Scripture and History William Cuninghame,1818 The Great Apostasy James Talmage,2011-12-02 The Great Apostasy was written by James E Talmage in 1909 It details on how the great apostasy occurred as well as proofs and evidences of it This edition contains minor changes to grammar spelling and references **The Great Apostasy** James E. Talmage,2015-07-12 Excerpt from The Great Apostasy Considered in the Light of Scriptural and Secular History The Church of Jesus Christ of Latter day Saints proclaims the restoration of the Gospel and the re establishment of the Church as of old in this the Dispensation of the Fulness of Times Such restoration and re establishment with the modern bestowal of the Holy Priesthood would be unnecessary and indeed impossible had the Church of Christ continued among men with unbroken succession of Priesthood and power since the meridian of time The restored Church affirms that a general apostasy developed during and after the apostolic period and that the primitive Church lost its power authority and graces as a divine institution and degenerated into an earthly organization only The significance and importance of the great apostasy as a condition precedent to the re establishment of the Church in modern times is obvious If the alleged apostasy of the primitive Church was not a reality the Church of Jesus Christ of Latter day Saints is not the divine institution its name proclaims The evidence of the decline and final extinction of the primitive Church among men is found in scriptural record and in secular history In the following pages the author has undertaken to present a summary of the most important of these evidences In so doing he has drawn liberally from many sources of information with due acknowledgment of all citations About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Apostasy and Perseverance in the Theology of Luke Schuyler Brown,1969 The Great Apostasy James E. Talmage,2020-08-22 1 A belief common to all sects and churches professing Christianity is that Jesus Christ the Savior and Redeemer of the human race established His Church upon the earth by personal ministration in the meridian of time

Ecclesiastical history as distinguished from secular history deals with the experiences of the Church from the time of its establishment. The conditions under which the Church was founded first claim our attention. 2 At the beginning of the Christian era the Jews in common with most other nations were subjects of the Roman empire. They were allowed a considerable degree of liberty in maintaining their religious observances and national customs generally but their status was far from that of a free and independent people.
