Read the manual carefully to learn how to use each tool and service your machine correctly. Failure to do so could result in personal injury or machine damage.

This manual should be considered a normal part of your machine and should remain with the machine when you sell it.

The machine is of course single channel, and its outputs are noisy. The only more powerful and more accurate

Reproduction and distribution of this article are authorized by the American Psychological Association or one of its allied publishers. This article is intended solely for the personal use of the individual user and is not to be disseminated broadly.

While product identification numbers in the clearing markets section, denoted by a small "i" in the column to help in locating the position should it be listed. You should also check these numbers when you enter bids, if the market is open in the morning, since the identification numbers in a column above will be updated.

Warning is provided as part of the firm's expert report to be submitted into court and subject to the approval of counsel in the event. The warning is included in the expert's certificate and is shown here unaltered and verbatim.

The warranty provides you the assurance that should you find the product under repair within the warranty period, it will be replaced. However, the warranty also provides that replacement will be subject to the availability of the product. If not available, should the equipment be returned, or should it change its performance beyond the original factory specifications, the warranty will become void and great disappointment may be felt. Buying the "lowest" price specification or otherwise comparing values and benefits will result.

Only qualified, experienced operators, strictly trained according to local law, should be allowed to operate the machine. Moreover, only strictly trained personnel should be allowed to inspect, correct the machine.

All information, figures and specifications in this manual are based on the latest product information available at the time of publication. This will be corrected to cover changes as they come to light.
