Holy War For The Promised Land Israel At The Crossroads:

Holy War for the Promised Land David Dolan, 2003 Placing events in the context of biblical prophecy Dolan covers the growing conflict in the Middle East the anti Israel frenzy the collapse of the Oslo process and the new Palestinian uprising and what the Israeli response might be

Holy War in Judaism Reuven Firestone, 2012-07-12 Holy war sanctioned or even commanded by God is a common and recurring theme in the Hebrew Bible Rabbinic Judaism however largely avoided discussion of holy war in the Talmud and related literatures for the simple reason that it became dangerous and self destructive Reuven Firestone's Holy War in Judaism is the first book to consider how the concept of holy war disappeared from Jewish thought for almost 2000 years only to reemerge with renewed vigor in modern times The revival of the holy war idea occurred with the rise of Zionism As the necessity of organized Jewish engagement in military actions developed Orthodox Jews faced a dilemma There was great need for all to engage in combat for the survival of the infant state of Israel but the Talmudic rabbis had virtually eliminated divine authorization for Jews to fight in Jewish armies Once the notion of divinely sanctioned warring was revived it became available to Jews who considered that the historical context justified more aggressive forms of warring Among some Jews divinely authorized war became associated not only with defense but also with a renewed kibbush or conquest a term that became central to the discourse regarding war and peace and the lands conquered by the state of Israel in 1967 By the early 1980 s the rhetoric of holy war had entered the general political discourse of modern Israel In Holy War in Judaism Firestone identifies analyzes and explains the historical conceptual and intellectual processes that revived holy war ideas in modern Judaism

Holy Wars Gary L. Rashba, 2020-01-10 A compelling tale of how this spiritually and politically charged area of the globe has long been a place of pivotal battles Library Journal Today's Arab Israeli conflict is merely the latest iteration of an unending history of violence in the Holy Land a region that is unsurpassed as witness to a kaleidoscopic military history involving forces from across the world and throughout the millennia Holy Wars describes three thousand years of war in the Holy Land with the unique approach of focusing on pivotal battles or campaigns beginning with the Israelites capture of Jericho and ending with Israel's last full fledged assault against Lebanon Its chapters stop along the way to examine key battles fought by the Philistines Assyrians Greeks Romans Arabs Crusaders and Mamluks the latter clash at Ayn Jalut comprising the first time the Mongols suffered a decisive defeat The modern era saw the rise of the Ottomans and an incursion by Napoleon who only found bloody stalemate outside the walls of Akko The Holy Land became a battlefield again in World War I when the British fought the Turks The nation of Israel was forged in conflict during its 1948 War of Independence and subsequently found itself in desperate combat often against great odds in 1956 and 1967 and again in 1973 when it was surprised by a massive two pronged assault By focusing on the climax of each conflict while carefully setting each stage Holy Wars examines an extraordinary breadth of military history spanning in one volume the evolution of warfare over the centuries as well as the enduring status of the Holy Land as a battleground

The Dark Side of Zionism Baylis Thomas,2011-01-01 The thesis of The Dark Side of Zionism arising from new histories neglected by the media is that both the early Zionists and the Israelis sought their security through military domination of the indigenous Arab population of Palestine This strategy required avoiding negotiations with the Palestinians as well as demonstrating Israeli military might through wars initiated against Arab states opposed to an Israeli takeover of Palestine

The Publishers Weekly ,2003 Crossroads to Israel Christopher Sykes,2022-05-07 Christopher Sykes has written the authoritative work on the Palestine Mandate His account is almost unbearably fair to all concerned even to Britain a very excellent book Mr Sykes steers his way through the reigns of successive High Commissioners and through the maze of White Papers and Royal Commissions with amazing virtuosity We see the whole picture of the Mandate in a way which was impossible to those at the time International Affairs Mr Sykes son of Mark Sykes co author of the Sykes Picot Agreement has written an illuminating highly informed and balanced study of the development of the Zionist movement into the State of Israel By virtue of his acquaintance with many of the leading persons involved Mr Sykes has had access to a considerable amount of unpublished material upon which he has drawn heavily to clarify much that was previously obscure about events in the unhappy Holy Land He also writes with an easy lucid style so that apart from the book s intrinsic merit it is immensely readable International Journal One of the many merits of Mr Sykes s wholly meritorious book is that he is not anchored in time or prejudice Middle Eastern Studies *Cumulative Book Index* ,1998 A world list of books in the English language

Women at the Crossroads Chana Bracha Siegelbaum,2010 Women at the Crossroads A Woman s Perspective on the Weekly Torah Portion comprises 53 essays pertaining to women based on each of the weekly Torah Portions throughout the year Rebbetzin Chana Bracha Siegelbaum discusses in depth the characters and dilemmas of the women in the Torah that are relevant to the issues which women encounter today The author explores the underlying values of laws and rituals that pertain to women by examining the inherent nature of women as presented in the Torah Based on the intricacies of the Torah text she shows the beauty and depth of the role of women as portrayed in the Torah and teaches the importance of women and their immense influence on society as prime movers of history The book is divided into five chapters corresponding to the five books of the Torah Each chapter is divided into sections according to each Torah portion In addition it includes a comprehensive and useful compilation of biographies of the commentaries quoted in the book Expounding the Torah text through methodical research of Midrash Talmud and traditional commentators such as Rashi and the Ramban placed side by side with Chassidic masters like the Me or v Shemesh and modern commentators including Rabbi Aryeh Kaplan Rebbetzin Chana Bracha Siegelbaum weaves together the strands that make up the tapestry of life for the contemporary woman Rather than paying homage to the external competitive masculine world the author demonstrates how Jewish women of today may look inwards to the women in the Torah for guidance in choosing their priorities in life *Unholy War* Randall Price,2001 A concise examination of the Middle East conflict surrounding Jerusalem provides historical information while considering

Jewish and Arab claims to the city the political significance of the conflict and the prospects for both war and peace Original

Israel in Crisis David Dolan,2001 Eyewitness accounts and biblical prophecy merge in this provocative analysis by a veteran Jerusalem based journalist **American Book Publishing Record** ,2005 Freely Gathered Communities of Faith and the Changes between the Testaments M. A. Erickson,2019-10-18 How can we make sense of the seismic shift between the Old and New Testament From the early centuries of Christianity until today many have wrestled with the complex changes between the Testaments and how to make sense of them The discussion and debate is spilling over into new areas today and shows no sign of slowing down In this fresh approach the land the sword and the temple are traced from Old to New Testament in order to find the central reasons for the tremendous changes that took place and are still impacting the world today Freely gathered communities of faith in Christ as seen in their original setting provide a key focal point for unlocking the radical changes that took place **Ultimate Guide to the Holy Land** Holman Bible Publishers,2022-05-15 Visit the Holy Land without ever leaving home The Ultimate Guide to the Holy Land Hundreds of Full Color Photos Maps Charts and Reconstructions of the Bible Lands is the perfect tool to study God s Word while immersed in the context of the land and the times in which it was written This robust yet concise illustrated guide includes nearly 200 articles with more than 500 associated maps images photos and biblical reconstructions of the Holy Land illuminating the people places and things of Scripture Nearly 200 carefully researched and accessible articles on the Holy Land More than 500 full color maps images photos and reconstructions Concise trim size that is easy to carry Great for personal or group study The optimal size of the Ultimate Guide to the Holy Land makes it easy to carry and easy to use in personal study or group activities This valuable resource will enhance your understanding of the Holy Land for years to come **The Writers Directory** ,2004

The Middle East and North Africa 2003 Eur, **Crossing Jordan** Roy Adams,2005 The author brings Joshua to life He explores the underlying historical geographical and psychological subtexts providing a strategic understanding of Israel s military campaign He provides evidence of the utter depravity of the Canaanites from their own literature and explains the covenant form with the help of ancient Near Eastern suzerainty treaties He tackles the ethics of Rahabs s deception and other issues Joshua and Judges Paul Wright,1998-04-01 You grew up using the well known black and yellow striped Cliff s Notes to help you grasp everything from great literary works to algebra Unfortunately what Cliff forgot was the greatest literary work in history the complete Holy Bible Enjoy the ease of understanding the Bible like never before book by book Shepherd s notes helps reader s learn about the inspired authors of the Bible books and when and where they were first penned Each Bible book is revealed in simple understandable steps that outline and underscore the focal points and personalities of the biblical text You ll look to these unique books for their use in Bible studies teaching personal devotions and even in sermon preparation Christian and home schools will find Shepherd s Notes an invaluable resource *Library Journal* ,1998 **Light Force** Brother Andrew,Al Janssen,2004-09-01 Brother Andrew s ministry began with smuggling

Bibles behind the Iron Curtain His phenomenally successful book God's Smuggler was born from that mission But as communism in Eastern Europe declined Brother Andrew shifted his focus to strengthening the Christian church within the Islamic world In a time when a mass exodus of Christians has drained the Middle East of God's light Brother Andrew headed into this war torn land to bring hope and encouragement to those who remained Light Force recounts the continuing saga of Brother Andrew's most recent mission Through dramatic true stories readers get an exclusive behind the scenes look at real people affected by the centuries old conflicts in this volatile part of the world Now readers can join Brother Andrew and fellow Open Doors missionary Al Janssen in their quest to strengthen God's light in the Middle East These gripping accounts of Christians caught in the crossfire will captivate readers everywhere *Krieg der Religionen* Victor Trimondi, Victoria Trimondi, 2006
