Historic Preservation Law In A Nutshell:

Historic Preservation Law in a Nutshell Sara C. Bronin, Ryan Rowberry, 2014 Historic Preservation in a Nutshell provides the first ever in depth summary of historic preservation law within its local state tribal federal and international contexts Historic Preservation is a burgeoning area of law that includes aspects of property land use environmental constitutional cultural resources international and Native American law This book covers the primary federal statutes and many facets of state statutes dealing with the protection and preservation of historic resources It also includes key topics like the designation process federal agency obligations local regulation takings and other constitutional concerns and real estate development issues Click here to read a book review from the National Trust for Historic Preservation *The Cambridge Handbook of Disaster Law and Policy* Susan S. Kuo, John Travis Marshall, Ryan Rowberry, 2022-09-29 This century's major disasters from Hurricane Katrina and the Fukushima nuclear meltdown to devastating Nepalese earthquakes and the recent crippling volcanic eruptions and tsunamis in Tonga have repeatedly taught that government institutions are ill prepared for major disaster events leaving the most vulnerable among us unprotected These tragedies represent just the beginning of a new era of disaster an era of floods heatwaves droughts and pandemics fueled by climate change Laws and government institutions have struggled to adapt to the scope of the challenge old models of risk no longer apply This Handbook provides timely guidance taking stock of the field of disaster law and policy as it has developed since Hurricane Katrina Experts from a wide range of academic and practical backgrounds address the root causes of disaster vulnerability and offer solutions to build more resilient communities to ensure that no one is left behind **Advanced Introduction to Cultural Heritage**

Law Lorenzo Casini, 2024-03-14 Lorenzo Casini delves into the increasing globalization of cultural heritage law in this innovative and thought provoking Advanced Introduction In addition to answering fundamental questions on cultural property Casini connects national and global aspects of cultural heritage law dissects old and contemporary dilemmas and examines the future challenges of cultural heritage law in the digital age *How Cities Will Save the World* Ray Brescia, John Travis Marshall, 2016-06-03 Cities are frequently viewed as passive participants to state and national efforts to solve the toughest urban problems But the evidence suggests otherwise Cities are actively devising innovative policy solutions and they have the potential to do even more In this volume the authors examine current threats to communities across the U S and the globe They draw on first hand experience with and accounts of the crises already precipitated by climate change population shifts and economic inequality This volume is distinguished however by its central objective of traveling beyond a description of problems and a discussion of their serious implications Each of the thirteen chapters frame specific recommendations and guidance on the range of core capacities and interventions that 21st Century cities would be prudent to consider in mapping their immediate and future responses to these critical problems How Cities Will Save the World brings together authors with frontline experience in the fields of city redevelopment urban infrastructure healthcare

planning immigration historic preservation and local government administration They not only offer their ground level view of threats caused by climate change population shifts and economic inequality but they provide solution driven narratives identifying promising innovations to help cities tackle this century s greatest adversities A Layperson's Guide to Historic Preservation Law Julia H.
