The Cowboy and His Beauty Kaci M. Rose, 2023-01-17 She is the girl who got away He seems all too familiar Could the man behind the beast be her cowboy in disguise Sky I'm back in town licking my wounds after losing my job in Dallas Only I haven't told my parents yet They think I'm in town just visiting When I run into the man everyone calls The Beast I can't shake the feeling that I know him from somewhere even if his long hair beard and scar make it impossible to figure out where It's only proper Walker Lake ranching tradition to say hello to your

neighbors so I take him to dinner I never thought I'd get a job offer out of the deal And I never would have guessed the true identity of this growly beast Dash I find it amusing that Sky doesn't recognize me but I guess that's the whole point After my military time I came home to take over the family ranch With Sky gone in Dallas the ranch was my sole focus until I ran into her again With her around I start to feel human again and I want people to see me When she finally figures out who I am will she still want me The Cowboy and His Beauty is a Beauty and The Beast Retelling set on a ranch with a cowboy who is home from the military There is tons of small town goodness quirky characters a town pet horse and a little drama and suspense along the way As always there are your favorite steamy bits no cheating and always a Happily Ever After

Opening Doors: Life and Work of Joseph Schumpeter Robert Loring Allen, 2017-12-02 The author puts this book in the best possible context by referring to the magisterial and paradoxical Dr Schumpeter A figure in a rare class with John Maynard Keynes Friedrich von Hayek and Alfred Marshall the work of Joseph Schumpeter is equalled only in monumental significance by his personal trials and tribulations The work is divided into two volumes the first covering his career in Europe and the second his life and achievements in America Walt Rostow in his Foreword sums up Robert Loring Allen's achievement in biography and intellectual history thus In dealing with Schumpeter's life Allen exhibits a rare consciousness of the extraordinary complexity and only limited penetrability of the human personality Schumpeter's closely interwoven personal and professional life unfolds Allen develops without dogmatism a pattern of linkages for the reader to contemplate In a splendid final passage he provides a memorable summation What makes this enormous effort so successful is the linkage of the personal and the professional the biographical with the intellectual Indeed it is Schumpeter's single minded determination to explain within a single formal theory the dynamics of capitalism that bridges the gap in space time and personality To his books The Theory of Economic Development and Capitalism Socialism and Democracy both published by Transaction is now added the specific contexts in which these and his other works were written The author of this biography like the subject himself is a masterful student of the craft of economics and its place within the larger social science contexts that Schumpeter worked In this work we are introduced into the main current of European and American social science alike The title of the book Opening Doors derives from Schumpeter's life long aim to appeal to inquiring minds to move through such doors in an effort to create the social science of the
