The History of Brazil, from the Period of the Arrival of the Braganza Family in 1808, to the Abdication of Don Pedro the First in 1831, Vol. 1 of 2 (Classic Reprint) John Armitage, 2017-10-30 Excerpt from The History of Brazil From the Period of the Arrival of the Braganza Family in 1808 to the Abdication of Don Pedro the First in 1831 Vol 1 of 2 He is quite willing to concede that the circumstance of his having been a foreigner in Brazil may occasionally have proved an obstacle to his entering fully into the spirit of his theme yet he hopes it will be borne in mind that this circumstance also has had a tendency to prevent his being unduly biased in behalf of any faction Perhaps contemporary history can in some instances be best written by a foreigner since he can associate with and enter into the feelings of all parties without partaking their passions About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The history of Brazil, from ... 1808, to ... 1831.
