish ecological criticism Providing original and nuanced readings of Irish cultural texts and personalities in terms of contemporary ecological criticism Flannery s readings of Irish literary fiction poetry travel writing non fiction and essay writing are ground breaking in their depth and scope Explorations of figures and texts from Irish cultural and political history including John McGahern Derek Mahon Roger Casement and Tim Robinson among many others enable and invigorate the discipline of Irish cultural studies and international ecocriticism on the whole This book addresses the need to impress the urgency of lateral ecological awareness and responsibility among Irish cultural and political commentators to highlight continuities and disparities between Irish ecological thought writing and praxis and those of differential international writers critics and activists and to establish both the singularity and contiguity of Irish ecological criticism to the wider international

field of ecological criticism With the introduction of concepts such as ecocosmopolitanism deep history ethics of proximity Gaia Theory urban ecology and postcolonial environmentalism to Irish cultural studies it takes Irish cultural studies in bracing new directions Flannery furnishes working examples of the necessary interdisciplinarity of ecological criticism and impresses the relevance of the Irish context to the broader debates within international ecological criticism Crucially the volume imports ecological critical paradigms into the field of Irish studies and demonstrates the value of such conceptual dialogue for the future of Irish cultural and political criticism This pioneering intervention exhibits the complexity of different Irish cultural and historical responses to ecological exploitation degradation and social justice **Ibero-American**

Ecocriticism J. Manuel Gómez, 2024-02-19 Ibero American Ecocriticism Cultural and Social Explorations presents a distinct view of the diverse social and physical geographies of the Americas their political and cultural connections to the Iberian Peninsula and their relationship to the environment in its diverse representations The topics ranging from myths and legends poetics young adult literature arts and performance to cinematography by women dialogue across chapters reveal a persistent usage of nature and environment as recurrent themes Through visual and plastic arts as well as poetic narratives of social utopias dystopias the contributors provide original readings on the effects of societal views and struggles to protect and consciously exploit the natural world The uniqueness of this book relies therefore on the geographical and cultural approach to the poetics of nature and its metaphorical and physical embodiment place and geography through utopian and dystopian world recreation and representation and finally the nexus with ecology and social actors Southeast Asian Ecocriticism John Charles Ryan, 2017-11-08 Southeast Asian Ecocriticism presents a timely exploration of the rapidly expanding field of ecocriticism through its devotion to the writers creators theorists traditions concerns and landscapes of Southeast Asian countries While ecocritics have begun to turn their attention to East and South Asian contexts and particularly to Chinese and Indian cultural productions less emphasis has been placed on the diverse environmental traditions of Southeast Asia Building on recent scholarship in Asian ecocriticism the book gives prominence to the range of theoretical models and practical approaches employed by scholars based within and located outside of the Southeast region Consisting of twelve chapters Southeast Asian Ecocriticism includes contributions on the ecological prose poetry cinema and music of Indonesia Malaysia Myanmar the Philippines Thailand and Vietnam The authors emphasize the transnational exchanges of materials technologies texts motifs and ideas between Southeast Asian countries and Australia England Taiwan Formosa and the United States From environmental hermeneutics postcolonial studies indigenous studies and ecofeminism to critical plant studies ecopoetics and ecopedagogy the edited collection embodies the dynamic breadth of interdisciplinary environmental scholarship today Southeast Asian Ecocriticism foregrounds the theories practices and prospects of ecocriticism in the region The volume opens up new directions and reveals fresh possibilities not only for ecocritical scholarship in Southeast Asia but for a comparative environmental criticism that transcends political boundaries and national

canons The volume highlights the important role of literature in heightening awareness of ecological issues at local regional and global scales **Ecocritical Shakespeare** Lynne Bruckner, Dan Brayton, 2016-04-29 Can reading writing about and teaching Shakespeare contribute to the health of the planet To what degree are Shakespeare's plays anthropocentric or ecocentric What is the connection between the literary and the real when it comes to ecological conduct This collection engages with these pressing questions surrounding ecocritical Shakespeare in order to provide a better understanding of where and how ecocritical readings should be situated The volume combines multiple critical perspectives juxtaposing historicism and presentism as well as considering ecofeminism and pedagogy and addresses such topics as early modern flora and fauna and the neglected areas of early modern marine ecology and oceanography Concluding with an assessment of the challenges and necessities of teaching Shakespeare ecocritically **Ecocritical Shakespeare** not only broadens the implications of ecocriticism in early modern studies but represents an important contribution to this growing field

Handbook of Ecocriticism and Cultural Ecology Hubert Zapf, 2016-05-10 Ecocriticism has emerged as one of the most fascinating and rapidly growing fields of recent literary and cultural studies From its regional origins in late twentieth century Anglo American academia it has become a worldwide phenomenon which involves a decidedly transdisciplinary and transnational paradigm that promises to return a new sense of relevance to research and teaching in the humanities A distinctive feature of the present handbook in comparison with other survey volumes is the combination of ecocriticism with cultural ecology reflecting an emphasis on the cultural transformation of ecological processes and on the crucial role of literature art and other forms of cultural creativity for the evolution of societies towards sustainable futures In state of the art contributions by leading international scholars in the field this handbook maps some of the most important developments in contemporary ecocritical thought It introduces key theoretical concepts issues and directions of ecocriticism and cultural ecology and demonstrates their relevance for the analysis of texts and other cultural phenomena **International**

Perspectives in Feminist Ecocriticism Greta Gaard, Simon C. Estok, Serpil Oppermann, 2013-06-07 Exploring environmental literature from a feminist perspective this volume presents a diversity of feminist ecocritical approaches to affirm the continuing contributions relevance and necessity of a feminist perspective in environmental literature culture and science Feminist ecocriticism has a substantial history with roots in second and third wave feminist literary criticism women's environmental writing and social change activisms and eco cultural critique and yet both feminist and ecofeminist literary perspectives have been marginalized The essays in this collection build on the belief that the repertoire of violence conceptual and literal toward nature and women comprising our daily lives must become central to our ecocritical discussions and that basic literacy in theories about ethics are fundamental to these discussions The book offers an international collection of scholarship that includes ecocritical theory literary criticism and ecocultural analyses bringing a diversity of perspectives in terms of gender sexuality and race Reconnecting with the histories of feminist and ecofeminist

literary criticism and utilizing new developments in postcolonial ecocriticism animal studies queer theory feminist and gender studies cross cultural and international ecocriticism this timely volume develops a continuing and international feminist ecocritical perspective on literature language and culture New Directions in Philosophy and Literature David Rudrum,2019-08-22 This forward thinking volume draws on new developments in philosophy including speculative realism object oriented ontology the new materialisms posthumanism analytic philosophy of language and metaphysics and ecophilosophy alongside close readings of a range of texts from the literary canon *The Routledge Handbook of Ecofeminism and Literature* Douglas A. Vakoch,2022-09-19 The Routledge Handbook of Ecofeminism and Literature explores the interplay between the domination of nature and the oppression of women as well as liberatory alternatives bringing together essays from leading academics in the field to facilitate cutting edge critical readings of literature Covering the main theoretical approaches and key literary genres of the area this volume includes Examination of ecofeminism through the literatures of a diverse sampling of languages including Hindi Chinese Arabic and Spanish native speakers of Tamil Vietnamese Turkish Slovene and Icelandic Analysis of core issues and topics offering innovative approaches to interpreting literature including activism animal studies cultural studies disability gender essentialism hegemonic masculinity intersectionality material ecocriticism postcolonialism posthumanism postmodernism race and sentimental ecology Surveys key periods and genres of ecofeminism and literary criticism including chapters on Gothic Romantic and Victorian literatures children and young adult literature mystery and detective fictions including interconnected genres of climate fiction science fiction and fantasy and distinctive perspectives provided by travel writing autobiography and poetry This collection explores how each of ecofeminism s core concerns can foster a more emancipatory literary theory and criticism now and in the future This comprehensive volume will be of great interest to scholars and students of literature ecofeminism ecocriticism gender studies and the environmental humanities **Knots like Stars** Roberto Forns-Broggi,2016-08-17 Knots like Stars The ABCs of the Ecological Imagination in Our Americas is an encyclopedia of essays and aphorisms at times personal at times speculative and analytical that invites readers to understand and enjoy an ecological perspective on Latin American literature and arts It is simultaneously a summons to join creative forces with the non human world Through 43 key interdependent entries from diverse environmental traditions writing becomes a meditation on the poetry films and visual artistic traditions that sustain life while opposing the actual destruction of Mesoamerican Andean and Amazonian biodiversity The book will appeal to all people wanting to understand how poetic artistic and critical endeavors can enrich rather than impoverish the imperiled world around us Since the Hispanic population and influence have increased dramatically in recent years a better understanding of the complexity of this diverse culture will be an important asset for a sustainable and more interconnected future This book invites its readers to expand their horizons and enjoy connections in order to build a sustainable community by integrating ecological perspectives in literature film and other arts *Reconnecting with John Muir* Terry Gifford,2006

Advancing for the first time the concept of post pastoral practice Reconnecting with John Muir springs from Terry Gifford's understanding of the great naturalist as an exemplar of integrated environmentally conscious knowing and writing Just as the discourses of science and the arts were closer in Muir's day in part arguably because of Muir it is time we learned from ecology to recognize how integrated our own lives are as readers students scholars teachers and writers When we defy the institutional separations purposely straying from narrow career tracks the activities of reading scholarship teaching and writing can inform each other in a holistic post pastoral professional practice Healing the separations of culture and nature represents the next way forward from the current crossroads in the now established field of ecocriticism The mountain environment provides a common ground for the diverse modes of engagement and mediation Gifford discusses By attempting to understand the meaning of Muir's assertion that going to the mountains is going home Gifford points us toward a practice of integrated reading scholarship teaching and writing that is adequate to our environmental crisis **Understories:**

Plants and Culture in the American Tropics Lesley Wylie, 2023-11-15 Understories Plants and Culture in the American Tropics establishes the central importance of plants to the histories and cultures of the extended tropical region stretching from the U S South to Argentina Through close examination of a number of significant plants cacao mate agave the hevea brasiliensis kudzu the breadfruit soy and the ceiba pentandra among others this volume shows that vegetal life has played a fundamental role in shaping societies and in formulating cultural and environmental imaginaries in and beyond the region Drawing on a wide range of cultural traditions and forms across literature popular music art and film the essays included in this volume transcend regional and linguistic boundaries to bring together multiple plant centred histories or understories narratives that until now have been marginalized or gone unnoticed Attending not only to the significant influence of humans on plants but also of plants on humans this book offers new understandings of how colonization globalization and power were and continue to be imbricated with nature in the American tropics *Handbook for Biblical Interpretation* W. Randolph Tate, 2012-11-01 This handbook provides a comprehensive guide to methods terms and concepts used by biblical interpreters It offers students and non specialists an accessible resource for understanding the complex vocabulary that accompanies serious biblical studies Articles arranged alphabetically explain terminology associated with reading the Bible as literature clarify the various methods Bible scholars use to study biblical texts and illuminate how different interpretive approaches can contribute to our understanding Article references and topical bibliographies point readers to resources for further study This handbook now updated and revised to be even more useful for students was previously published as *Interpreting the Bible A Handbook of Terms and Methods* It is a suitable complement to any standard hermeneutics textbook
