His Last Hope A Contemporary Christian Romance:

His Last Hope M. a Malcolm, 2015-06-18 It's a nightmare from which she can't seem to wake up With no name no memory and no identification she can only answer to the name given to her Hope In the hospital she is befriended by an older woman who becomes her lifeline but even Aunt Ruby is stunned when Hope shares the mysterious circumstances of her amnesia and the unexpected complication she's pregnant When Professor Daniel Donahue returns to Florida from teaching abroad he's suspicious of the stranger now living with his beloved aunt He makes it his mission to discredit Hope and disclose what he believes are her devious intentions Hope can't help but feel the tension between them but just below the surface lies an unexplainable attraction With each passing day Daniel finds it harder to deny his feelings but before he can acknowledge them he must face the pain of his past and resolve his issues with God Can he lay his heart on the line never knowing if someone else is out there ready to reclaim his new found Hope *Our Only Hope* Margaret B Adam, 2014-08-28

The most popular source of theological hope for modern Christians is that of Jurgen Moltmann Preachers teachers and lay people reflect Moltmann's influence with their hope in a this worldly eschatology and suffering God However an exclusive reliance on that hope deprives the church of crucial resources in the face of global economic environmental and military crises *Our Only Hope* explores Moltmannian hope and considers its costs before looking elsewhere for additional contributions from Thomas Aquinas theological virtue of hope to nihilism and beyond in order to encourage the church to sustain and practise hope in Jesus Christ our only hope Christian Classics in Modern English Bernard Bangley, 2000-03-07

With today's accelerated pace of life preoccupation with careers and family demands there is little time for celebrating our humanity and even less time for seeking God So how does a twentieth century believer set about living as a Christian in such a society The writings of devout pilgrims such as Brother Lawrence Thomas Kempis and St Augustine refocus our attention on the basics of the Christian journey Retold in the language and setting of our world today these classics offer timely messages of startling relevance to Christians and those interested in Christianity **Shadows in the Night: A Christian**

LaChance, 2007 In this new work Albert LaChance presents a complete reframing of Christianity as an experiential rather than dogmatic approach to the presence of Christ It emphasizes the idea of Christ as the source and sustainer of the cosmos the Earth the life community and global culture As such it takes a unitive approach with Christianity understood as being in mystical union with global culture and with the ecological realities of the Earth In the author s view Christianity thus joins hands with Buddhism Hinduism and Taoism in a unitive oneness with all that is Consisting of twenty eight short chapters The Modern Christian Mystic focuses on the presence of God permeating and organizing the beginning of existence in the form of consciousness giving birth to energy and then the material reality of the universe The author argues that just as St Augustine introduced the pagan Plato to Christianity and a millennium later St Thomas Aquinas revitalized his faith with the pagan philosophy of Aristotle so in the modern age the non theism of Buddhism Taoism and Hinduism holds the key to a revived mystical practice The Modern Christian Mystic posits a nurturing new world based on commonality rather than conflict in the world of spirit *The Student's Treasury of English*
