The Old English Game Fowl - Its History, Description, Management, Breeding and Feeding H. Atkinson,2011-11-03 This vintage book contains a complete guide to old English game fowl being a treatise on their history description management breeding and feeding This detailed and comprehensive book contains a wealth of useful and practicable information and is highly recommended for modern keepers and breeders The chapters of this book include Origin and History The Revival of Old English Game in the Show Pen The Points of Game Fowls The Different Breeds and Colours The Sport of Cocking The Useful Properties of Old English Game Management and Mating of the Breeding Stock Sitting Hatching Rearing etcetera This book is being republished now in an affordable modern edition complete with a specially commissioned new introduction on shooting wildfowl A History of English Laughter Manfred Pfister,2002 Is there a history of laughter Or isn t laughter an anthropological constant rather and thus beyond history a human feature that has defined humanity as homo ridens from cave man and cave woman to us The contributors to this collection of essays believe that laughter does have a history and try

to identify continuities and turning points of this history by studying a series of English texts both canonical and non canonical from Anglosaxon to contemporary As this is not another book on the history of the comic or of comedy it does not restrict itself to comic genres some of the essays actually go out of their way to discover laughter at the margins of texts where one would not have expected it all in Beowulf or Paradise Lost or the Gothic Novel Laughter at the margins of texts which often coincides with laughter from the margins of society and its orthodoxies is one of the special concerns of this book This goes together with an interest in impure forms of laughter in laughter that is not the serene and intellectually or emotionally distanced response to a comic stimulus which is at the heart of many philosophical theories of the comic but emotionally disturbed and troubled aggressive and transgressive satanic and sardonic laughter We do not ask then what is comic but who laughs at and with whom where when why and how
