History Christian Council Original Documents:

A History of the Christian Council Charles Joseph Hefele, 2017-09-16 Excerpt from *A History of the Christian Council From the Original Documents to the Close of the Council of Nicaea A D 325* That the origin of councils is derived from the Apostolic Synod held at Jerusalem about the year is undoubted but theologians are not agreed as to whether they were instituted by divine or by human authority The true answer to this question is as follows They are an apostolical institution but the apostles when they instituted them acted under the commission which they received from Christ otherwise they could not have published the decisions of their synod with the words It seemed good to the Holy Ghost and to us They must have been convinced that the Lord of the Church had promised and had granted His Spirit to the assemblies of the Church About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
