Jewish Resistance Against the Nazis Patrick Henry, 2014-04-20 This

volume puts to rest the myth that the Jews went passively to the slaughter like sheep. Indeed, Jews resisted in every Nazi occupied country in the forests, the ghettos, and the concentration camps. The essays presented here consider Jewish resistance to be resistance by Jewish persons in specifically Jewish groups or by Jewish persons working within non-Jewish organizations. Resistance could be armed revolt, flight, the rescue of targeted individuals by concealment in non-Jewish homes, farms, and institutions, or by the smuggling of Jews into countries where Jews were not objects of Nazi persecution. Other forms of resistance include every act that Jewish people carried out to fight against the dehumanizing agenda of the Nazis: acts such as smuggling food, clothing, and medicine into the ghettos; putting on plays; reading poetry; organizing orchestras and art exhibits; forming schools; leaving diaries; and praying. These attempts to remain physically, intellectually, culturally, morally, and theologically alive constituted resistance to Nazi oppression, which was designed to demolish individuals, destroy their souls, and obliterate their desire to live.
